### Iroquois Falls Wins Rugby Tilt With Timmins H. S. Jrs.

The Iroquois Falls junior rugby team scored a 23 to 12 victory over the T.H. & V.S. squad at Iroquois Falls last Saturday morning on a frozen field.

Twice in the first quarter Timmins had perfect opportunities to score two touchdowns, but had generalship muffed these opportunities. In the second quarter Turner scored a touch-

down, and made the convert. In the third period Charuck and Turner made a touchdown, each on thirty yard dashes. Shields broke the scoring ice for Timmins with a touchdown and a convert.

In the last period Sinclair made an end run to score again for Timmins, but the convert was intercepted. Charuck clinched the verdict with a touchdown, and Timmins ended the scoring with a rouge.

soner the Major and his companions were placed in a cattle car remaining six days without food until their destination was reached.

Men suspected to be in possession of information were weeded out by the Germans and taken from the camp to be questioned. "Some of these men never returned," said the Major "and those that did were nothing but skin and bone. As for breakfasts, "they were unknown."

"The dinner consisted of three small potatoes and a cup of hot water." The Major went on to say that a watery concoction of turnips, or turnip tops, and hot water were dished up to them at supper under the name of soup. "Once he said, "I was fortunate enough to find a shred of meat in my bowl!"

The Algonquin Regiment fought against the Hitler Youth Legion No. 1 and the Herman Goering Youth Legion No. 12 whilst in Holland. These youngsters were to be used in the weaving of a more efficient Gestapo and some would eventually become the leaders of that same force in Germany and the countries Hitler had hoped to conquer.

Fortunately these murder organizations and the man responsible for their origin have been beaten.

Major Stirling was introduced to the assembly, on behalf of the Ninth Victory Loan, by Mr. Ted Rowe, whose introductory remarks expressed the necessity of educating the youth of today to the full horrors of war and the repercussions thereof.

## THE LEGION COLUMN

Twenty-six new comrades were formally initiated into Branch 88 during another monster initiation meeting held at the Legion Hall on the evening of Saturday, November 3rd. The initiates were representative of all three services—Air, Navy and Army—and among them were sons of several of the "old originals."

Comrade Les Nicholson, immediate past-president and 1st. vice-president of the branch, had the pleasure of assisting in the initiation of one of his sons lately returned from active service, Ralph Ernest Nicholson, Seaman Gunner, late of H.M.C.S. Uganda, one of Canada's modern cruisers, which took part in some of the most important engagements in the Pacific area.

Another long-established and well-known Comrade, Dick Wilson, C.P.O. R.C.N.V.R., was present to give the hand of welcome to his son Jack Wilson A.B. R. C. N. V. R. Comrade Dick Wilson was in uniform and is a veteran of the last great war as well as serving in the recent unpleasantness.

At the conclusion of the ceremony, Comrade Wetmore addressed the newly-initiated comrades, urging them to reflect on the importance of their obligation and never at any time to lose sight of their membership in the Canadian Legion, as too many of their comrades had done in the past. He pointed out that governments may change and that future governments may not give the same consideration to veterans and the claims that are rightfully theirs by reason of their service to their country, that they are getting to-day.

They should adhere to their membership in the Canadian Legion he stated. A strong Legion would be as necessary 15 years from now as it is to-day, when they or their dependents may actually depend for their existence upon the support of a powerful organization, Comrade Wetmore claimed.

Comrade Les Nicholson said that the Branch was built up to its present favourable position, financially and in the public eye, by the veterans of '14-'18, and it had done everything possible to assist servicemen while on active service. The branch as it stands to-day, with all its assets, tangible and intangible, belongs to the new veterans, he said. If they live up to the obligation exacted from them during their initiation they will be a definite asset, not only to the Legion, but to the community of which they form a part, as well.

Comrade Wetmore concluded by urging all '39-ers to turn out at the next General Meeting, the last nomination meeting for president and executive council for 1946, and to use the powers given to them. Vote in '39-ers and to tell all their contemporary comrades to do likewise. It is time for the older members to hand over the reins of authority, he said.

Comrade Wetmore asked all members of the branch to turn out on Sunday, November 11th, for the parade to

### Timmins High School Gets Rugby Win

Over one hundred students of T.H. & V.S. made an all day trip to Iroquois Falls to watch the rugby games between their school and Iroquois Falls High School. Three buses left at 8 a.m. and a fourth at 11 a.m. all returning at midnight.

The Iroquois seniors and juniors won their games 19-0 and 23-12 respectively, but the local intermediates won 19-10.

Between games inquisitive students explored the town, and some made a tour of the Abitibi Pulp and Paper mill. In the evening dancing to the music of Earl Simard and his orchestra was enjoyed.

