Go To Polling Booths I.O.D.E. President Urges In Talk To Chapter Here

Provincial Leader States Women's Interest Needed In Public Affairs

Officers and members of Golden Chapter, Imperial Order Daughters of the Empire, were hostesses at a delightfully arranged luncheon which was held in the McIntyre Lounge last Thursday in honor of Provincial President Mrs. Lionel Milne of Hamilton and Mrs. W. N. Smith, Provincial Endowment Fund Convener of Sudbury.

Stated at the head table, which was attractively decorated with mauve and yellow baby mums, and lighted by the warm and friendly glow of many yellow candles, were: Mrs. Lionel Milne, Hamilton; Mrs. W. N. Smith, Sudbury; Mrs. A. Hurd, Regent of Moosonee Chapter, Cochrane; Mrs. Wm. Mackie, Regent of Golden Chapter, Timmins; Mrs. L. E. Dorway, 1st. Honorary Regent; Mrs. J. Keene, Hon. Regent; and Mrs. A. F. Carriere, Hon. Regent.

The luncheon opened with the singing of "O Canada" after which Mrs. Wm. Mackie, in her usual pleasing and friendly way, introduced the guests of honor and presented them with lovely corsages of Talisman roses.

Will Provide Scholarships

As a prelude to her address Mrs. Milne told her audience that this was her first visit so far north. Previously she had never felt any desire to see our wide open spaces but after her arrival here she said that she had very soon changed her ideas about the north and that she was greatly impressed by the country and especially the warm hearted hospitality and cordial welcome which had been extended to her by the people here.

In her address Mrs. Milne outlined the work of the I.O.D.E. in the past and spoke of their post war plans, the main objective being to raise \$500,000 by August, 1947 for their Second War Memorial Fund. To date \$75,000 of this amount has already been subscribed, some chapters having exceeded their quotas. This money will provide bursaries and scholarships for sons and daughters of servicemen.

Following World War I a similar fund was established which provided 154 scholarships and 257 bursaries, mostly among the sons and daughters of privates and non-commissioned officers.

Mrs. Milne said that many people had questioned the wisdom of establishing this fund as a Second War Memorial but officers and members of the I.O.D.E. feel that no greater service to the country and Empire, for which so many of her gallant sons fought and died, could be rendered than by educating her younger sons and daughters in the Anglo-Saxon concepts of liberty and their way of life so that in the exercise of opinion they will shrink from wrong and shallow thinking, avoid pride and complacency, recognize that tolerance is the essence of democracy and that by unity of service to our country and the Motherland they will be serving the cause of mankind and perpetuating the ideals for which their forebears have died. To quote Edith Cavell - "Patriotism is not enough".

The Provincial Regent also outlined further aims and objects of the Order which was founded in February, 1900 and has for its motto "One Flag, One Throne, One Empire". The Order is, and shall be non-sectarian and non-political, she stated.

The badge of the Order comprises a seven-point star which represents the seven divisions of the British Empire: The British Isles, Canada, India, New Zealand, South Africa, Australia, and the British West Indies, the crown depicts Kingship and Majesty, and the Union Jack represents

BLUE OF THE NIGHT — What could be better? For those after-work moments of relaxation, this Judy negligee worn by NBC actress Cathleen Cordell, in "Stella Dallas" is ideal. It is done in a soft shade of blue and has feminine, eye-appealing ruffles on the collar and sleeves. It retails for the modest sum of around \$12.

Sacrifice, Union, Loyalty.

Second Group Urged

In regard to organization, Mrs. Milne was of the opinion that in a town with a population as high as Timmins another chapter could be successfully organized and she suggested that this second group could meet in the afternoon and also that a Junior chapter could also be formed under the leadership and guidance of senior members. A membership drive was also suggested in which each of the present members would endeavour to bring along a prospective member.

A careful and thorough study of the constitution of the Order was another thought brought to the minds of the members. This, stated Mrs. Milne, gives the members a much broader view of the work of the organization and wider scope for development.

Asks Women To Vote

Women's responsibilities in a democracy was another point brought to the thoughts of her audience during Mrs. Milne's address. In this regard she mentioned the issues and personalities in public affairs, matters in which women should be vitally concerned, and in this connection she urged her listeners to exercise their franchise and go to the polling booths when election times comes around - and vote! If the women of Canada worked for the victory, to restore peace and maintain freedom, they should be constantly on guard to see that freedom works.

