Now REDUCED RATE ON LOANS

Now you can borrow from Household Finance at the monthly rate of only 1 1/2%! At this rate you pay only \$1.50 for a \$100 loan for one month, only \$3.75 for a \$250 loan!

All you do. To apply for a loan at this reduced rate—\$50, \$100, or as much as \$1,000—you merely telephone or visit the Household office, say how much money you want and the payment plan you prefer (see table below.) You need no endorsers, guarantors or bankable security, no help from outsiders, to get a loan from Household. If you can make the monthly payments shown, don't hesitate to ask for whatever amount you need. You can usually get the cash the same day you apply.

Small monthly payments. Notice that you may choose the payment plan that best fits your own income. The sooner you repay the less your loan costs. Payments shown include principal and charges. No fines, discounts or extras of any kind.

Now see what reasonable costs Household's rate makes possible. A \$25 loan, repaid in 3 monthly payments, for example, costs only 75c. And that's the total and complete cost!
