TALKS ON MEXICO TO FIRESIDE CLUB

Members of the Fireside Club of First United Church held their first meeting of the forthcoming season on Monday.

Miss Wardlaw conducted the opening service of worship and Mrs. E. Kembal, acting secretary, read the minutes of the two previous meetings which were held in May and June and she also gave a report of the last executive meeting.

Two most enjoyable violin solos were played by Miss Blanche Dodge with piano accompaniment by Miss Sue Meadows.

Miss Mary Everard, who was guest speaker at the meeting, gave a most interesting and informative talk on her recent vacation spent in Mexico, telling the members of the people and their customs. Further interest was added to the talk by a varied and beautiful display of Mexican handicraft and souvenirs.

A cordial vote of thanks was extended to Misses Everard, Dodge and Meadows by Miss Helen Stubbs.

The meeting was brought to a close with the Mizpah benediction which was followed by a social half-hour.

S. A. Proceeding With Rural Unit Organization

Enlargement of The Salvation Army's field to include rural areas in Canada under the Rural Service Unit plan, announced in April, is now being proceeded with, it was announced recently by Lt. Col. H. Charles Tuttle, Salvation Army National Public Relations head.

"This is a broad-gauge, long-range plan to eventually broaden the activities of The Salvation Army to small communities where there are no social service facilities," said Colonel Tuttle. "Organizational personnel is being instructed in and assigned to this undertaking. In the next few years we hope to have Rural Service Units in hundreds, possibly several hundred, rural communities in Canada."

The plan involves the setting up of committees of citizens to work with the Salvation Army in meeting rural social service needs. Special attention will be paid to the health of children. The trained personnel of The Salvation Army and its institutional facilities for those of all ages and both sexes will be available to units.

"A portion of the \$2,000,000 fund it is hoped to raise in Home Front Appeal campaigns across Canada this year is to be applied to Rural Service Unit extension," said Colonel Tuttle.

"In more than 350 districts the Appeal is now being held. Preliminary reports indicate very satisfactory publicity support by newspaper editors and radio stations and to them Colonel Tuttle expressed his deep thanks.

"Financial help for The Salvation Army's work comes largely from the professional, merchant and working classes, there being few large donors of funds," he said. "To all who have helped or will help we are truly grateful. With Salvation Army humanitarian activities being carried on at an annual loss now exceeding \$1,000,000 I can assure supporters that they are sharing in work that is of great social importance to Canada."

Colonel Tuttle is retiring at the end of October after 38 years as a Salvation Army officer during which he served in appointments from coast to coast.

Basketball, Dances Planned By C.Y.P.C.

An executive meeting of the Canadian Young People's Club was held last night at the home of Mr. and Mrs. G. Webber, 30 Laurier Ave., presided over by Brian Spolala, president of the Club.

It was decided that John Bobly, publicity chairman, and Bill Boychuck, entertainment committee chairman could be appointed by the president to attend the Youth Welfare Council meeting at the town hall next Tuesday evening.

The treasurer's report was read, and plans for a basketball series were outlined. Both boys and girls are asked to be at the Birch St. School gym on Wednesday, Sept. 25, and teams will be selected from those present. Practices and games will be continued each Wednesday evening.

The next Dance of the C.Y.P.C. will be held on Saturday, Sept. 28, at Hollinger Hall, for which plans are now being made to include an orchestra. Dances will be held every second and fourth Saturday of the month.

W. M. S. PRESIDENT WELCOMES VISITORS

Autumn flowers helped to establish a lovely setting for the opening meeting of the Women's Missionary Society of First United Church on Thursday afternoon, when members of Mount-Joy, Schumacher and South Porcupine auxiliaries were guests of the Timmins Society.

