DANGER OF PERVERTED CONCEPT OF EDUCATION STRESSED BY UNITED CHURCH MINISTER

"In our own land, in most of western civilization, the whole concept of education has been perverted in a very subtle way," Rev. W. M. Mustard told his congregation in the First United Church in Timmins on Sunday evening.
"In some aspects of education we have made tremendous strides during the last fifty years," "Yet education is far more than college training," he stated, and stressed the need for spiritual insight, and sense of moral values. He stated as his text, "Ye shall know the truth and the truth shall make you free." (John 8:32)
"Education has been interpreted on a purely materialistic basis and made to serve the ends of selfish interest of material well-being," the minister continued.

Rev. Mustard pointed out how education in Germany had resulted in the peace of the whole world being endangered, and urged the necessity for a right understanding of education in the life of the nation and the world.
"In our own land thoughtful citizens have been slowly awakening to the conviction that no democratic way of life or government is possible upon a purely materialist concept of life," Rev. Mustard declared. "Now, the ultimate end is the same, whether it be a perversion of education in Germany to serve the ends of self; the will to power and domination, or interpreted in terms of dollars and cents, the ultimate end is always the same: destruction and annihilation."

Twixters' Club Holds Social and Bazaar

Over one hundred members and friends of St. Matthews congregation met Monday evening in the church hall for the Twixter's Club annual fall social and bazaar.
Mr. F. Wolno, president of the club, spoke a few words of welcome to those attending, at the outset of the evening, this address being followed by a musical programme.
A brass quartet of four youthful members of the Timmins citizens band, Kenneth Stephens, Clare Archer, Richard Wilson and Percy Eade, were heard in the selection, "An Evening Prayer".
Mr. F. Wolno and Kenneth Stephens played a cornet duet, with Mrs. R. N. Dunn and Mr. G. B. Thompson singing several solos during the evening.
Articles consisting of hand-knit baby sweaters, bonnets and booties, children's sweaters and mitts, diamond sox, aprons, embroidered pillow cases, buffet set and runners, dollies, pot holders and Christmas tree decorations were sold by Mrs. V. Harris and Mrs. F. Wolno.
Mrs. Ed. Pritchard took orders for the church calendars, which this year will hold a picture of the Boy's Choir. A dainty lunch served by Mrs. M. Wharton, convener, and club members brought the evening to a close.
The Twixters Club extends its thanks to all those who helped in making the evening a grand success.

St. Matthews Guild Prepares Bazaar

Final plans for the Christmas bazaar to be held in the church hall on Wednesday, Dec. 5, were made by the Ladies Guild of St. Matthews' Church in the church hall on Friday evening, with Mrs. F. Melville presiding.
This event, guild members state, will be the largest of its kind put on under their auspices.
Articles for sale at the work table were turned in, and it was planned to hold the next work meeting on the evening of Nov. 26 at the same place. The next business meeting will be held in the church hall on the afternoon of Dec. 14, it was stated.
Following the meeting, Mrs. F. Read invited the ladies to her home.

History of Delora Association Covers Many Activities

On October 19th, the Delora Home and School Association celebrates its fifth anniversary at the Buffalo Ankerite school where the association holds its regular meetings the third Friday of every school month.
This organization was started in 1940 by a group of mothers under the leadership of Mrs. A. R. Kinkel, Jr., who became the first president, and to whom much credit is due for the Home and School's start and career.
Seventy-five mothers, fathers, and friends gathered from the Delnite, Paymaster, and Buffalo Ankerite properties to attend the first meeting. Out of this number 68 enrolled as members and subscribed to the policies of the Canadian National Federation of Home and School which are designed to create an opportunity at Home and School meetings for parents, teachers, and other interested persons to discuss intelligently activities of the home, school, and community. Later members from the Aurora mine became active in the work.
The officers consist of a president, vice-president, secretary, treasurer, and an executive of five. The teaching staff of the school are also included as members of the executive.

Santa Will Visit Moose Factory Tots

Santa Claus and the celebrated fables regarding the old gentleman, generally remain unknown to the Indian children living in the outlying districts of the north.
Thanks to the splendid and praiseworthy work of the Anglican Young Peoples' Association of Timmins, however, St. Nicholas will visit the Indian boys and girls of Moose Factory, this year.
The organization has worked tirelessly in the past months collecting and repairing dolls, dolls' furniture, toys of every description, and jigsaw puzzles to be sent on to Moose Factory, and as the toys will not be shipped until the first week in December, the Young People would still welcome any donation of toys, dolls and beads.
The final night of this work was held Nov. 7th, and the work was on display last Sunday evening during the friendship hour, for the benefit of the congregation.

