## Three-Day Fight Tournney Starts On Wednesday

### Al. Chorney Shows Class In Five-Round Main Bout Of Tuesday's Boxing Card

BY ED. O'NEILL

Staging one of the most remarkable comebacks to take place in local ring circles for many a year, Al Chorney in five rounds of fast and clever boxing, proved before fight fans in the Timmins Arena on Tuesday that not only was he a boxer, but a good one.

He belted the able Emil Popovitch into submission as the five-round main event came to a striking climax. Chorney displayed marvellous footwork, one of the fastest left jabs to be seen locally, and unleashed a sizzling right cross which he had hitherto been unable to use to any effect.

Popovitch was groggy from the effects of the smashing rights and lefts as the fourth round ended. In the fifth, Chorney had Popovitch reeling and in bad shape as the result of his persistent attacks.

The decision went to Chorney by a five-round TKO.

In the second stellar attraction, the Timmins Blond Bombshell, Joe Sunega, dropped a first round decision to classy Larry Dubeau.

In the fastest three-rounder of the

evening, Dan McPhail, 124 pounds from the East Side, was awarded a hard-fought decision over R. Lavigne, 124-pound West Sider. McPhail's aggressiveness and unorthodox but effective boxing style kept Lavigne puzzled throughout the bout.

Teddy Meunier, 145-pound newcomer, scored one of the most surprising and sensational upsets, when he was awarded the decision over Ernie Sasseville. Meunier, who made his debut against Sasseville, gave a good account of himself.

Bill Hickey, 133 pounds, boxed his way to a clean three-round decision over Cliff Varin.

Benny Varin and R. Dorvale, 95 pounders, battled to a three-round draw. J. Chartrand and Andrew Martin put up a fast three rounds of boxing with the nod going to Chartrand.

As an added attraction, Murray John L. Sullivan literally flayed the living daylight out of "Pee-Wee" Chartier. Sullivan, who only recently returned from campaigning in American rings, displayed not only the ability to swing both fists at the same time and at the same target, but showed an amazing ability to ward off his opponent's blows with his arms. Only Chartier's footwork and longer reach enabled him to stand on his feet. Sullivan was awarded the decision.

## Kirkland Lake Gets T.B.L. Title With Saturday Win

Taking advantage of three errors bunched at the eighth inning, Kirkland Lake staged a five-run scoring spread that gave them a 6-1 win and the championship of the Temiskaming Baseball League on Saturday afternoon.

Up to that point, Lefty O'Donnell, allowing only six hits, had appeared to have the game well under control.

Hillman opened up the Kirkland Lake attack in the decisive eighth, however, when he was allowed a walk. The threat became more serious when, after a bad throw by Levandoski, Jelly, the Kirkland Lake shortstop, reached first.