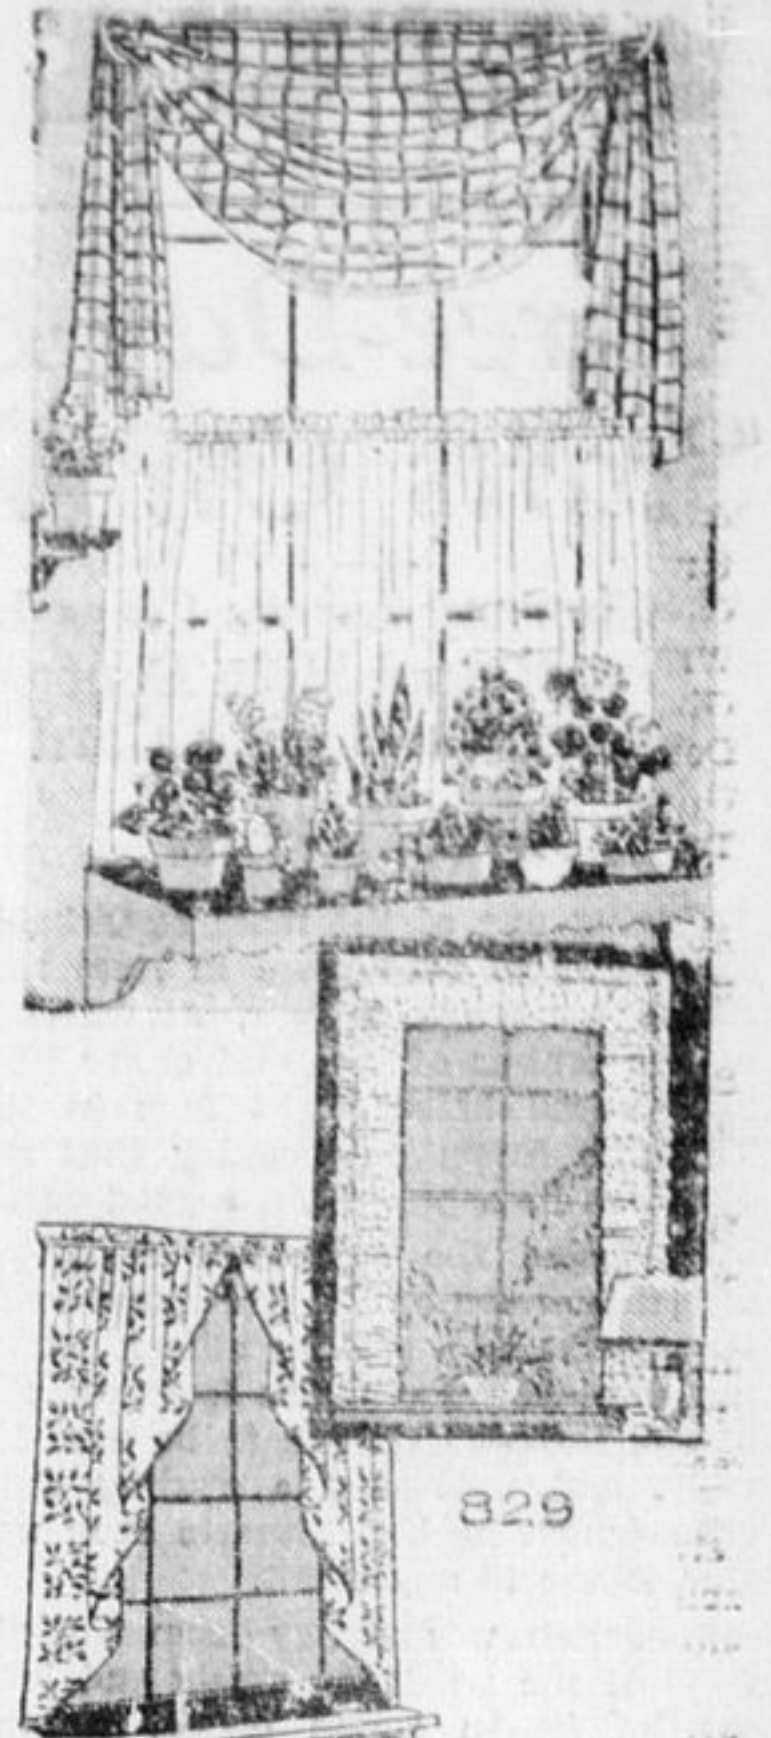

Mrs. W. M. Mustard extended a warm welcome to both members and visitors. She reminded them of the opportunities and challenge of a new season, of the matter of newcomers to the church and community and the new study book.

The worship service was led by Mrs. A. Jackson, who directed the thoughts of those present to the work of the missionaries in India. Mrs. H. Dunn delighted the group with two solos in which she was accompanied by Mrs. P. Carson.

The study book, "India At The Threshold," by Dr. Winnifred Bryce, was introduced and reviewed in a most interesting way by Mrs. A. Rose. Some 40 churches in North America will be making a study of Dr. Bryce's book, which has sold almost 80,000 copies in the first year.

The meeting closed with prayer. Those present enjoyed a pleasant social hour and a dainty lunch provided by the committee in charge.

BANK CREDIT BRIDGES THE FINANCIAL GAP

Every day, business firms make use of bank loans to keep men working, machines running, goods flowing. This bank credit may be used to meet continuing expenses while goods are being processed; to build up stocks of raw materials; to purchase component parts. As finished goods reach the market and payment is received, the loan is repaid.

Enterprising farmers, fishermen, merchants—all make similar use of bank credit to meet their short-term financial needs. Thus your bank helps Canadians maintain steady operations—to take advantage of market opportunities both at home and abroad—to grow. And this, in turn means more work, more goods, a higher standard of living for you and for every Canadian.
