11:00 a.m.
Rev. John S. Ford B. A., Rector

Schools Should Hear Game Conservation Talks - - Dr. McClinton

Fish and Game Protective Federation Holds First Annual Banquet

"Not a week should pass but that one member should address the students of the various schools on the need for conservation of game," Dr. James B. McClinton stated in addressing members of the Northern Ontario Fish and Game Protective Federation assembled in the McIntyre Auditorium for their first annual banquet on Saturday night.

The education of young people in the preservation of game is most necessary, Dr. McClinton continued, "for all the laws man can make will never provide an answer for this need."

In concluding, the speaker said that the love of game was a part of a good character and that the federation, through these addresses, would encourage children to grow up as good citizens and as good sportsmen.

J. MacCartney of Toronto, conservation officer of the Department of Game and Fisheries, in his address said that Protective Federations had a tremendous part to play in the economy of this country. He hoped the Northern Ontario Federation would continue to grow, adding that it would play a large part in the protection and care of this great inheritance of ours, so that it will pass on unspoiled to the future generation.

"The organizing of this Federation is a great step forward in the preservation of game," S. J. Morgan stated. "Our aims will now receive government attention through one strong voice."

Reeve Victor H. Evans, Mayor J. E. Brunette and Mayor Redmond also addressed those assembled, extending the hand of welcome to the visiting delegates expressing the points of benefit to the country that the Protective Federations would provide.

Dr. J. A. McInnis and the Federations President, Wm. Shields, also addressed the gathering. The speakers were introduced by Wm. Shields.

War Work Groups To Continue, Red Cross Announces

The Women's War Work Committee of Ontario will continue as at present formed until next May in order to complete commitments made to Great Britain and Allied countries, and the layette program for the CUARF.

Branch workrooms will be asked to complete all quotas ready for shipping to Divisional warehouse by April 11. This was announced at Ontario Division headquarters last week.

Following the policy adopted by national executive, the Ontario division gave approval to the recommendation of the National Women's War Work Committee that a chairman of Women's Work Committee should be appointed in the division and in all branches.

The War part of women's work will be through by April, but many branches will have a peacetime program to meet local needs. It was suggested that such work committees might sew for Navy, Army and Air Force and DVA hospitals; for such departments of Red Cross as outpost hospitals; disaster relief; and assistance to the wives of Canadian servicemen.

All-Time High For Deposits Shown By Bank of Nova Scotia

All time year-end highs for deposits and total assets feature the 114th Annual Statement of the Bank of Nova Scotia which is published today, elsewhere in this issue.

Assets of \$613,517,014 show an increase of \$71,000,000. Net Profits are \$1,920,827. This compares with \$1,445,420 for the previous ten months' period, the Bank having changed its year end from December 31st to October 31st last year. The usual strong liquid position is maintained.

Other interesting items include increases of over \$68,000,000 in Total Deposits and \$55,000,000 in Investment Account. Loans are up roundly \$13,000,000.

Investment Account now aggregate \$309,823,303, of which 85% is in Dominion and Provincial securities; 47.5% is in Dominion and Provincial securities maturing within two years. Investments include \$8,167,011 in Municipal securities, \$26,219,605 in Public securities other than Canadian, and \$12,144,310 in other bonds, debentures and stocks all at not exceeding market value.

Loans other than Call Loans total \$122,031,268, practically unchanged since last Statement. Current Loans in Canada are around the same figure as last year, while loans elsewhere than in Canada are down about \$3,000,000. Loans to Provincial and Municipal Governments are up roundly \$2,000,000. Call Loans are up \$14,720,000. Acceptances and Letters of Credit outstanding are up about \$3,000,000.

Total Deposits are \$541,342,336, an increase of \$68,492,852. Interest bearing deposits show an increase of over \$49,000,000 in the twelve months' period, notwithstanding substantial withdrawals made during two Victory Loan campaigns. Deposits of Dominion and Provincial Governments at \$20,683,015 are practically unchanged. Demand Deposits of the public are up over \$21,000,000.

Women's Institute Awards Scholarship To H. S. Students

A scholarship was given to the students of T. H. & V. S. by the Gold Star Branch of the Women's Institute on Tuesday, when Mrs. W. H. Johnson, president of the branch, accompanied by Mrs. C. Briggs and Mrs. T. A. Marriott, first vice president, presented the school with a cheque for the amount of \$50, and made arrangements to give an annual scholarship of the same amount.

The money so presented is then divided equally, \$25 to the girls and \$25 to the boys.

The first year, the girls' cooking class will receive the scholarship the second year the sewing class, and one year to the economic classes. Wood work classes will receive the scholarship the first year with the electric department receiving it the following year.

The money so obtained by the leading students will then be used for the purchase of tools and utensils.

Hold Farewell Party For Mrs. A. Jack

A farewell party was accorded Mrs. Andrew Jack of Timmins at the meeting of the Gold Star branch of the Women's Institute held in the Hollinger hall on Wednesday afternoon.

Mrs. Jack is leaving for Renfrew, although the date of her departure is as yet unknown. Mrs. Jack was a valued member of the community, a hard working member of the Mountjoy United Church W. A. and a charter member of the Women's Institute, she will be greatly missed by all who knew her.

The business at hand received the attention of the members with the president of the branch, Mrs. W. H. Johnson, presiding, it was decided to hold a Christmas party for the Children's shelter with gifts being provided for each of the children. A social hour then concluded the meeting.

Immunize Children To Diphtheria, M. O. Advises Parents

"The fact that one case of diphtheria has been discovered, this same case now undergoing treatment in St. Mary's Hospital, means that the possibility of catching the disease is always present," Dr. Graham Lane told the Advance this week.

