MARCOS CLUB STARTS NEW SEASON

The first fall meeting of the Marcos Club was held on Tuesday evening at 8:30 in the First United Church with 24 members present.

President Arthur Moyle welcomed the newcomers, after which a devotional period was led by Gerald and Muriel Doughty.

A business period followed, and included a resume of the past year's activities, and discussions on proposed projects for the club.

The entertainment committee then took charge of the meeting, and several Roy Ward Dickson gags were presented, as well as a novel quiz contest.

Refreshments were served, and the president cordially invited all to attend the next meeting to be held on Oct. 8.

Present were: Mrs. and Mrs. T. Cunningham, Mr. and Mrs. Arthur Moyle, Mrs. Betty Beatty, Mr. and Mrs. M. Black, Mr. and Mrs. G. Doughty, Mr. and Mrs. Bill Harrison, Mr. and Mrs. Ly Ford, Mrs. Margaret Harrison, Mr. and Mrs. W. H. Black, Mr. and Mrs. Doug Sykes, Mr. and Mrs. J. Hamilton, Mr. and Mrs. A. Butterscotch Mouton

WHEN mouton, which is a fleecy lambskin sheared and colored to resemble beaver, first came along, we loved it just for budget price and durability alone. It still is the dream of the penny-wise and pound-wise, too, and still lovely in beaver effect; but now it comes along in other fur colors, is softer and lighter in actual weight (though not in warmth) and has stepped into highstyle silhouettes.

Too, as in the case of this butterscotch colored Laskin mouton coat, a special treatment sees to it that rain or snow will not spot, curl or mat the plushy, soft surface pile. Notice the big sleeves, the wide shoulders, the generous flare... stylish, no? ... and this means that your very inexpensive mouton fur coat will do proud with evening clothes, as well as over stadium or workaday outfits.

CHOIR ENJOYS ANNUAL DINNER

The annual banquet of the choir of First United church was held in the church hall on Friday evening, when choir members brought friends as their guests.

Mr. R. Wales, choir president, was chairman of the meeting, which also heard from Mrs. M. Mustard, Mrs. R. Huckerby, Mr. L. Hill and Mr. H. Treneer.

Mrs. R. Sullivan sang, and Miss Gladys Dodge played the violin, with Miss Sue Meadows as accompanist. A sing-song was much enjoyed, as were a number of games, supervised by Mr. E. Wilson.

Convenor for the affair was Mrs. R. Wales, ably assisted by Mr. J. Drew, Mrs. E. Starling, Mrs. L. Baxter, Mrs. R. Webster and Mrs. D. Allen.

TUXIS BOYS MEET

A meeting of the Tuxis group of First United Church is planned for 7:30 this evening in the church basement. Those between the ages of 15 to 17 who are interested have been urged to attend.

Ed Wilson and Lawrence Morley were in charge of a meeting earlier this week, which planned the meeting to-night.

CANADA'S No. 1 CITIZEN
shapes his future...

these five ways...

Canada's future is in the hands of her people... That future is threatened by the menace of inflation... Canada's bulwark against this menace is the steadfast performance of her No. 1 citizens. Here is the No. 1 citizen's five-point programme of personal finances:

- 1 Hold on to my Victory Bonds and Certificates.
- 2 Buy only those goods which are in fair supply and save my money for the day when goods now in short supply will be readily available.
- 3 Avoid black market purchases.
- 4 Keep up my insurance.
- 5 Build up my savings account.

These five points mean conservation—the first requisite for personal security—the first requisite for national security. When you shape your future on these five points, you shape the future of the nation.

This is why we say:

BANK OF MONTREAL

If You Are a No. 1 Citizen You will look after No. 1...

This is not selfishness, but the realization that a community is no better, no sounder than its citizens.
