## BACKACHE

### The 'Plague of Outdoor Men

The outdoor man, whether he be farmer, truck driver, or railway operator, is often subject to backache. This may be the result of exposure to cold and dampness or the result of strain from the jolting and bumping of the vehicle he rides.

To many people, women as well as men, it would be great to be free of backache—one of the most common and annoying of ailments. And here is how you may be relieved of backache and other symptoms of poisons in the blood.

The treatment suggested is Dr. Chase's Kidney Liver Pills. By reason of their stimulating action on both the liver and kidneys, you have two chances to one of getting relief from your backache by using Dr. Chase's Pills. The torpid liver is aroused to action, the kidneys are stimulated and consequently these organs help to purify the blood of the poisonous impurities which bring pains and aches and tired feelings. Keep regular and keep well by using Dr. Chase's Kidney Liver Pills, 35c. a box.

### Hallowe'en Dance At Schumacher H. S. Has Many Thrills

BY EDDIE DI FANT

The annual Hallowe'en dance, held in the gym of S. H. S. with South Porcupine students attending, proved a big success.

Things started with a bang as those present were led through the darkened corridors, over obstacles, up and down stairs, finally to ride down a slide into the gaily decorated gym.

When all had gone through this rigmarole, the lights were switched on and the many costumes were seen. The costumes were varied but the girls showed a preference for navy suits with short skirts.

Our versatile M. C., Students' captain Jack Waite, announced a grand march for the judging of costumes. Miss Vance, Miss Mackinlay, and Mr. Sparks acted as judges.

Prizes were awarded to Eileen Olsen for the prettiest costume; to Jim and Len Taylor for the most comical costume and Joyce Mamel for the most original costume.

Dancing to heavenly music supplied by Eddie Morandin and a five piece orchestra took up most of the evening. During the intermission, when refreshments were served Pat Lahey sang "Navajo Trail" and "Stormy Weather," which were thoroughly enjoyed by all present.

Jeannette Cousineau, Ruby McCarthy, Carol Karahan, Edgar Montigny, Lorena Blood and Bill Everett, winners in a spot dance, were presented with novelties.

Those of the staffs present were Miss Kauto, Miss McKinlay, Miss Vance, Mr. Moore, Mr. Ellis, Miss Stafford, Miss Taylor, Mr. Sparks and Mr. Teal.

### Skating Pro Likes Northern Set-Up, Student Learns

Miss Hopkins Brings Varied Experience To Arena Job Here

(By Roger Todhunter)

"The thing which impressed me most my first few hours in the north," states Miss Hopkins, the P.S.C.'s new professional, "is its invigorating air."

Before coming to the Porcupine, Miss Hopkins skated a pair in the Ice Follies for four years. Many will be interested to know that she knows Miss Mary Jane Halstead, a former professional at the McIntyre Arena.

Miss Hopkins skated for eight months in a New York show. One of her greatest experiences was the four month trip in Hawaii, where she skated on a portable rink.

The new professional is most impressed with the skaters of the Porcupine, comparing them favourably with Southern talent.

Asked about her opinions of the National Championships being held in the Porcupine, she says that she is all for it, believing that the Northern skaters can learn a lot from watching more advanced skaters.

Miss Hopkins voiced her opinion of the McIntyre Arena, as have a thousand of other Southerners, when she stated that it was one of the nicest she has seen in North America.

Men who think of tomorrow

## GUARD AGAINST INFLATION Today!

Old Man Inflation stands just around the corner ready to snatch at your pay envelope and short-change you in return. It happened after 1913, and it can happen again.

It's strange but true that the only ones who can save us from inflation—excessively high prices—are ourselves. It's spending those extra dollars that bids up prices on everything that's still scarce. And once

started, inflation spreads like a forest fire to everything we use or consume.

So let's fight the temptation to spend unnecessarily. Let's put every extra dollar into Victory Bonds and hold onto the Bonds we already have.

Think of tomorrow... and you'll agree the thing to do is not to cash Victory Bonds but to go and buy more!
