

DROPPED Between STITCHES

by Phyllis McCoy

The Caley Sisters, Dorothy and Hazel, will feature in the eighth annual skating carnival presented by the Porcupine Skating Club. The Caley sisters are that world famous professional skating pair, and stars of Sonja Henie's Show. Also starring will be Dick Nutter, internationally known Canadian, as well as a supporting cast of 300. This will be great news for the many in the Porcupine who look forward so eagerly to this annual entertainment, and this year's special attractions and stars will add further to the Carnival's popularity. It will take place on April 26 and 27, at the McIntyre Arena, and tickets will go on sale April 15.

A tea and bake sale, with proceeds for a really worthwhile cause. This event will be held on Saturday of this week, April 13, in the basement of the First United Church, under the auspices of the C. G. I. T. groups of Timmins, Schumacher, and South Porcupine. Proceeds will go towards sending one or more girls to the Provincial Canadian Girls In Training camp council this summer, and to the general promotion of C. G. I. T. work in the district. Youth groups are indeed a necessity these days, and such an organization as this should be encouraged and given aid for carrying on the good work, so don't forget to stop by on Saturday.

Everyone seems to have a good time at the Saturday night dances down at the Riverside Pavilion, and last week was no exception. But during the evening, maestro Henry Keineck was extra busy, for aside from giving out with his swell arrangements to the obvious pleasure of jitterbugs, fox-trotters, and waltzers alike, it seemed to be an evening for many celebrations and Henry was playing special numbers in honour of the special occasions. Miss Peggy Wetmore, and Mr. Leslie Lampkin received the congratulations of their many friends as their engagement was announced. Peggy has just recently returned home after serving several years in the W.A.C.'s and Leslie, a Schumacher lad, was recently a member of the Navy. Much applause and handshaking were also given Basil Libby, of the Dome Ex., and "Rusty" McGinn, who were celebrating their birthdays. And lots of good wishes, as well as a special number went to Mr. and Mrs. Leo Geroux, who were celebrating their fourth wedding anniversary.

April and May seem to be exceptionally social months judging by all the dances which are scheduled to take place. The first, on April 24, is the Teen-Age dance, that very appropriate affair being sponsored by the Y's Mens Club for the Teen-Agers in the district. It will be held during the Easter Holidays, with transportation provided to and from the Pavilion, where it is to take place. Then on April 26 at the Riverside Pavilion, is that annual affair, the Porcupine Ski Club dance which has the reputation of being a most enjoyable occasion. Henry Keineck and his orchestra will provide the music for both of these dances. On May 3, the Princess Alice Club plan to hold their annual spring dance at the McIntyre, and also at the McIntyre on May 8, the Canadian Legion will hold a Commemoration Ball. Then on the 24th of May, the I.O.D.E. will hold a Maytime dance down at the Pavilion.

"Oscar plays the best ivory box I've ever heard" were the words of Count Basie, and the words of all the boys and girls, ladies and gentlemen, who attended the Oscar Peterson concert on Tuesday night. He had a distinctive style of his own, and played with imagination and feeling. Familiarity is a key to the enjoyment of all music, as being able to recognize and hum tunes increases the thrill of either classics or Hit Parade tunes and the programme presented Tuesday night, had favourites of both. Many listened in pleased relaxation, while others were tapping feet, fingers, or sitting on the edge of their seats. The presentation of "Out of Nowhere" and "C Jam Blues" and Oscar's Boogie had the young sensationist up taking bow after bow, while the theatre practically rocked with applause. During several renditions, he would insert bars from such numbers as Yankee Doodle, Donkey Serenade, Holiday for strings, Yes We Have No Bananas etc., and received pleased murmurs and applause from the audience. When he played boogie, his left hand was playing a walking base, while his right played a syncopated swing. At the dance following the concert, Oscar couldn't seem to play enough pieces to satisfy his fans, who surrounded the piano and band stand, begging for autographs between numbers.

We stopped by to see "Bishopstope" the other day, the See House which is the lovely new home of the Bishop of Moosonee, the Rt. Rev. Robert J. Renison, M.A.D.D., and Mrs. Renison who will be moving in sometime this month. It is in no parish, but in a wooded area on the open highway, about one mile from Schumacher. The name "Bishopstope" is in tribute to mining men and other friends who offered to build the Bishop a new home, and "Stope" being well known to miners. The house, designed by Beck and Eadie, Architects, Toronto, and decorated by the Robt. Simpson Co., contains the Bishop's library, and office, living room, kitchen and five bedrooms, bathrooms, etc. "Bishopstope" faces to the south, affording excellent sunlight in the office which projects out from the south east corner of the building, the living room and the library, the latter extending westward from the main building. The dining room adjoins the living room and faces to the north and the kitchen adjoins the living room and faces to the north east. The lower part of the exterior will be finished in log siding and the upper part in vertical wood boarding, all stained brown. The entrance porch encloses a door to the office vestibule as well as the main entrance door. The interior will have painted walls and woodwork generally. The exception will be the library which will be finished in knotty pine boarding. The woodwork in the office will also be in knotty pine. The house has a hot water heating system with an oil burner. It is a lovely modest home, with room for a guest or two and an office for the Bishop, with a cement vault for Diocesan documents.

When we open an American magazine and see an exotic picture with a caption something like "Glitter is Fashion news", we're reading about Chen Yu makeup. The lipstick, nail polish, and the cloud silk foundation. When someone we know is going to the States, next to American cigs, Chen Yu seems to be the popular "please bring me back" but we hear that this attractive product will be in Canada soon. Besides being a most satisfactory cosmetic, the containers are very eye-catching. The foundation case looks like a compact, and the lipstick containers come in pretty colours like ivory and blue, with delicate carvings on them, and tops attached to keep handy but arranged so that when removed, the lipstick automatically pops out.

