

DROPPED Between STITCHES

by Phyllis McCoy

A Teen-Age Dance For youngsters of 'teen age, on Wednesday evening, April 24. The object of this dance, which is being sponsored by the Y's Men's Club of Timmins, is to provide a dance for youngsters of 'teen age, so conducted that it will meet with the complete approval of their parents. With this in mind, the dance will be adequately, though not offensively "supervised" by club members and their wives, and others. Tickets, at 50 cents per person are going on sale through the various young people's organizations, i.e. the Canadian Young People's Club, and it is hoped at the high school. They are being sold to individuals rather than couples in the hope that girls will form groups to attend without the formality of being invited. They can always count on a stag line. The dance, which will be held at the Riverside Pavilion, will commence early, at 9:30 and will close early, at 12:30. Normal bus schedules will take care of those going to the dance and through courtesy of Dalton's Bus Lines, transportation will be available for the return trip. Henry Kelneck and his orchestra will provide the best in dance music, and there'll be special dance prizes.

On Tuesday night at 8:30, Johnny Holmes will present Oscar Peterson, Canada's King of the Keyboard, at the Palace Theatre. It looks as though Oscar will be playing to a full house too, by the way the tickets are being sold. The Kinsmen, who are sponsoring the visit, will also sponsor a dance following the concert, down at the Riverside Pavilion, so that we all might dance to the music of this famous pianist, as well as see and hear his playing. The dance will begin around 10:30, and Oscar will be down shortly afterwards, to play and to do a little autographing. During his visit here too, Oscar will autograph some of his records down at the music box on Third Ave. We'll remember that Henry Kelneck, owner of the Music Box, played with Oscar in Johnny Holmes band for a couple of years, the orchestra still being one of Canada's finest, and playing at leading affairs in Montreal. Several of his recordings include Sheik of Araby, Humoresque, Louise, My Blue Heaven, I Got Rhythm. Other of his fine arrangements include, The Man I Love, Time On My Hands, Dark Eyes, Where or When, China Boy, Moon Mist. It is to be noted too, that although Oscar is known for his syncopated rhythms, he is also noted for his classical arrangements, as heard in such numbers as Prelude in A Major, and Warsaw Concerto.

Two dances which are coming up in the near future, are the Ski Club Dance and the May-Time Dance. The former will be put on by the Porcupine Ski Club, on Friday, Apr. 26, at the Riverside Pavilion. This will be their annual spring dance, and we're sure will reach the established success of other years. The May-Time Dance will also be held at the Riverside Pavilion, and the I. O. D. E. are going to be the hosts for the evening. The date for this affair is May 24. Henry Kelneck and his orchestra will play on both occasions.

The members of the Porcupine Music Teachers Association are asked to note the date of the next general meeting. It has been changed to Monday, Apr. 8, at 8:30, in the Radio Station. Our mention of music reminds us that Mrs. T. A. Marriott is a proud mother these days, for her daughter, Mrs. A. Queby, or Marjorie, as she is known to her friends, is playing in the Easter Cantata in Bracebridge next Thursday. She is organist for the Knox Presbyterian Church in Bracebridge, and just recently passed exams in harmony, coming off with first class honors. Mrs. Marriott informed us that she has been taking part in many festivals of music, as well as teaching it too, so we certainly wish her luck in this chosen field.

Canada's second National Clothing Drive to provide much-needed garments for the millions of distressed people in the war-devastated countries of Europe will be launched on June 17, next and will be continued till the end of that month.

Hon. J.J. McCann, Minister of National Revenue and War Services, made this announcement today and stated that the appeal would be sponsored by the Dominion Government and be carried out under the auspices of the Canadian Allied Relief.

Dr. McCann points out that there are still millions of people in Europe who are homeless and without the means or opportunity to obtain clothing of any kind, and that many deaths are taking place from exposure as well as from lack of sustenance.

"Canada is doing her part in providing food for the hungry, but the great need for clothing can only be met by individual Canadians opening their clothes-closets and wardrobes, and giving what they can spare in this campaign," said Dr. McCann. "The campaign is being held in June so that the
