

Birch Street School Pupils Held First Annual Fair

On Tuesday of last week, the pupils of Birch Street school held their first school fair.

The response of the pupils and parents was so gratifying that this will probably be the beginning of similar events to be held annually.

A large number of parents attended the fair and it also gave them an opportunity to meet the teachers and discuss the work with them.

Mr. Walter Riggs judged the flowers and vegetables exhibited, Mr. H. W. Brown, Inspector of Public Schools, judged the art, writing and construction, Mr. McClung, manual training work, and Miss Violet McKinley the cooking and needle work.

The recreation room where the exhibition was held was most attractively decorated with evergreens and a miniature "little red school house".

Clothing Collection in South Porcupine

South Porcupine, Sept. 19th, Special to The Advance.

Mr. Clarence Anderson, Chairman of the committee formed in our town (under Kiwanan, auspices) for collecting used clothing to be sent to Europe's destitute children and people, is most anxious that all should know the dire need that these people are in, and that all loyal people in our town should begin NOW to look into clothes closets and during the fall house-cleaning eliminate every article of clothing not actually needed by them. Wash these articles—it is necessary that they be sanitary, but not dry cleaned particularly—and bundle them up. Between October 1st and 20th, somebody will call for them.

Does anybody in your family have—
—A dress that is out of style?
—A suit that no longer fits?
—Shoes that are seldom worn?
—Usable spare quilts or blankets?
—Worn cotton children's clothing or underwear?
—More blouses or housecoats than are needed?
—An outmoded top coat?
In Belgium a soldier came across a family that had just one ragged shirt. When one of the boys wore the shirt to go out foraging for wood

Blended for Quality
"SALADA" TEA

In the snow the others had to stay inside to keep from freezing. Another soldier writes "Last winter while I was warm in my woolen uniform I saw children naked and blue with cold."

"In Europe millions are counting on our generosity. If we fail them we betray the ideals for which millions gave their lives." How about planning a real "Clean out your clothes-closet" week?

Mr. Clarence Anderson Speaker at S. P. Kiwanis

R.S.M. Tom Wilson of the Veteran Guard of Canada, and his son F-O

Terry Wilson D.F.C. (recently discharged) were guests of the Club at this meeting.