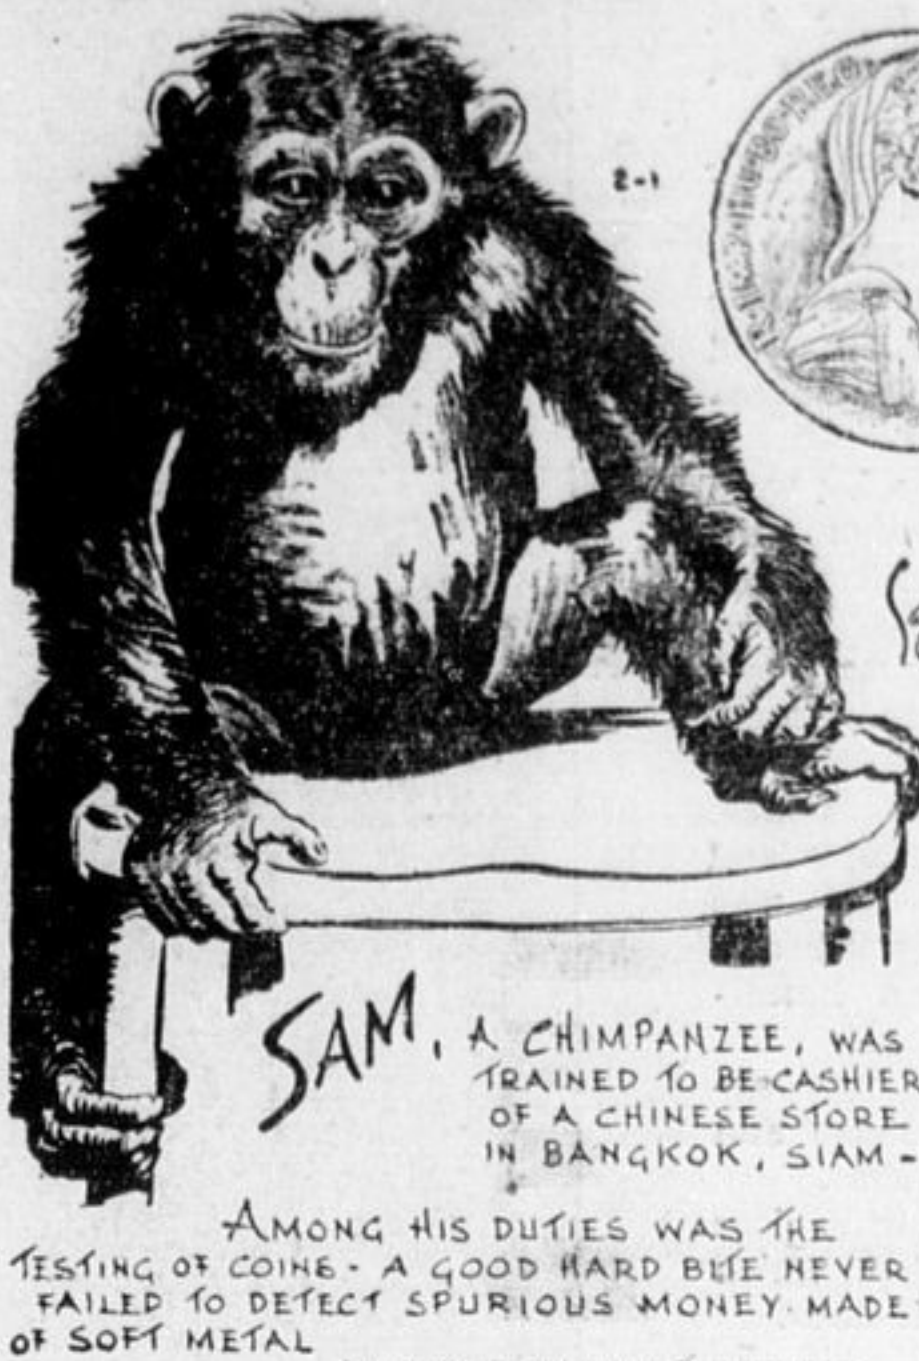

A badly handled infield hit by James permitted Hillman to cross home plate. Both Jelly and James romped home to make it 4-1, on Lynott's single to right field.

Cooper, the Kirkland Lake catcher knocked out a three-base hit, scoring Lynott and came home himself, aided by a wild throw by Delmonte.

What looked like a ninth-inning comeback, with Levandoski and Chase on bases was promptly nipped with two strike-outs and a fly ball, neatly trapped by Lynott.

## Track And Field Events To Be Run Off Sept. 29

### Practices Being Held Nightly in Hollinger Park; Trophies Arranged For

The initiative for any track and field activities this fall has been left largely in the hands of the Timmins Youth Welfare Council, as a result of the decision of T.H.&V.S. not to stage a school meet.

Instead, students interested in any of the track and field events, will be taking part in the track meet sponsored by the Youth Welfare Council on Sunday, Sept. 29.

Practices are being held nightly at the Hollinger ball park from 4:30 to 8 o'clock. This year's track meet will be limited to Timmins only, in the various age groups, and every opportunity will be given to ensure that age limits permit students to compete on an equitable basis in any open events.

Several have volunteered for coaching duties in the nightly practices.

"Rugby is taking the boys' interest," stated Coach Don Clark at the high school, in explaining the school's inability to participate more fully in the track and field events.

Entry forms are available for all those wishing them, it is stated. Miss Helen Korri has charge of much of the work of organizing the meet, and the Y's Men's Club has offered every assistance in running it off.

A number of Timmins merchants have supported the affair to the extent of sponsoring trophies, medals, etc., and Hill-Clark-Francis has sponsored a trophy for the highest number of points, in yearly competition, in addition to helping out with such items as hurdles, pole vaults, batons, etc.

Those interested have been asked to get in touch with members of the Junior Welfare Council: John Angus, chuk 1, Talbot 2, Richardson 1, Baker 2, Arnott 1, Lister 4, Vail 1, Webber 12, Struck Out—Vail, 3 in 9 innings; Talbot 2 in 8 innings.

