## Finnish Ladies Leave For Visit To Homeland

The first Finnish ladies to leave South Porcupine for a visit to their native land, left on Monday for Montreal where they embark for Great Britain, and from thence sail to Helsinki.

They were Mrs. Toivo Ihander and Mrs. S. Kuriantti, sisters who have been, and are, wonderful Canadian citizens.

During the war they never missed a Tuesday afternoon at the Red Cross Rooms where they were shining examples of industry.

They will visit their mother in Finland and their husband's people; and take many messages to other families from relatives here.

All wish them 'bon voyage' and a safe return, although it may possibly be some months before they will be able to come back to Canada.

Over fifty of their neighbors and friends met last week at the home of Mrs. Frank Lehtinen, and many little tokens and gifts were received as parting presents.
