• The Chairman - "I understand the Imperial Bank is offering a very adequate service at very low cost which relieves us of responsibility. We place our Bonds with the Bank for safekeeping, and the Bank clips coupons as they mature, crediting our account at the same time. As this double services costs us only 1/10th of one per cent., I move that we follow this procedure in future."

More and more business concerns are coming to recognize the value of the special facilities for care of Bonds which the Bank is able to offer at any of its branches.