Of Interest to Women

Wonderful Black Plastic

The new black plastic fabric which resembles patent leather (it is wonderful in the new bright flamingo pink, too) is a welcome newcomer to spring fashions. We've liked patent accessories to put a bright accent on gentle tailoring and flowery prints. Here we have the stuff in a handbag shaped to resemble, somewhat, a bishop's mitre. The plant plastic is pouched to a half-moon frame of clear white lucite. Carry it happily with suits or frocks.

FIRST UNITED W.M.S. ENTERTAIN C.G.I.T.

On Tuesday night the W. M. S. of First United Church entertained the C. G. I. T. The evening opened with Mrs. A. Jackson giving the girls a welcome.

A shadow play depicting the life of African women entitled "Glowing Embers" was then enjoyed.

Miss Betty Webber, C. G. I. T. president, expressed appreciation on behalf of the girls for the interest and support given them by the W. M. S. and their pleasure at being affiliated with them. She also gave thanks for the friendliness that had come from the "Mystery Mothers" throughout the year, and the girls were introduced to the "Mothers".

A candlelight ceremony was held with four girls, Betty Webber, Margaret Carver, Vera Charlton and Gwen Jackson, taking part. The lovely worship centre used was prepared by Miss Dorothy Taylor, who conducted the service, and her group.

Mrs. S. B. Hansuld and Mrs. A. Jackson replied on behalf of the W. M. S. A gift of money was received by the C. G. I. T. from the W. M. S.

Lunch was served and consisted of African refreshments including coconut, dates, peanuts, banana and peanut butter sandwiches, and rice krispie candy.

The evening closed with taps.

HOME, SCHOOL CLUB HEAR TALK ON ART

"Art for the Amateur" was the subject chosen by Rev. E. Gilmour Smith, guest speaker for the meeting of the Central Home and School Association held at Central public school last night.

Mr. Smith stated that art was for everyone to enjoy as a hobby and made mention of the painting of Winston Churchill. He also stressed the need of a supervisor of art for the public schools and said that the reason many children may dislike art was due to the over-stress on detail. He said that the imagination of the child should be allowed to act.

During his address Rev. Smith accentuated his points with sketches on the blackboard and outlined the need of planning and arrangement of the picture and the need for balance showing common mistakes made in painting.

Following the address, Dr. G. S. McKechnie moved a vote of thanks. During the business portion of the meeting, a committee including Mrs. Ellet Smith as chairman and an executive of Mrs. Hansuld, Mrs. Van Luven and Mr. Harry Redden was appointed for the nominations of officers for 1946-47.

At the conclusion of the meeting Mrs. E. B. Weir demonstrated folk dancing and the meeting closed with the social hour.

COMMEMORATION BALL PLANNED

A new high in social events for the spring season, particularly so far as ex-service men are concerned is scheduled for May 8 in the McIntyre arena, when a Commemoration Ball in celebration of the first anniversary of V-E Day, will be held.

Jack Bridges orchestra has been booked for the affair and all possible is being done to ensure the complete success of the dance.

R. B. TAYLOR MARRIED IN TORONTO

A wedding of great local interest took place in Toronto on Saturday, April 6, in Kimbourn Park United Church, when Miss Mildred Jane Donaldson, daughter of Mr. and Mrs. Harold T. Donaldson, of Toronto, was married to Mr. Roswell Bruce Taylor, son of Dr. and Mrs. C. E. Taylor, of Timmins. Rev. Albert Johnson officiated. Miss Dorothy Johnson was at the organ.

Given in marriage by her father, the bride wore a handsome gown of white slipper satin, made with sunburst neckline, dropped waistline and long sleeves pointed over the hands. Her fingertip veil of blue was caught with a cornet trimmed with a double row of pearls, and she carried a cascade of Rapture roses and white freesia.

Mrs. James A. Berkeley, matron of honor, and Miss Elinor Donaldson, sister of the bride, wore bouffant gowns of hyacinth marquisette over pink satin. Their headresses were of hyacinth velvet and matching flowers, and they carried fans of yellow roses, mauve sweet peas and pansies.

Mr. Robert Moore was groomsmen, and the ushers were Mr. George Taylor, brother of the groom; Mr. David Rowe, Mr. George Doner, and Mr. Sydney Paikin.

The reception was held at Wymilwood. Both the bride and groom are graduates of the University of Toronto. Mrs. Donaldson received the guests in a floor-length gown of Churchill blue with matching hat and an orchid corsage. She was assisted by the groom's mother in gray floor-length gown with matching hat and a corsage of red roses. The couple left for a honeymoon in New York. For travelling, the bride chose a burgundy red suit with black accessories and an orchid corsage.

Why Do People Borrow Money?

For many reasons. To pay medical and hospital bills—consolidate overdue bills—for clothing, travel expense, home furnishings, repairs, fuel, money-making opportunities, assist relatives, automobile expense, taxes, etc.

Usually it's better to borrow only when you must. But there are times when it's wise to make a loan—when it's better for all concerned.

Household Finance Corporation is Canada's largest and oldest Small Loans Company, with 36 offices in 32 cities.

You can arrange a loan from \$25 up to \$1,000 at any one of these offices and have up to 24 months to repay. We've tried to make it simple and convenient for you to borrow at Household. You can arrange your loan by telephone if you prefer.

All you do is name the amount of money you need, and how you want to repay. Usually you can get your cash the same day you apply.

And the cost of your loan will be less at Household than at any other Small Loans Company in your community. We will be more than glad to help you any time we can.
