New Express Agents In Northern Ontario

Appointment of three express agents at points in the northern Ontario district of the Central Region, Canadian National Railways, is announced by G. E. Bellrose, general manager, C. N. Express. George Anderson has been posted to Kapuskasing, replacing E. J. Harris, promoted to a similar position at Simcoe; Bertie Kidman takes over the agency at North Bay, succeeding J. G. Goldthorpe, appointed traffic supervisor in the same city. Matthew George Skelton is the new agent at Cochrane. He follows H. R. W. Ryder, who takes over similar duties at Fort Erie, Ont.
Mr. Anderson was born at Seymour, Ont. in 1893 and entered the service of the company May 13, 1927 as porter at Porcupine Junction, holding various positions at that agency until appointed general clerk at Kapuskasing

in August, 1927.
Born at Ramsay, Essex, England, in October, 1892, Mr. Kidman began his railroad career October 1, 1915 as clerk at Toronto. He held various clerical positions at that office until March 19, 1918, when he was appointed agent at Sudbury which position he held until his present appointment.
Mr. Skelton is a native of Guelph, where he was born in September, 1904. He entered the service of the company May 1, 1921 as clerk in his native town. He held various positions there until, on December 31, 1929, he was appointed agent at Halleybury. Since then he had held posts of agent at Swastika, MacDiarmid, St. Thomas and Timmins. On May 16, 1944, he took over the express agency at Englehart and, on February 17, 1945, was promoted to be agent at Geraldton.

Twenty Years Ago

From the Porcupine Advance Files

"No immediate action will be taken," council decided in 1925 when the Porcupine Medical Association asked that an isolation hospital be established in Timmins for the treatment of contagious diseases. They were keeping a close string on the moneybags of the town in those days. The Porcupine Pet and Poultry Association had been granted a sum of money to help out their show in previous years but in 1925 their request was refused.
Junior hockey promised to be a big sport in Timmins in 1925. An enthusiastic organization meeting was held and Chas. Roach, Fire Chief A. Borland, J. N. Levine, R. Carmichael, Geo. Lake, C. Hodgins and W. Arundell placed in charge of the club. It was known as the Porcupine Junior Hockey Association and was to look after junior and juvenile hockey in the vicinity.
Seventy five people sat down to dinner at the Empire Hotel during the week of twenty years ago when the Timmins Kiwanis Club tendered a banquet in honour of the Timmins Football team that had gone into the Ontario Cup finals a few days before. C. R. Murdoch, president of the Kiwanis that year, was chairman for the meeting. Mayor Dr. McInnis, W. A. Field, manager of the team, H. G. Laidlaw, W. F. B. Cadman, G. A. MacDonald, C. G. Williams were speakers for the occasion.
A big crowd, the Timmins Citizens' Band and a number of the town's prominent citizens were at the station twenty years ago to welcome the football team home from their unsuccessful attempt in Toronto to bring the Ontario Cup to Timmins.
"The spirit of always looking for the best, rather than the worst, is surely a more desirable spirit than that which apparently seeks ever for mean thoughts and derogatory ideas," was a rebuke published in the editorial column of The Advance twenty years ago to man who sneered that he knew the Timmins football team would lose but "wait until the Advance comes out, it will make out Timmins to be the best after all." "It has developed," continued the article that the Advance has not been called upon to show that Timmins Football Club did credit to itself and the town. "This has been done very effectively by a Toronto football fan and a Toronto newspaper. To the sneering gentleman a word! If you know of a better town or a better people, why linger here? Why brand yourself as a silly soul by staying in a town from whence you say no good can come?"
Acquisition of the Dome Mine of the property of the Porcupine Bonanza group of claims in Tisdale brought the total area of land controlled by them up to 1,000 acres it was reported twenty years ago.
Schumacher news of 1925 included the proposal that a rink be built there that winter. It was being sponsored by a number of prominent citizens. It was also thought that a curling rink might be included.
The burning of a fiery cross, emblem of the Klu Klux Klan which was at that time being organized in Timmins drew the attention of Timmins citizens twenty years ago. The cross was placed on the cyanide between the Hollinger and the station for all to see. The Advance somewhat sceptical as to whether or not there actually was a K.K.K. branch in Timmins, stating that the cross might have been burned as a joke.
Ulster Football club in Toronto was fined by the Ontario Football Association twenty years ago for refusing to meet Timmins in the semi-finals for the Ontario cup. Of the total fine of \$300 the amount of \$50 was allowed the Timmins club for expenses incurred.

