HAVE ANOTHER

Dinner was a little late, so the hostess played the piano. She finished but there was still an interval of waiting. In the embarrassing silence, she turned to one of the waiting guests and asked, "Mr. Mason, would you like a sonata before dinner?" The gentleman gave a start of surprise and pleasure. "Why yes, thank you, I had a couple on my way here, but I think I could stand another."

"Discussion Night" Feature of Kinsmen Club Meeting

"Discussion night" was a feature of the Kinsmen's regular meeting, Monday night, which was held in the Grill Room of the Empire Hotel.

The Chairmen of various committees, including Past Presidents Roy Hardy, Sid Chapman, Charles Lepage, B. Robinson, Ellet Smith, F. Innis, and other members were called upon for special discourses on future service endeavors.

Some very interesting and vital suggestions were recorded from these special talks.

President Roy Hardy announced at the meeting that the Matheson Kinsmen Club will receive its charter this Thursday, and representatives from Timmins, Kirkland Lake, Iroquois Falls and Ansonville will assemble in a body for the presentation at Matheson.

Major "Banty" Bantick, general secretary, and one of the chief executives of Kinsmenship, from Hamilton and Toronto, will be present at the ceremonies. Some 60 Kinsmen and friends are expected to be present. Chairman Ellet Smith, of the expansion Committee, will present the Charter.

Kinsmen Bill Alexander was elected Registrar, replacing Errol Crull, who was transferred to the Red Lake District, as Resident Geologist.

Among the returning Kinsmen attending the meeting was Capt. Leo Charlebois, a charter member of the Timmins Club, who has only recently returned from overseas. He was attached to the Royal 22nd Regt. (The famous Van doos), and saw extensive service with the 8th Army through Sicily and Italy and other sectors. Capt. Charlebois thanked the Kinsmen for parcels received while on overseas duty and mentioned that he was delighted after the Lenten Season this year of receiving a "home package" from the Kinsmen, at a place called "Putte"

in Belgium where he was billeted. Capt. Charlebois will be active with the Kinsmen, upon his release from the army.

Major Bob Stock, another returned man, was appointed last evening by the Kinsmen to the Porcupine District Rehabilitation Committee. Major Stock will ably represent the Club in that capacity.

Guest of the evening was Gordon Dawes, Household Finance Corp.

Mr. Art Carson is Guest Speaker at Lions Club

Members of the Timmins Lions Club held their regular weekly meeting at the Grand Hotel on Monday evening.

The president, Lion Mansell Napper, was in the chair, and thirty members were present.

Guest speaker for the evening was Mr. Art Carson, Superintendent of the Children's Aid Society, who explained the work and objectives of the society. A drive to raise \$5,000 for the preventive work among families and children of the district is at present being conducted by the society.

The speaker was thanked by President Lion Napper.

Lion Don Robertson reported on the progress made in the plans for the Fall Dance to be held at the Riverside Pavilion on Friday, September 28th.

A report on the special edition of the paper sponsored by the club was given by Lion George Glake.

Lion Cliff Manzie led the singing at the meeting.

Miss Helen Chisholm, Local Artist has Work on Display

An exhibition of paintings by Miss Helen Chisholm is on display in the windows of Marshall, Ecclestone's store.

Miss Chisholm whose home is in Timmins, is at present employed at the National Gallery in Ottawa.

A graduate of the College of Art, this promising young artist spends her week ends with carvas and brush when she is not busy with her stenographic work at the Gallery.

A fact worthy of note, which may be of value to local service clubs, is that the National Gallery loans pictures for exhibition.

School Children Will Have Dental Check-up

At a meeting of the Porcupine Health Unit it was decided that children entering school for the first time will have a complete dental inspection.

A record will be kept and will become a part of the children's health record until high school is reached.

Children will be given a card to take home to their parents on which will be recorded the findings of the dental

inspector. A space is provided for the family dentist to note the corrections and treatment given by him.

Red Cross Jam for British Children and Hospital Patients

There has been considerable misunderstanding about the shipping of Canadian Red Cross jam to Britain this year. Because of the severe sugar shortage, the Wartime Prices and Trade Board has been unable to permit Canadian Red Cross to ship any commercially-made jam to Britain.

The government does, however, allow the Red Cross to issue sugar permits for home-made jam, honey requisitions. Many branches of Red Cross, in co-operation with Women's Institutes are making jam for overseas; but the fruit and honey crop has been extremely short this season and ship-

will be greatly reduced in comparison with last year when 287,000 pounds of these items were shipped to Britain. Numerous letters on file at Ontario Division Red Cross headquarters express the appreciation of children in nurseries and servicemen in hospitals for these foods in a land of severely rationed diets.

A large number of the prefabricated, barrack-type huts that sheltered United States Army soldiers and civilian workers during the building of the Alaska Highway will be used this winter to house 400 returned service men and their families in Edmonton. Each unit will have its own living room, a small dining room off the kitchen, bathroom, utility room and one or two bedrooms.
