

# A COMPLETE SERVICE!

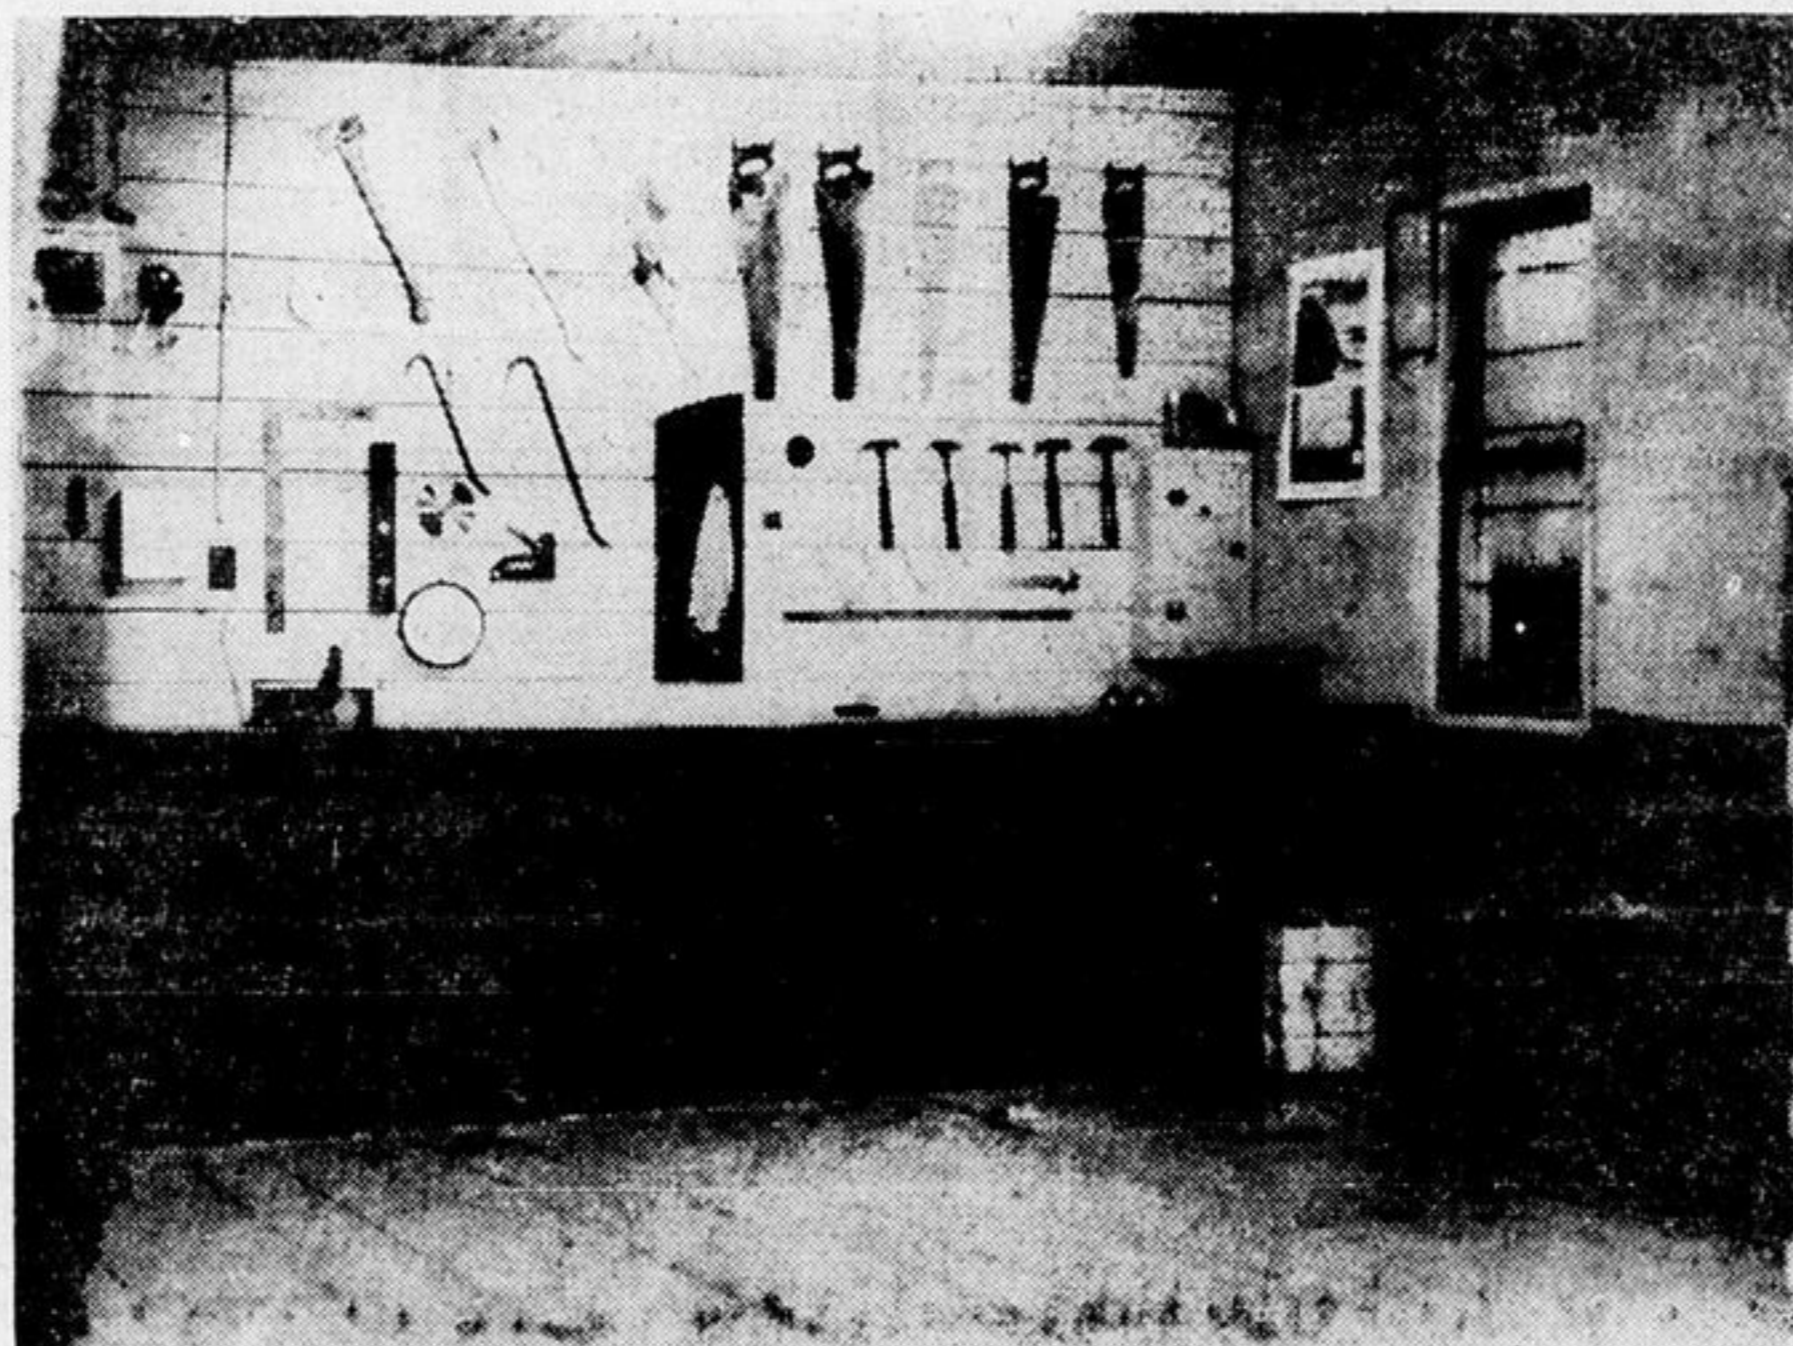

## MOVING . . .

Swift, modern equipment enables UNITED MOVERS to move you anywhere, anytime, with the minimum of fuss and inconvenience to you. You can count on us to move everything, from your finest china to your grand piano, with expert care and speed. Constant care is exercised throughout every step of the operation.