Schumacher Seniors Victorious in a Very Rough Game, 22-11

The Schumacher High School Senior rugby team defeated the T. H. & V. S. squad in a rough game which ended in a free-for-all fight at the Hollinger Park Saturday. In this encounter Timmins, sporting four former members of the armed forces, came out on top.
Schumacher scored a touchdown in each of the first two quarters. In the third quarter they scored a touchdown and a convert. Then the locals scored two touchdowns and a convert.
In the last quarter Schumacher finished up all scoring with a touchdown. During this period several violent arguments took place, culminating in a fight which raged for a few minutes in front of the bleachers.
First Quarter
Schumacher—Small, touchdown.
Schumacher—Small, convert.
Second Quarter
Schumacher—Cimetta, touchdown.
Third Quarter
Schumacher—Small, touchdown.
Schumacher—Cimetta, convert.
Timmins—Barry, touchdown.
Timmins—Barry, convert.
Timmins—Burns, touchdown.
Fourth Quarter
Schumacher—Mesich, touchdown.
Timmins—snap, Blaney; ends, Barry, Boychuck; quarter, Burns; halves, Belec, Cain; subs, Ormston, Carbonneau, Lalonde, Knight.
Schumacher—snap, Petteoff; ends, Small, Tomlinson; quarter, Battachio; halves, Cimetta, Mesich; subs, Montigny, McDonnell, Waite, Fraser.

Schumacher Wins Over Timmins

The Schumacher High School intermediate rugby team defeated the Timmins squad at the Hollinger park on Saturday afternoon by a score of 25 to 17 in a very rough game.
Timmins scored a touchdown at the kick off, and followed up with another several minutes later. The Schumacher squad scored a touchdown later, and in every following quarter except the second. The Schumacher end runs did most damage to the locals hopes.
First Quarter
Timmins—Donaldson, touchdown.
Timmins—Donaldson, touchdown.
Schumacher—Sampson, touchdown.
Second Quarter
Schumacher—Byers, field goal.
Timmins—Domenico, touchdown.
Schumacher—rouge.
Schumacher—safety touch.
Third Quarter
Schumacher—Cimetta, touchdown.
Timmins—Murphy, field goal.
Fourth Quarter
Schumacher—Braganola, touchdown.
Schumacher—Byers, convert.
Schumacher—Byers, touchdown.
Timmins—Donaldson, field goal.
Schumacher—snap, Beatty; ends, McMillan, Braganola; quarter, Hannigan; halves, Sampson, Byers; subs, Cimetta, Robertson, Mansfield.
Timmins—snap, Spiola; ends, Elles, Prest; quarter, Donaldson; halves, Menard, Domenico; subs, Murphy, Andrews, Gavan.

Radium Controversy and Eldorado Mines

A controversy which threatens to rock Parliament and which may have wide international repercussions has broken into the open at Ottawa, reports The Financial Post. Writs have been issued against the Attorney-General of Canada and against J. Grant Glasco. Mr. Glasco is special investigator for the Department of Munitions & Supply into the affairs of the Eldorado Mines.
The action brought against Glasco