BAPTIST YOUNG PEOPLE MEET

The Baptist Young People held their regular meeting on Friday evening, with Edna Pond, Viola Warren, Bert Blakemore and Rev. Brackstone taking part in the meeting. Bob Hallam presided.

St. Matthews Guild Prepares Bazaar

Final plans for the Christmas bazaar to be held in the church hall on Wednesday, Dec. 5, were made by the Ladies Guild of St. Matthews' Church in the church hall on Friday evening, with Mrs. F. Melville presiding.

Later members from the Aurora mine became active in the work.
The officers consist of a president, vice-president, secretary, treasurer, and an executive of five. The teaching staff of the school are also included as members of the executive.

Pupils Benefit From Purchase of Modern Equipment for Study

A salvage committee functioned during the war. Collections were carried out, by the school children, who enjoyed their share in this activity.
"One of the first projects, undertaken five years ago by this organization, is still successfully functioning today. This is the establishment of a plan to enable the children bringing lunches each day to have a serving of hot soup during the winter months at a cost of 15c a week for each family, regardless of the number of children in each. Milk is served during the summer months. The success of this program is largely due to the splendid co-operation of teachers who prepare the soup and supervise the serving.
Last year funds were raised to help purchase a projection machine for the school. This follows the modern trend of education by giving visual aid through motion pictures. A library of many interesting and instructive films is now available for this work.
Our latest project is to secure for our school a new type radio with record attachment especially designed for school work to replace the one now loaned to the school. Four broadcasts weekly are available to schools and these also follow the modern trend in education.
Boys and girls of this community are not neglected after school hours. The Home and School have purchased sport equipment for their use and enjoyment. Much of the time this play is supervised.
There has been no retrogression for the Delora Home and School Association during the war period, rather, it has progressed in every way, its many activities serving to keep up the morale of the many who have been associated with it.
The school board, comprised of members representing the various mines, the management of the Buffalo Ankerite mine, the principal of the school, the teachers and association members, have at all times worked together in a harmonious and co-operative way thus trending toward the success of the motives and aims of the Home and School.

Beaver Club Knits For Red Shield

The regular meeting of the Beaver Club was held at the home of Mrs. J. Drew, 65 Cherry street on Thursday Nov. 8, the evening being spent in knitting for the Red Shield, with several articles completed.
Two draws took place during the evening with Mrs. W. Darcy winning a beautiful luncheon cloth and the mystery prize being won by Mrs. T. Charleton.
A delicious lunch was served after the draws had taken place and a social hour followed.
Those present were Mrs. J. Trevelyan, Mrs. C. Pennie, Mrs. W. P. Bennett, Mrs. J. Ralph, Mrs. R. Charleton, Mrs. Allen, Mrs. G. Moore, Mrs. F. Read, Mrs. L. Baxter, Mrs. R. Wales and Mrs. J. Drew.
The next meeting of the club will be held at the home of Mrs. F. Read, 30, Sixth Ave. on Thursday Nov. 22nd.

Several committees also function within the body, such as: program, hospitality, library, health, and publicity. The programs are designed and developed not just to amuse but to give members something constructive to think about. Encouragement of music appreciation through use of good music at our meetings has been stressed. Pianists, violinists, vocalists, orchestras, school choruses, community singing, and the use of good records have all contributed to this end.
Ministers, doctors, dentists, eye-specialists, public health nurses, librarians, horticulturists, a geologist with an interesting rock collection, a magician, representatives from the broadcasting station, school supervisors, school teachers and principals all have contributed their knowledge.
It would be almost impossible to single out and mention individually all of these good people who have given so generously of their time and talents, and to whom we are extremely grateful.
Beside this, short plays have been given, educational and travel pictures have been shown, an oratorical contest for all grades in the school was inaugurated by the principal, Mr. I. R. Notter three years ago and is now an annual event looked forward to each year by members, and scholars to whom medals and prizes are awarded.
The library committee regularly secures new books on child psychology and related subjects from the Couric Memorial Library in Toronto. These works are loaned to members and have contributed much to adult education in child care. Home and School literature is distributed, and subscriptions taken for "Parents Magazine", and the "Home and School Review".
The publicity committee uses local community newspapers to report Home and School news items, and reports of meetings. A program of the aims and activities of our organization is broadcast by a local advertiser through this committee's efforts.
The hospitality committee is responsible for refreshments and a social half hour after the meetings where sociability is stressed rather than food. These social meetings have made us better acquainted with our neighbors, and have brought us in closer relation with each other. Much praise always goes to this hard working committee.
A war activities committee, sponsored by the National Home and School Federation of Canada took the form of preparing layettes for Babies of Britain. A sum of \$304.00 was raised by this work. Many hours of loving work was devoted to this cause by members and friends. On the arrival of these layettes in England they were characterized as Bundles of Beauty.
A salvage committee functioned during the war. Collections were carried out, by the school children, who enjoyed their share in this activity.
"One of the first projects, undertaken five years ago by this organization, is still successfully functioning today. Timmins Resident Buried Sunday