Mrs. Milne spoke of the thousands of Europeans who would be cold and hungry this coming winter and she emphasized the fact that the I.O.D.E. has plenty of good botany wool and material waiting to be made into warm, comfortable clothing for these destitute people. All that is needed is the willing and very necessary workers.

In regard to food conservation, the

members were reminded of their collection of unused ration coupons to enable larger shipments to be sent overseas.

Sewing Machines Needed

At this juncture the speaker had a special word of praise for the work of the local chapter which had contributed and were still contributing a very fair share of work toward the relief of European distress.

In this regard it may be added that the Timmins Chapter is in need of three more portable sewing machines which would be picked up from their donors on Wednesday evening and taken to the home of Mrs. Wm. Mackie (Regent) where they are used from 8 to 10:30 p.m. and returned to their owners the following day. This work group has been planned for the winter months and would greatly appreciate the loan of three more machines.

In concluding Mrs. Milne stressed that victory had been won through unity and that unity was needed for a permanent and lasting peace.

Mrs. W. N. Smith, Provincial Endowment Fund Convener, spoke next. She explained that this fund is designed to provide a permanent yearly income whereby the development, extension and perpetuation of the work of the Order may be assured. It was suggested that 15% of each chapter's income be allotted to this fund to establish a working capital of \$200,000 which sum has been set as this fund's objective and which it hopes to achieve by Jubilee year (1950).

Mrs. A. Hurd, Regent of Moosonee Chapter, Cochrane, brought greetings from her officers and members and expressed regret that the distinguished guests could not include Cochrane in their itinerary.

Mrs. W. Mackie thanked each of the speakers, on behalf of the gathering and said that she was sure that everyone had benefitted and learned much from their informative talks.

Out-of-town guests at the luncheon were Mrs. Dawes of Montreal (mother of Mrs. W. J. Doran) Mrs. E. West of Quebec, guest of Mrs. E. A. F. Day.

The meeting concluded with the singing of the National Anthem and a social half hour ensued when members had an opportunity of meeting their guests personally.

UNITED W.M.S. HEAR TALK ON JAPAN

The W.M.S. of First United Church held its autumn thank offering meeting in the church on Thursday afternoon. President Mrs. W. Mustard, speaking on the beauty of the autumn, quoted the following lines:

"In wonder workings, or some bush flame,
Men look for God and fancy him concealed;
But in earth's common things He stands revealed
While grass and flowers and stars spell out His name."

During the business meeting it was planned to entertain the wives of ex-servicemen at a social evening. A sum of money was set aside to buy equipment for the Presbytery camp at Ice Chest Lake.

A committee was appointed to help arrange the Sunday evening "Friendship Hour." An impressive worship service of Thanksgiving was led by Mrs. R. Hansen.

The guest speaker, Mrs. G. Doughty, gave an interesting talk on life in Japan. The daughter of Dr. and Mrs. G. Bott, Japanese missionaries, she told of personal experiences from the years she had lived there.

In sympathy and understanding of the Japanese, she told of the work being done by missionaries in the slum areas of Tokio. She traced the industrial development and plans for modern warfare, beginning after the closed period, 1636 - 1853.

From her intimate knowledge of child and student life, she gave some interesting facts. In the Canadian Academy, where 20 nationalities were represented, there was an absence of color, race or religious prejudice. There is a high literacy rate in Japan, she

stated. Dr. and Mrs. Bott have returned to their work among the Japanese people. Mrs. I. Gordon moved a vote of thanks to the guest speaker. Members and friends remained for a social half-hour at the close of the meeting.

TWIXTERS CLUB TO MAKE CALENDARS

The Twixters Club of St. Matthew's Anglican Church held their regular meeting in the church hall on Tuesday, Oct. 15.

Mr. Ed Robinson, vice-president, was in the chair and further plans were made for the bazaar which will be held on Nov. 26.

It was also decided by the members that they would again make calendars for Christmas as a means of raising money.

Present at the meeting were Mrs. V. Morrow, Mrs. M. Wharton, Mrs. E. Keast, Mrs. G. Huyton, Mrs. V. Hobbs, Mrs. J. Budd, Mrs. H. Johnston, Mr. Ed. Robinson and Mrs. C. Johnson.