THE LEGION COLUMN

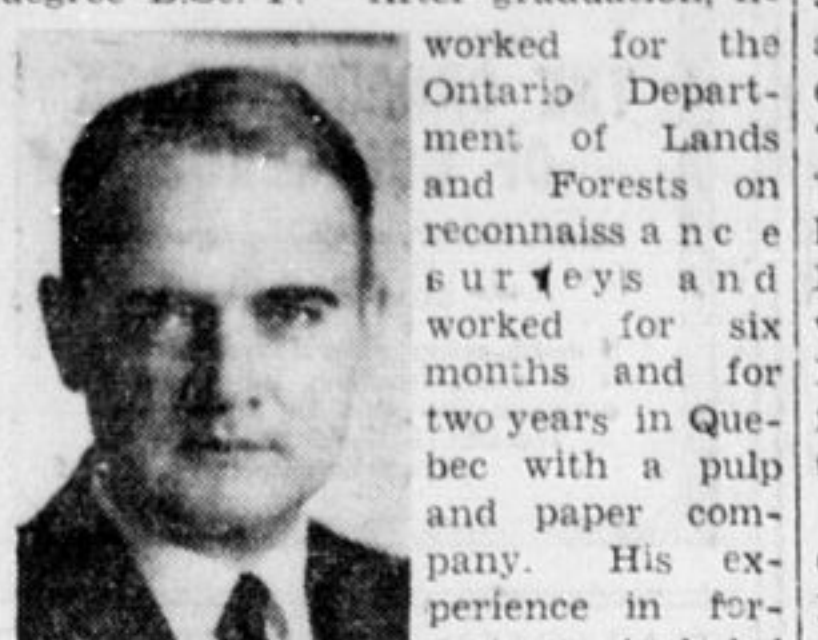

The first meeting of the Porcupine Veterans' Hall shareholders to discuss the Legion's new building project held on Wednesday Oct. 24th, was highlighted by a considerable amount of spirited discussion. Most of the members on the floor seemed determined to uphold their democratic right to free speech and most of the comrades succeeded in differing with each other at every turn of the meeting with great animation.
Quite a few hairs were split over the question of precedent; "what was good enough for the Branch twenty years ago should be good enough to fill the bill to-day", and all that kind of thing. However, the shareholders of the Porcupine Veterans' Hall finished the evening by electing an excellent building panel of eight members, carefully selected for the purpose of governing the affairs of the Porcupine Veterans' Hall until such time as the new building is erected and paid for.
For the benefit of those members who do not attend meetings, the Porcupine Veterans' Hall is run as a company apart from the Legion itself and every member of Branch 88 is automatically a shareholder and all the members of the executive committee are directors. It has been deemed more expedient to turn over the directorship of the Company to the selected building panel aforementioned at this turn of the affairs of the Branch. This building panel will consist of twelve members of which eight are already elected, as follows:
Mr. Gordon Irving, Mrs. W. Doran, Fred Burt, Dr. McClintock, Sam Caldwell, Fred Simpson, Major Bob Stock and Gordon Brown. In addition to these the current president and secretary-treasurer will be included in the panel annually. Two members from Schumacher, who have not yet signified their intention to hold office, will be added to the panel at a later date. The executive committee's choice of an architect—Mr. Murray Brown, of Toronto—was approved by the meeting.
Nominations were also accepted for members of the governing body of Branch 88 for 1946. For president—Comrades Harry Searth, and Frank MacDowell. For executive committee—Comrades Maurice Williams, Albert Cain and M. T. O'Grady. Zone Commander Austin Neame called for a resolution against closing the office of the present Legion adjustment officer at North Bay; the resolution was adopted. It was pointed out that an officer in Timmins would be in a position to give better service to this North Country—that will probably come eventually—but an office at North Bay was definitely preferable to having no officer detailed especially for the North.
A resolution calling for an increase in the executive council from six to ten members was presented by your correspondent and supported by Comrade Walter Greaves. This resolution was held over until the next general meeting before which time every member will receive due notice of motion. The suggested increase in the executive committee is designed with the object of providing adequate representation for all members of the Branch. The present executive committee of six members worked very well when the Branch consisted entirely of veterans of the war of '14-'18.
Since the close of the recent world war membership is increasing rapidly, and our ranks now include ladies from the feminine air, naval and military organizations; the old originals and recently returned men. This resolution will be voted on at the next general meeting. Unless the executive committee is substantially augmented there will not be room for proper representations for all these various and distinct classes of personnel.
The Legion Cub Pack met at the Hollinger Hall on the evening of Wednesday, October 24th, for the purpose of presenting a collection of solid silverware—subscribed for by themselves and the Group Scout Committee of Branch 88—to their late Cubmistress, Miss Grace Simpson, who is leaving Timmins to marry and take up residence in B. C. Miss Simpson has been a popular and efficient mistress of the Legion Cub Pack for many years and was a real standby when youth leaders were few and hard to find. Branch 88 offers hearty congratulations and best wishes to Miss Simpson for the future. Comrades Frank Melville and Geoff Morris presided during the presentation.
Members will be pleased to learn that Comrade Mrs. W. Doran has do-

Lion of the Tribe of Judah

You gave your life for each of us.
But by your death, won glory;
And still you are in reach of us,
In all your heavenly glory.
You leadeath us along God's way,
Or righteousness so fair.
Oh Son of God forever stay
And hear our earnest prayer.
Chorus
You'll end all strife, all storms at sea
For you are Lord and King.
To thee, the world shall bend the knee
To thee, their homage bring.
Though storms still rage, on land and sea.
Your Might and Light give cheer,
Oh Lord o'er us thy presence be
We pray that you stay near.
Give us not foaming seas nor tides,
But Living Waters pure.
Our souls, refreshed, our faith abides;
Through prayers our sick, you cure,
In sunny lands, your angels spread,
Midst thieves and selfish foes,
Such harvests rare and Living Bread
Our cup of joy o'erflows.
Upon your loving one you send
The spirit's anointing oil.
O Lord, we cannot comprehend,
We pilgrims of the soil.
There is no secret thought, nor sin,
That any man can hide.
You see us all, without, within,
Oh Lord be thou our guide,
Teach us the Laws of God and Thee,
Not earthly wealth, we crave;
Expose the cant of Pharisee
Oh save us from their grave.
You've freed us from the Law of
Death.
That dark mysterious night,
We fear not death, nor fleeting breath,
Tis darkness, thence to light.
With You in Mansions for the blest,
With angels of our God.
We there shall find both joy and rest,
Forever more, praise God.
Geo. Colwell, Wallaceburg, Ont.

