Teachers' Convention Planned for Next Spring

South Porcupine, Nov. 7th. Special to The Advance.

Since 1940 the Department of Education has discontinued public school teachers' conventions.

Recently an inspector's letter to the schools asked the feeling of the teachers as to resuming a one-day convention either in spring or fall.

An initial meeting was held in Schumacher school on Tuesday evening with Mr. R. Ship in the chair. Plans were worked out for a convention likely to be held in Central School, Timmins, on March 1st, 1946, with evening session and banquet in the McIntyre Community Building.

It was felt that a fall convention this year would not be expedient owing to Education Week and the Christmas exams following closely.