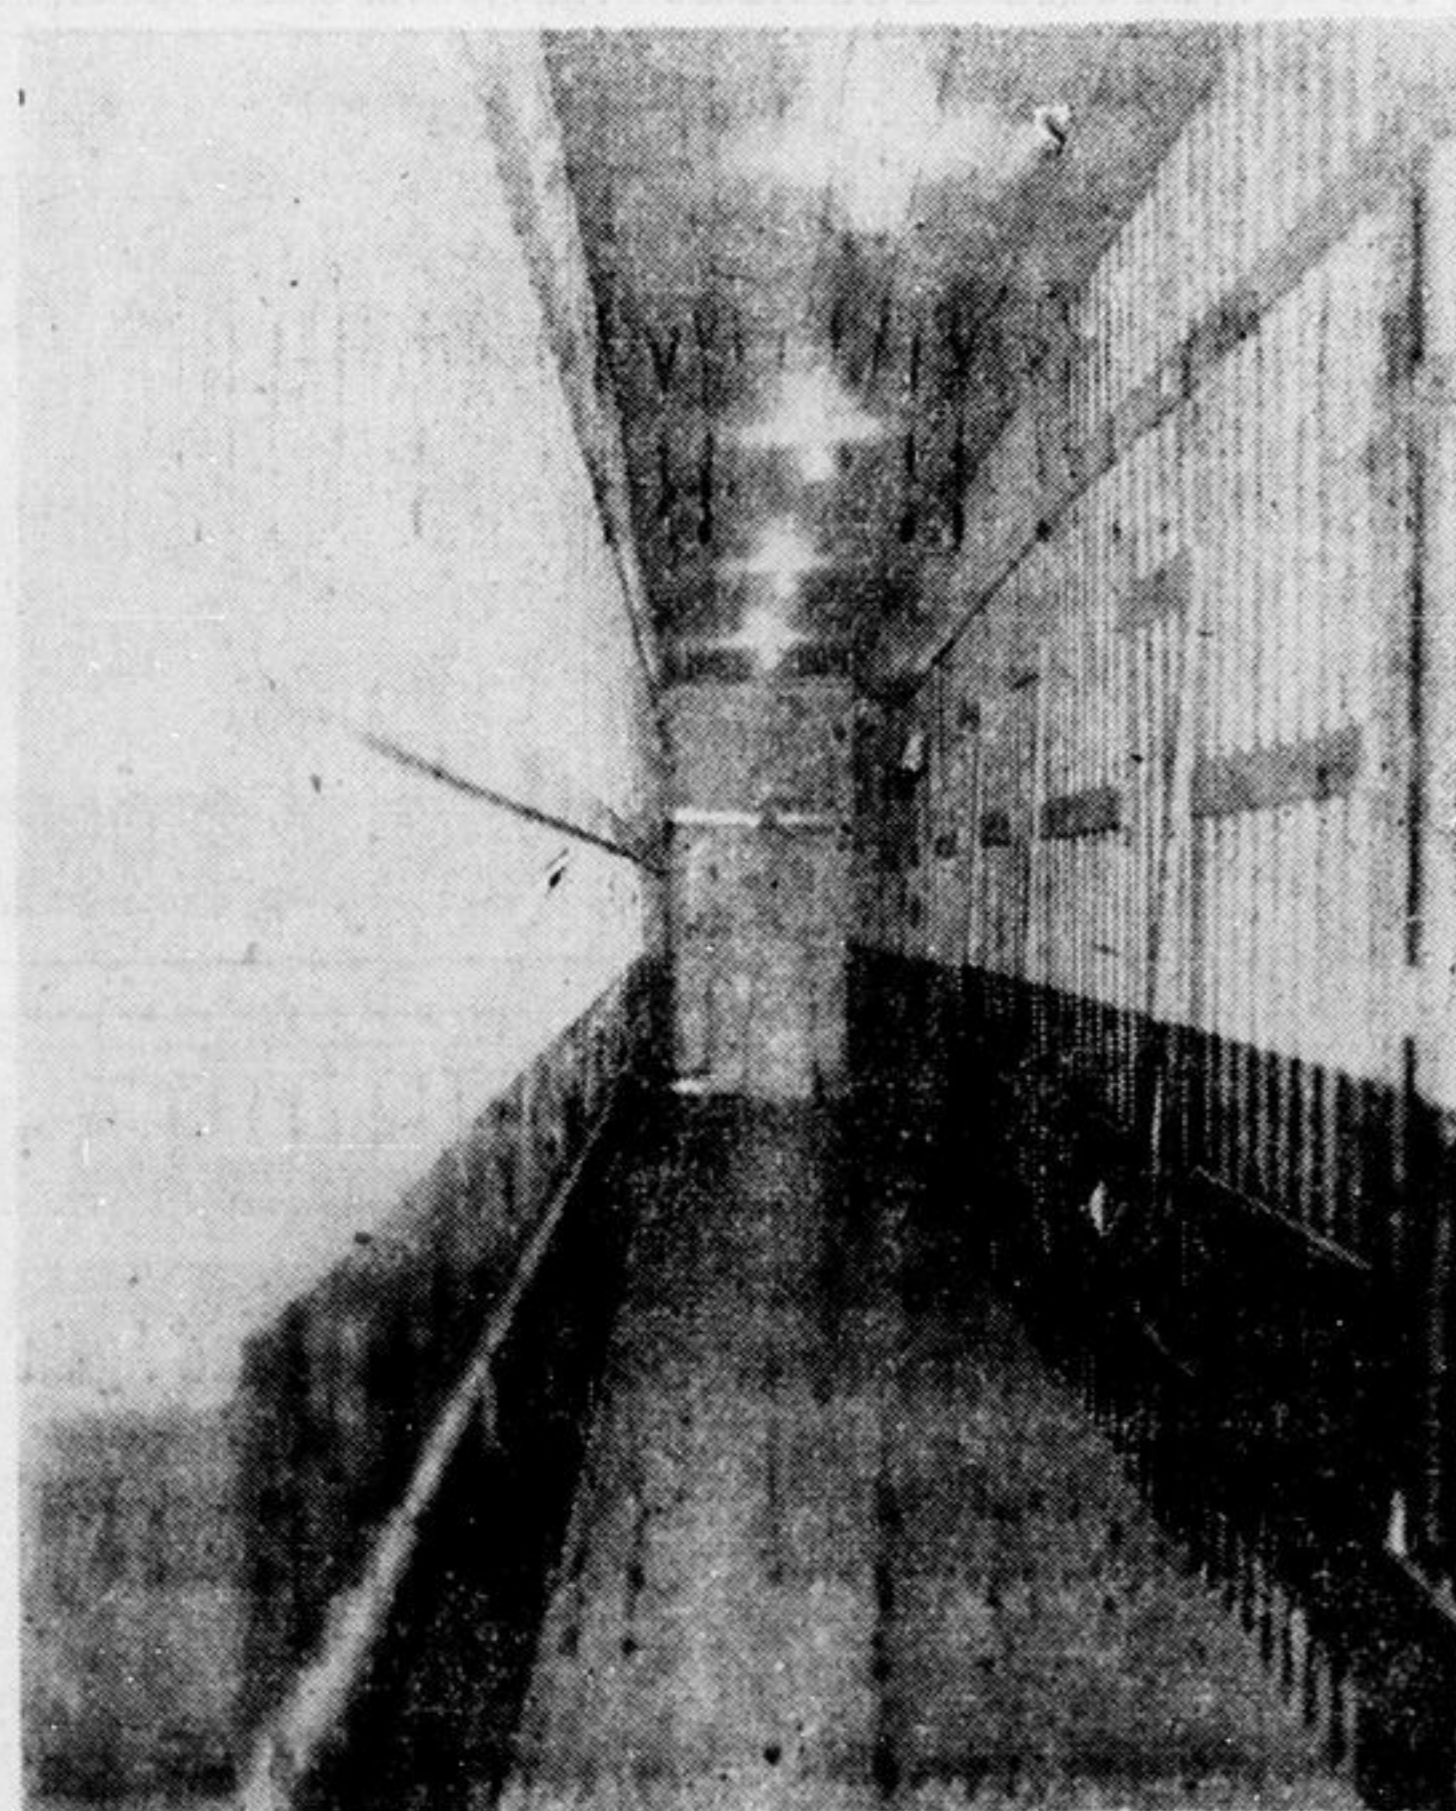

## PACKING

Highly skilled workmen, under expert supervision, ensure the safety of your most prized and most fragile possessions. Please feel free to seek our advice on these matters, without obligation on your part. Telephone us at any time.

## CRATING

Your finest furniture can be moved across the continent without a scratch if properly crated. The men, the tools and the materials are available at UNITED MOVERS; you can have complete confidence in our services. Our workmen are careful, conscientious.

## STORAGE . . .

Our clean, spacious storage rooms offer you complete protection for your furniture, which may be stored with us until required. A change of homes may mean you can use only a part of your furniture . . . store the rest with us with complete confidence in its safety. It will be safe, yet available when and where you want it.