Funeral services for Wasilji Remsu of 179 Balsam St. N., Timmins, who passed away quietly in his sleep Wednesday morning, Nov. 7th, at the home of his daughter and son-in-law, Mr. and Mrs. Erik Hallin, Pine St. N., were conducted in the chapel of Walker's funeral home last Sunday, afternoon.
Rev. A. I. Heinonen officiated, conducting the services in Swedish, Finnish and English. The hymns were also sung simultaneously in all three languages, from special hymn sheets.
The late Mr. Remsu was the son of Mr. and Mrs. John Remsu. He was born in Russian Carelia, Jan. 11, 1879.
Moving to Finland, he spent his early life in Korsnas, Vaasa Province. Here his family had their education in Swedish, the language of the majority living in that parish. In 1923 he moved to Canada, residing permanently in Timmins.
To mourn his loss he leaves his wife, Elizabeth Remsu, nee Huhtala, their two sons, Benjamin and Alexander, and one daughter, Miss Vera Remsu - another daughter, Olga (Mrs. Valno Rasla) at Vaasa, Finland; another daughter Irene (Mrs. John Fredrikson) Hamilton, Ont.; another daughter, Anastasia (Mrs. Walfrid Gronlund) Woonsocket, Rhode Island, U.S.A.; one brother, George Remsu, somewhere in Canada; another daughter, Annie (Mrs. Erik Hallin) lives in Timmins.
The pallbearers were: Gust Johnson, Charley Johnson, Verner Ellason, Ole Byberg, John Eklund and Fred Fivor. Interment took place in Timmins cemetery.

Outlines Need For Guidance In Schools

Stating that the purpose of education is to develop students in their social, civic and emotional growth," H. R. Beattie, director of guidance for the provincial department of education, spoke at the weekly meeting of the Kiwanis Club on Monday.
Introduced by M. C. Napper, on loan
Having dined in a restaurant with her husband, a woman missed her gloves when she was on her way out. Murmuring something to her husband, she hurried back to the table to look for them. Not seeing them on the table, she lifted the cloth and began to grub about on the floor.
Just then a waiter came up.
"Pardon me, madam," he said, "but the gentleman is over there by the door."

Quality Guaranteed
"SALADA" TEA

from the Lions Club, Mr. Beattie stressed the value of student guidance in the schools, and gave credit for the Kiwanis Club of London for leadership in this field.
Dr. G. H. Gardner thanked the speaker, Robert Harvey and Harry Wright were introduced to the Club as new members. Arnold Beauchamp, of Timmins, and Sir Ivan Marks, Toronto, were visitors. Fritz Woodbury led the singing, accompanied by W. H. Wilson at the piano.

"...SO NOW WE'LL HAVE A BANKER IN THE FAMILY!"
"Well, Bob has finally decided! When he's finished school he wants to go to work in a bank. And I'm glad—for a lot of reasons..."
He'll get a thorough training, and can even receive university instruction in banking and economics while he is working. Banking isn't learned in a day, but he'll get lots of help—and every opportunity to move up as he proves himself. The road to the top is wide open, and offers:

SECURITY AND PEACE OF MIND
Social security is a phrase prominent in public discussions these days, but the practice of it is not new. Consider the banks and their employees:
1. Pension Funds, to which, with their employees, banks themselves contribute substantially, make it possible for employees to devote all their business lives to banking, sure of an income for life when they reach the age of retirement.
2. Annual vacations with pay.
3. Ordinary sick leave with pay, and special sick leave arrangements in special cases.
4. Group life insurance contributed to jointly by banks and employees.
5. Good working conditions.
6. Unlimited opportunity for enterprise and advancement.
Banks and their staffs, in co-operation with each other, have made it possible for the latter to enjoy a well-founded sense of permanency and security.