### Menard Stars When Intermediates Win

Clinching a place for itself in the N.O.S.S.A. finals, Timmins intermediate high school team defeated the Iroquois Falls intermediates by 19-10 at the Falls on Saturday.

Starring for Timmins, Don Menard started on his 17-point spree with a 40-yard end run for a touchdown in the first quarter, followed by a plunged convert.

In the second quarter, Croto scored for Iroquois Falls, but the convert failed, leaving Timmins in the lead.

Menard ran in two touchdowns in the third period on short, inside runs, and made the convert for one. During the final stanza, Goodfellow scored a touchdown for Iroquois Falls, but the convert was blocked.

the Cenotaph. This date has been declared Remembrance Day by His Majesty, King George VI for the war of '14-'18 and the war of '39-'45. All '39-ers are requested to turn out in uniform.

Refreshments were served by the entertainment committee after the initiation meeting and the rest of the evening was spent in social discourse. Comrade Art Kelnick drew the winning ticket for the 'Little Lady'.

L. E. Randall won the first prize in the cribbage tournament held at the Legion Hall last Monday, October 29th, and—incidentally—half a ton of coal donated by John Fogg, Ltd. His score was 1196. W. Rinn took the second prize with a score of 1179. Third prize went to Geo. Davidson—1175. Fourth to J. Cameron—1171. Additional prizes donated were—cut glass fruit bowl by Marshall-Ecclestone; wallet by Taylor Hardware and a suit of underwear by Steinberg and Mahn. Gentleman's—of course.

Imps met St. Matthews Dart Team on Friday in a very enjoyable game. Imps scored 3 points, St. Matthews 1. Bill MacKay distinguished himself with some splendid throwing. Paddy McAlevy Captain of the Imperials stood on the side-lines nursing a broken bone in his right fore-arm, the result of a mine accident, and he was pleased to see his team take the first game from the Anglicans. Bill MacKay obtained the double for Imps, Terry O'Connor for St. Matthews. Aggregate scores: Frank Melville—90 twice. St. Matthew's total aggregate—1062.

Independents clashed with Windsor in a humdinger. Tommy Mounsey was well to the fore, not to mention Bert Hazlewood. Independents, who scored to win the first game. Independents also scored in the second and third games. Result Independents—3 points, Windsor 1.

Seven Up took the Moose for 4 points from Aity-Aity through forfeit. What's the trouble, Art? Legion and P. V. tied—2 points apiece.

### Festarini Too Much For Timmins Seniors

Iroquois Falls Senior high school rugby team walked all over their Timmins opponents to score a 21-9 win on the weekend game. Plays that clicked for plenty of yardage were responsible for the decision. Even the heaviest tackling of the season on the part of the Timmins lads would not halt the Iroquois drives.

Brand started the Falls scoring with a point scored from a kick very early in the game. Then the Falls squad marched from Timmins' 30-yard line to the 10-yard line, where Festarini broke through the Timmins line into an open field and scored a touchdown. He made the convert with a place kick. Later in the period he scored a field goal to put Iroquois Falls ahead by 8-0.

In the second stanza, the Timmins tackling improved and the Iroquois were only able to score one point, on a kick by Festarini. The third quarter was much the same. Timmins was driven back until several of the Falls tacklers caught a Timmins back behind the touchline with the ball and downed him for a safety touch.

Festarini again cut loose in the last quarter to score two more touchdowns.

- First Quarter**

### Woodwork Distinguishes New Men's Wear Store

With the opening of Cy Kearns' shop on Third Ave., on Saturday, Timmins adds another men's wear store to its growing shopping facilities. Mr.

Kearns was formerly with Mark Bowie & Co. Considerable interest has been shown in the interior finishing of the new store. Done in a natural finish, the panelling, counters and cabinets are the work of a local firm.

## A Dream Come True

When, on November 7, 1885, the last spike was driven linking the rails of the Canadian Pacific Railway, developments only dreamed of that day were to follow.

Soon ships flying the red and white Canadian Pacific house flag were plying the Pacific... then the Atlantic. There followed a chain of hotels... resorts and lodges... coastal and inland steamships... express and telegraph services—the whole forming an all-Canadian system stretching more than half way round the world.

In 1939, this vast system was dedicated to the winning of the war. Since then the Company's rail lines alone have handled more than 128 billion ton miles of freight—and 11 billion passenger miles. All ocean steamships have been on active service—many have gone down fighting.

Now the Canadian Pacific faces the future. Plans have been completed for the construction of new, improved locomotives and coaches... sleeping cars... parlour cars... diners; for the renovation of stations and hotels; and for the building of a new fleet of ocean vessels.

In a world at peace the Canadian Pacific will do its part in providing modern, efficient transportation by land and sea.
