At Morden, Man., it has yielded as much as 20% to 40% greater crops than other varieties. Each plant is spaced as closely as two feet each way. Mrs. R. Langdon Is President of Girl Guide Association

New Executive Appointed At Annual Meeting

The Girl Guide Association committee held its annual meeting on Monday in the clinic room of the council chambers with the president, Mrs. L. Sharp (Hallnor) in the chair. Reports from secretary and treasurer were handed in, passed and filed.

Mrs. Sharp who has been president for the past five years resigned at this meeting, and very reluctantly her resignation was accepted. A vote of thanks was extended to Mrs. Sharp for her excellent and faithful service.

It was felt that some of the younger ladies who have daughters in the Guides or Brownies should be put in the executive this year, as some of the present officers have had many years of work for the feminine youth of our town.

Accordingly, Mrs. Rud. Langdon was selected as president, with Mrs. Percy McCann as vice-president. Mrs. F. E. Cooper, who was not present, was nominated as secretary and this office awaits her acceptance. Mrs. M. Besette was persuaded to act for one more year as treasurer.

Mrs. B. H. Harper, Divisional Commissioner of the Association, who is also a member of this Committee, told the ladies that Lady Baden-Powell is expected to visit Canada in July, spending nine days in Toronto.

It is unlikely, however, that she will come this far north, but has expressed a wish to meet all guides, guides and Scouts.

Other ladies present included Mrs. F. C. Evans, Mrs. R. P. Smith and Mrs. H. Burton.