Continuing, the doctor said that parents should be sure to have their children immunized to the disease. Every doctor is able to carry out this immunization and is most anxious to do so. In addition to this the Porcupine Health Unit provides free clinics where this work is done.

These clinics are held on the last Tuesday in every month at the town hall, Whitney township, and at the Schumacher public school. On the last Wednesday in every month, at 2 p.m., the clinics are held at the Notre Dame de Lourdes church in Timmins and in the municipal building at South Porcupine on the last Friday of every month.

A suspected case of diphtheria must be isolated until the diagnosis is confirmed or disproved; a clinical case of diphtheria must be isolated even if the results of the laboratory examination are negative. Patients are isolated, in localities where a bacteriological examination is unobtainable, for a period of three weeks; if convalescence is complete and no sore throat, nasal or aural discharges remain.

Where bacteriological examination is obtainable, isolation is required ten days from date of onset of a clinical case, if two successive cultures taken from the site of the lesion with not less than a twelve hour interval are shown to the satisfaction of the Medical Officer of Health to be negative. In the case of chronic carriers, a negative virulence test shall be required.

All contacts, including bread-winner, school children, teachers, food handlers shall be quarantined for seven days, or until a negative culture has been obtained from nose and throat of each.

Contacts showing a negative culture may be released at the discretion of the Medical Officer of Health provided they change their residence. The quarantine of cases of diphtheria in institutions, schools or colleges, where the population is resident, will be governed by both clinical and laboratory examinations.

No milk container shall be returned from premises quarantined on account of diphtheria until permission is obtained from the Medical Officer of Health, no person from a house quarantined on account of diphtheria shall handle milk, butter, cheese or any dairy product, which is to be sold or given away to any party, or delivered to any creamery or butter or cheese factory. Any of these products may be distributed under precautions laid down by the Medical Officer of Health.

Concurrent disinfection is necessary; all articles which have been in contact with patient and all articles soiled by discharges from patient.

Terminal disinfection is also necessary; prompt cleaning of quarters previously occupied by the patient.

Household Hints
(BY MRS. MARY MORTON)

It's time to make the Christmas fruit cake. Fruit cake is better when it is aged, grown "ripe," you know. I store mine in a large tin box, wrapping it in old table linen or waxed paper and sometimes put an apple into the box to provide moisture.

Today's Menu
Meat and Vegetable Stew
Raw Vegetable Salad
Sponge Drops Tea

Sponge Drops
3 eggs Pinch salt
1/2 c. pulver. 1/4 tsp. vanilla
1/2 c. sugar 1/2 c. flour
Beat egg yolks until thick and creamy; add salt and flavoring and sugar; beat just enough to mix the sugar with yolks, then fold in the stiffly-beaten whites and lastly add the flour in carefully. Drop mixture from tip of spoon on ungreased tin sheet, sprinkle with pulverized sugar and bake in a moderate oven (350 deg. F.) for about 8 minutes. Put together with jelly.

Fruit Cake
2 c. or 1 lb. 1/2 c. black butter molasses
2 c. or 1 lb. 20 eggs
2 lbs. currants 1 lb. figs,
1/2 lb. citron chopped
peel 1 pt. brandy
1/2 lb. lemon 1 tsp. allspice
and orange 1 tsp. cloves
peel 1 tsp.
1 lb. dates cinnamon
chopped 1 tsp. nutmeg
1 lb. English 1 tsp. baking soda
walnuts (in the shell) 5 c. flour
1/2 tsp. salt

Cream butter well, add sugar gradually, creaming well. Add molasses, beat eggs well and add. Sift flour, measure and sift again with spices, baking soda and salt. Sift some over the fruit and nuts which you have prepared beforehand, then add the rest of the flour mixture alternately with brandy to the creamed mixture. It must be a stiff dough to hold the fruit and nuts evenly through the mixture. Pour into greased and paper-lined loaf or cake tins and bake slowly, at 325 deg. F. for 1 hour or more until baked through.

You can use half butter and half mild-flavored meat drippings if you wish, for the fat and less sugar and more molasses. Also, if you prefer, you can use sweet cider or milk (sweet or sour) in place of the brandy. Add the flour gradually and stop adding when the batter is stiff enough, even if you have not used all 5 cups.

leton, Mrs. R. Wales and Mrs. F. Read. The next meeting of the Beaver club will be held at the home of Mrs. G. Moore 79 Third Ave.

Outstandingly Good "SALADA" TEA

Ladies' Guild Plans Bazaar, Bake Sale

A Christmas bazaar and afternoon tea and baking sale will be held in St. Matthew's Anglican church basement next Wednesday afternoon, under the auspices of the Ladies' Guild. Linens, dolls, animals and novelties are among the gifts offered for sale. It is expected a large number of ladies of the community will attend.

Two "Tommys" were strolling down the Strand. When they passed the ruins of St. Clement's Danes one said to his mate: "Blime, Bill, they're made an horrible mess of the h'old church. That's where I useter sing in the choir." "You sing in the choir," his half-section replied, disgustingly "Why, I'll bet you five bob you can't even say the Lord's Prayer." "Done, 'Ere y'are:—For wot we are abahnt to receive may the Lord make us truly thankful." "Cripes!" said Bill, forking out the five bob. "I never dreamt you'd know it!"

HOLD WHIST DRIVE
A Daughters of England Whist Drive was held in the Hollinger Hall Monday night. Those winning the various prizes were Mrs. G. Martin, Mrs. M. Cooke
