

# DROPPED Between STITCHES

by Phyllis McCoy

Wearing a lovely new engagement ring this week is Miss Dolores Callon, and the lucky man in question is Mr. Lorne Stephenson. The ring, in a white gold setting is a beautiful big diamond, flanked by a smaller diamond on either side. Dolores, whom many of us know as that lovely brunette who works at the District Services Ltd., is the daughter of Mr and Mrs. T. A. Callon, of Toronto. Lorne, who is the son of Mr. and Mrs. G. Stephenson, Hemlock St., is employed at the Imperial Bank. Wedding arrangements are indefinite as yet, but it seems the date will be sometime this Fall.

Congratulations are wholeheartedly extended this week to Mr. and Mrs. W. O. Langdon, Kirby Ave., who celebrated their twenty-fifth wedding anniversary on Saturday of last week. The happy event was observed at the home of Mr. and Mrs. S. A. Caldwell, 16 Hemlock St., and during the evening numerous friends dropped in to offer Mr. and Mrs. Langdon their best wishes, and their hopes that many more happy anniversaries would follow. Also present for the memorable occasion were daughter Joanne, who recently graduated with top honors from Kingston General Hospital's School of Nursing, and son Herby, who did such a wonderful job with the Paratroops during the war years, and who is now studying law at Osgoode Hall.

Well another holiday weekend has come and gone. Outside of the rain, which we expected, as it always seems to go with holidays, people seemed to make the most of it, and lots of picnics and parties were enjoyed. The Ca-Bo-Gi Club was fortunate in holding their picnic on Sunday, and we needn't add that a grand time was had by the many attending members and friends. On Sunday about forty attended the British Isles Victory Club picnic out at Kam Kotia, where the gang spent the afternoon swimming, playing games and eating plenty of the ice cream and pop provided. We might mention here that the Victory Club is planning a "Teen-agers" Dance for Saturday night at the Hollinger Hall. The fun begins at 8 o'clock and the juke box will provide the dance music.

Last week we had a grand time meeting and talking with the members of the cast for the Legion's Memorial show that was here. They all gave grand performances, and we certainly enjoyed the programme. Chatting with charming Pat Bailey, we discovered that she is beginning a new Trans Canada radio show beginning July 7. It's to be a C.B.C. Children's broadcast entitled "Over the Rainbow". We discovered that Peggy, of the dancing Lesters, with her brother Larry, have just recently returned from three years overseas where they did a complete job of covering England and France. The five Carlettes included Pearl Shred, Olive Blackburn, Audrey Morrison, Doreen Glavin and Isabelle Chittenden. The attractive troop was begun and is headed by Myrtle Williams. The girls have their headquarters in Toronto, and were the first to start a show of their own kind which for five years played in army shows and at camps, and having the grand reputation of never refusing a performance for servicemen in Ontario Camps. They were also the first to receive the Toronto Citizen's Buttons for command performances, and Army gold buttons for their so helpful and entertaining work.

On Monday night over 400 participants presented a colorful pageant of dances, songs, music and splendor to a vast audience at the McIntyre Arena. The occasion was the Music Festival, presented by the Ukrainian-Canadians and was indeed an exceptional musical treat. Included on the program were a one hundred and twenty-five piece orchestra, a choir of nearly one hundred and sixty voices, one hundred dancers, and several soloists. Guest artist for the occasion was 18-year-old Irene Makoff, of Toronto. The programme was indeed a great success, and it was noted that the funds raised will go toward a Ukrainian children's summer school.

**TO THOSE WHO NEED MONEY...for a useful purpose**

**For many a Borrower SAVING is still No.1.**

For many of our borrowing customers, saving is still the prime consideration. For them, the time to borrow is equally the time to save... borrowing and saving go hand in hand.

Thousands of our borrowers have sizable holdings of Victory Bonds and War Savings Certificates, which they leave with us for safekeeping. Indeed, a good many have substantial cash reserves in their savings accounts.

Why, then, do they borrow from the Bank? Simply because they want to keep their savings intact and undisturbed—as a bulwark of security.

These people are performing a real service not only to themselves, but to their fellow citizens and to the country at large...

By maintaining their programme of regular saving, To Our Customers, we say: "Don't borrow money for some useful purpose, by all means get a loan from the Bank."

We also say: "Don't sell your Victory Bonds... if you need cash, get a low-cost loan and pay it back out of future earnings."

they are guarding against inflation. How?... By conservation.

Conservation in personal financing is practised by a large proportion of our customers. By borrowing for some useful purpose, and by making regular repayments on their loan, they are—in reality—saving for a useful purpose, and increasing profitable production for the community. Meanwhile, they are keeping their savings intact.

This is wise spending, wise borrowing and wise saving.

These people are good customers, they are good citizens and their personal financing is sound.

This is conservation—the first requisite for personal security—the first attribute of good citizenship...
