

DROPPED Between STITCHES

by Phyllis McCoy

A very successful evening was the Royal Canadian Sea Cadet Corps "Tiger" dance which was held on Friday evening down at the Riverside Pavilion. Numerous young people were present and greatly enjoyed the evening of dancing to the tunes of Henry Kelneck and his orchestra. The Corps, under the supervision of the Timmins Lions Club, has as its patrons and patronesses, Mayor and Mrs. J. E. Brunette, Mr. and Mrs. P. H. V. Ball, and Mr. and Mrs. Mansell Naper.

Another pleasant evening of dancing was the regular Saturday evening gathering down at the Riverside Pavilion. During the course of the evening an engagement was announced and the newly engaged were Miss Kay Fuller and Mr. Peter Bowle who received congratulations and lots of best wishes from their many friends present. Kay is employed at the Radio Station and Pete at Mark Bowie and Co.

Last week the Gold Nugget Rebekah Lodge held a very successful tea at the Oddfellows Hall. Numerous ladies dropped in during the afternoon and enjoyed a delicious lunch of salad, tea biscuits and dainty cakes. Special features of the afternoon were the various tables with lovely displays of goods, including aprons and handwork, and numerous novelties. A Penny sale was also held with the ladies walking off with such useful objects as dollies, dishes, glasses, towels, soap and many other lovely things. The bake table was also a bright feature of the tea, with its wares quickly disappearing upon the arrival of the enthused visitors.

We have several reminders to give our readers today, and first we want to make sure you remember all about the I. O. D. E. dance which will be held a week from tomorrow night, on the 24th of May down at the Riverside Pavilion. These have always been wonderful dances, and the members inform us that this year will prove no exception to the rule as plans are all completed and a grand time is promised. Dress is optional. Tomorrow night will be an evening of games and dancing for the pleasure of the Canadian Young Peoples Club members. The evening's full program will take place at the Hollinger Hall commencing at 7:30 with the games that include darts, boxing and jing-pong. Dancing will begin at 8:30.

Another reminder is to the lady golfers... a meeting will be held tomorrow afternoon at 3:00 p.m. in the Club House. The election of officers will also take place, so be sure and attend. Next Tuesday night will be the date of a general meeting of the Porcupine Registered Music Teachers Association, it was decided at the executive meeting held this week at the home of Mr. G. Jenkin, Tamarack St. It will begin at 8:30 at the radio station.

It is one thing to see lady shoppers, armed with their shopping bags, preparing for the trip down town for today's dinner, looking through the stores, and in summer time, through the markets for fresh and crisp looking vegetables. But it is quite another thing to see the market coming to us as we did the other day. A brand new looking market on wheels was driving along town, a big white trailer with rows and compartments just filled with lovely fresh fruits and vegetables... a most convenient time-saver.

Good news for the kiddies... and for adults too... The circus is coming to town. On June 13, 14, and 15, the Garden Brothers Circus, complete with elephants, monkeys and everything in the line of a good old fashioned Circus will be at the McIntyre Arena, under the auspices of the Kiwanis club.

Four Freedoms For Clergy Is Object Of Anglican Appeal

Sunday, May 12th saw the nation wide launching of the financial drive for the Anglican Advance Appeal. Special sermons in all Anglican Churches emphasized the immediate necessity for intensive effort on the part of all Christians to make possible, by the spreading abroad of a Christian way of life, a lasting and permanent peace.

The sum of \$1,300,000 will be set aside to ensure that all missionary clergy will have a reasonable pension on retirement after a lifetime of service. As stated by Mr. Stafford Roberts, Toronto Diocesan Campaign Organizer, "We have in the Atlantic Charter a promise of the Four Freedoms but these unfortunately are not the property of our clergy."

He said, "Freedom of Speech and Freedom of Worship they certainly have, but all too often they have neither Freedom from Want nor Freedom from Fear. It is the responsibility of the laity to ensure that those who are called to serve them should be assured of all Four Freedoms."

TOWN OF TIMMINS

Municipal Taxes, 1946

All tax demand notices for 1946 have been mailed or delivered to those persons shown by the collector's roll to be liable for payment of taxes. Taxes are payable in two instalments:

First Instalment, 50% due May 31st, 1946.

Second Instalment, 50% due September 6th, 1946

Penalty of 4% will be added to amount unpaid on above dates.

If 1946 taxes are paid in full on or before May 31st, discount of 1% will be allowed on amount of second instalment. Early payment of taxes saves money for the ratepayer and assists in maintaining the financial position of the municipality.

Although the 1946 mill rate has been raised substantially to meet essential needs, it should be noted that the amount of taxes in relation to actual value of property is less than before the war, and is less in proportion to population than the average in Ontario cities of the same class. It is anticipated that the expansion of the mining industry will, in the near future, make it possible to ease the levy on the home-owner. The increased tax rate is entirely due to conditions created by war—that is, sharply rising costs of operation, accompanied by decrease in revenue from mining taxation.

Timmins, Ontario.
