

DROPPED Between STITCHES

by Phyllis McCoy

On Monday Mr. and Mrs. Gerald A. Gordon, and their children Terry, Pamela and Stephen will be leaving their home at the Conlaureum, and their many friends here in the Porcupine. Mr. Gordon, who has lived here in the north for twenty years, has accepted the position of Mine Superintendent for the Caribou Gold Quartz Company in British Columbia. He returned to the Porcupine last November, having served as Captain in the Canadian Army for three and a half years. Mr. and Mrs. Gordon will be sadly missed by their numerous friends here when they start out for their new home next week. A lovely trip has been planned for them, and they will take the train as far as Vancouver from which point they will fly to Quessnel, where they will then continue on by motor to Wells in the Caribou district. We hope they have a very successful trip out, and find every happiness in their new home.

Friends were also sorry to see Mr. Kenneth Blow leave Timmins where he has "grown up" and always lived. Ken is the son of Mr. and Mrs. K. Blow, 124 1/2 Spruce St. North. He returned after spending six years overseas with the Royal Canadian Engineers, in November last, and his many friends were glad to see him back after such long service. However, he left for Halifax last week, and from there sailed on the Georgic for England again. He plans to visit in London, and then to continue on to Scotland. Ken plans on working over there now, and will be married in the near future to a young lady he met while serving overseas. We're sure your friends will join "Dropped Between Stitches" in wishing you lots of good luck in the future, Kenneth.

Grab your old clothes, folks, make with the pig tail and straw hats, and trot down to the Riverside Pavilion tomorrow night and join the Kinsmen at their sixth annual Barn Dance. The hall will be decorated in keeping with the occasion, so we'll probably view the odd saddle or the odd stack of hay in the corners. It'll be a good chance to unearth some faded shirts and overalls, sport a straw hat, and be the belle of the ball. Tickets may be obtained from any of the Kinsmen, or at the door, and sell at two prices. If you buy the one at a quarter extra you can get in on a draw for some nylon.

And now some news of the young people's plans. The date of the monster rally, which is an important part of the summer program, has not been set as yet, but will take place in the near future. Plans however are well on the way for the dance the young people are holding on August 5th, a Civic holiday. The event promises to be a most pleasant one, and as everyone is welcome it is hoped that large numbers will turn out to support the youngsters as the proceeds will be used to further their worthy cause. The dance will be held at the Riverside Pavilion, with Henry Kelneck and his orchestra in attendance. Dancing will be from ten until two, so do make it a point to drop in.

Yesterday afternoon Mrs. H. W. Darling was hostess at a charmingly arranged garden tea at her home, 134 Wilson Ave. Bright tables and lawn chairs were set about the spacious garden, and during the afternoon a number of her friends gathered to enjoy a pleasant social time. Leafy trees protected guests from sun and breezes, and tiny glass birds, and gayly smoked elves, even members of the seven dwarfs in scarlet jackets stood watch in the flower beds, and in one corner, gold fish in their glass aquarium, all adding to the delightful summer setting.

On Tuesday morning eight enthusiastic lady members of the Timmins Golf Club, set out for Sudbury where they will participate in the Northern Ontario Women's Open Golf Tournament. The tournament begins today, and is the first to be held since 1941, when Mrs. W. Parkinson, of Sudbury won the Championship. We hope that perhaps one of our Porcupine ladies will bring the title back with her this year. Among those who went down from here were Mrs. J. P. Burke, Mrs. E. Baderski, Mrs. I. K. Pierce, Mrs. E. B. Weir, Mrs. W. L. Hogarth, Mrs. W. R. de Gruchy, Mrs. A. W. Pickering, and Mrs. Shook.