Walked—Vail, 0; Talbot 1.

Time—5:01. Umpires—Chambers and Karahan.

Left on bases—McIntyre 6; Hollinger 3.

Bernice Kosobuski, Helen Korri, Jack Murphy, Nadyne Smith, Helen Reag, or Brian Spolala, at the Timmins Hardware on Algonquin East.

The events have been divided into three classes. Twelve to fourteen years, fifteen to seventeen years and eighteen to eighty years, and will include standing broad jump, running broad jump, running high jump, softball throws, basketball throws, women's fast walking race, hop, step and jump, pole vault, and a three-legged race for service club members only.

Boys and girls, men and women, who fit into any of the above age groups and would like to compete, may obtain application forms from members of the council's executive or at the office of the Porcupine Advance.

There is also a basketball practice each evening at 6:45 p.m. in the Hollinger Ball Park to which all girls who are interested are invited to attend.

## Bombers Take Ennis Cup In Three Straight Games

### Levandoski Scores Only Run Of Last Night's Baseball Tilt

The Hollinger Bombers took the Ennis cup series three games straight, winning 1-0 over McIntyre at the Hollinger Park yesterday afternoon. Levandoski scored the lone tally in the second inning.

Levandoski started affairs with a single. He stole to second, went to third on Vine's hit and stole home. From then on, it was an even, well played game. Only in the sixth inning was the steady pace of the game broken. Baker led McIntyre's scoring bid with a two baser on Levandoski's error, and made third on Arnott's hit. Vail was walked by Talbot, with two men out. Finally McShane was thrown out, Hann to Mallot.

It was a good game, infield plays putting most players out. Hollinger had two double plays, Hann-Levandoski-Mallot, and McIntyre one. However, Hollinger made more errors, Levandski 1, Mallot 13, Vine 1, Adam-

Levandoski and Chase juggling the ball too much, with Richardson doing the act over for McIntyre.

The Macmen led in hits by one, but Hollinger's infield combinations broke this up. Vail was probably the better pitcher, although Talbot wasn't far away, yielding only an extra hit.

Hollinger—Hann, ss; Dunn, cf; Chase, 3b; Levandoski, 2b; Mallot, 1b; Vine, rf; Adamchuck, 1f; Delmonte, c; Talbot, p.

McIntyre—Richardson, ss; Baker, cf; Arnott, 3b; Lister, 2b; Narduzzi, rf; Vail, p; McShane, lf; Cooke, c; Webber, lb; Fayer, batted for McShane in 9th.

**Hollinger Wins 2nd Ennis Cup Tilt**

Hollinger took a two-game lead in the best-of-five Ennis Cup tussle, with a 3-0 victory over McIntyre on Sunday afternoon. Allowing only two hits throughout, Bill Gordon got chief credit for keeping the Macmen off the scoreboard. He had seven strike-outs.

George McShane, McIntyre hurler, did well for himself, too, nailing nine strike-outs, but he allowed six hits, three of them doubles.

Hollinger's scoring was done entirely in the third inning. Mallot doubled. Lawton got to first on an error by first baseman Wilson, and he was closely followed by Levandoski. Cooke bungled one at home plate to let Mallot in and Mallot scored on an error by the McIntyre shortstop. A hit by Chase brought in Levandoski for the final run of the game.

## THE PROVINCE OF PROMISE...

ONTARIO'S growing gold... her largest cash crop... is tobacco. Its twenty-year development, from nothing to really something, has been due almost entirely to the phenomenal increase in flue-cured tobacco—the most valuable of the three types grown here. The others are burley and dark-leaf. This year, a fourth type, cigar leaf—one thousand acres of it—opens rich, new Ontario possibilities. Tobacco is a delicate plant and a demanding one, needing utmost watchfulness and even handmade encouragement during its complicated cure. Its cultivation means back-breaking, short-season work with high rewards for all concerned.

### A CORNER ON TOBACCO

The annual Ontario production of tobacco is about 97,000,000 pounds—its value around \$30,000,000. In the southwest corner of the province, some 90,000 acres are planted to it and the Ontario crop represents nine-tenths of the Dominion yield. 85% of this is high-grade flue-cured—the less-carefully-treated burley and dark-leaf making up the rest. It is an industry in which a few experts prepare the scene for a sudden rush by thousands of workers in the crucial harvest weeks.