John C. W. Irwin Member of Royal Commission

John C. W. Irwin was born in Toronto and attended elementary and secondary schools there, and the University of Toronto from which he graduated in Forestry in 1922 with the degree B.Sc. F. After graduation, he worked for the Ontario Department of Lands and Forests on reconnaissance and surveys and worked for six months and two years in Quebec with a pulp and paper company. His experience in forestry included fire protection, reconnaissance, timber cruising and experimental work of various kinds, and cut inspection.

Since 1928 he has been associated with the book publishing business in Toronto and until recently was treasurer of Clarke, Irwin & Company Limited of which he was a co-founder. From 1936 to 1944, he was assistant-manager of the Canadian Branch of the Oxford University Press.
He has kept up his interest in forestry and membership in the two professional forestry associations, The Canadian society of Forestry Engineers and The Quebec Society of Forestry Engineers. He served on the Dominion executive of the Canadian Society of Forestry Engineers and occupied the office of chairman of the Southern Ontario section, 1944-45. He was convener of the Southern Ontario section committee on forest policy. From 1936 to 1944, he represented the graduates in Forestry on the senate of the University of Toronto.
Mr. Irwin is well-known in Ontario as an advocate of a proper policy of forest conservation and development. He has spoken frequently in public and over the radio on such subjects as "The Use and Abuse of Our Forests"; "The Farmer and His Forests"; "Youth and Forest Employment"; "Saving Soil and Water"; "The Challenge of the Southern Pine"; "Our Forest Heritage"; "What is Wrong with Forestry in Ontario"; and "An Improvident People". He has been a frequent contributor to the press on this subject.
Recently he became secretary of the organization called "Save Ontario Forests League" and edits its monthly paper "Save Ontario Forests".

Miss Rose Macaulay, the well-known author, has made herself unpopular in Britain by declaring in print that her countrymen are "living in luxury in a starving Europe." Here is the per person ration for England: One ounce of tea, three ounces of bacon, one ounce of lard, two of butter and four of margarine, eight ounces of sugar, two ounces of cheese, and 25 cents worth of meat—say one chop—per week. Foods unrationed are in short supply. The British people are invited to contribute, and are contributing, food or "points" for hungry Europe.

LET'S TALK ABOUT SECURITY
Men have always sought security, worked for it, fought for it; for security, in essence, is the freedom from care. For the individual, security means a backlog of savings readily accessible in case of need.
Your purchase of Victory Loan Bonds will give you that secure backlog of savings. Backed by Canada's vast resources, your money will at the same time provide the future buying power to keep Canadian industry rolling at high speed.
AND—your money will serve to rehabilitate and re-establish the men who fought for the security we now enjoy. It will provide for the armies of occupation that will be our safeguard against future wars... It will help to pay part of our debt to the wounded and the dependents of those who paid the supreme sacrifice.
The 9th Victory Loan must be successful if we are to reap the full benefit of the peace.

Helps Check Colds Quickly

You can often check a cold quickly if you follow these instructions. Just as soon as you feel the cold coming on and experience headache, pains in the back or limbs, soreness through the body, take a Paradol tablet, a good big drink of hot lemonade or ginger tea and go to bed.
The Paradol affords almost immediate relief from the pains and aches and helps you to get off to sleep. The dose may be repeated, if necessary, according to the directions. If there is soreness of the throat, gargle with two Paradol tablets dissolved in water. Just try Paradol the next time you have a cold and we believe that you will be well pleased. Paradol does not disappoint.

Dr. Chase's Paradol

and the Government aims to declare as ultra vires two orders-in-council passed by Government earlier this year and which authorized a most sweeping investigation into the affairs of Eldorado.
The controversy involves, directly or indirectly, at least two Canadian senators and is aimed at probing the innermost secrets of what is claimed to be a complex international agreement operating in the sale and distributing of Eldorado Mines. These operations are alleged by the government to have taken place both before and after the government took over the company for purposes of atomic power development.
