

No One Claims Missing Wallet and Tricycle

As yet Timmins police have received no report of anyone losing a wallet which they have in their possession. The police also have particulars on a 13-year-old girl who confessed to taking the wallet at the Gillies Lake beach.

Two nights have gone by without an arrest being made by the force and the only "brought in" is a child's tricycle which the owner can claim by calling at the police station and identifying the vehicle.
