HOLD HIM

An old fellow, crossing the Atlantic, was leaning over the rail when the information fiend tapped him on the shoulder.
 "Sir," he said, with a wave of his hand, "do you know that if the earth were flattened out the sea would be miles deep all over the world?"
 The old fellow looked impressed.
 "Well," he replied, "if you catch anyone flattening out the earth shoot him on the spot. I can't swim!"

Two rich gold strikes have been reported from California. Prospectors are frantically digging up the stuff so that the government can bury it

THROUGH THE YEARS

TEN YEARS AGO

Ten years ago this week the Porcupine Milk Producers Association was warning householders in the Camp that the higher costs of feeding dairy herds in the north would necessitate an increase in the price of milk — from 12 1/2 cents a quart to 14 1/2 cents. Tom Cahill and A. Belanger were president and secretary of the association.

Finnish Anniversary

The Finnish United Church was making plans for the celebration of its 23rd anniversary here, in December. The chain of celebrations was to start

with an every-person canvass among the Finns of the district for the support of the church.

T. P. A. A. Organized

A new influence appeared in sports ten years ago with the formation of the Timmins Police Amateur Athletic Association, a body to promote athletics among the members of the Porcupine district police and to sponsor all sorts of juvenile sports for boys who would not otherwise have the chance of belonging to a properly-coached and properly-managed club.

McInnis Building Opened

The Advance was making much of the opening of the new McInnis Building, situated on Pine St. North — in the Wall Street of Timmins. The building opened about 25 years from the date Dr. J. A. McInnis moved his office from Golden City to Timmins. Barney Sky was the building contractor. Other occupants of the building were J. J. McKay, insurance agent, J. E. Taylor, barrister; Mrs. R. Richards, of the Timmins Flower Shop, and the Mariette Beauty Salon.

Mussolini Speaking

Ten years ago, Mussolini was demanding recognition of Ethiopia as an Italian Colony as a price for permitting British ships to use the Mediterranean. His air force filled the sky, half a million soldiers took part in a monster display of arms, and he threatened to build a bigger fleet than the British Navy. But that was ten years ago.

Bartleman's Sewer

Services were being installed for the north end of Cedar, Balsam, Birch, Maple and Elm Streets and to serve the new public school "just outside town limits." A six-foot right-of-way has been granted by Messrs. J. P. Bartleman, R. Bannino and J. P. McLaughlin. Some council, it was stated had neglected to see that provision was made for a Ninth avenue. Ninth avenue in the north-east corner of town was in the right place, one block from Eighth — but it is interrupted by a strip of land, two blocks in width, held in acreage by J. P. Bartleman.

South End Wedding

At the manse of the Timmins Finnish United Church, on Nov. 17, 1936, Carin Linea Marttunen, daughter of Mr. and Mrs. Otto F. Marttunen of Port Arthur, was married to Felix William Laine, son of Mr. and Mrs. G. W.

Laine of South Porcupine.

Schumacher Man Marries
 A quiet wedding took place in Matheson, on Nov. 16, 1936, when Mina Etta, daughter of Mr. and Mrs. Robert Hembuff, became the bride of Walter Allan Smook, son of Rev. and Mrs. Klochhoff, Toronto. The groom was on the staff of the Schumacher Hardware.

St. Paul's Consecrated

The formal consecration of St. Paul's Church, South Porcupine, took place on Nov. 29, 1935, with the Bishop of Mooseonee officiating. It was just 25 years prior to this date that a small but loyal congregation of Anglicans built the first St. Paul's church, on the site of the present one.

"Locals"

Mr. and Mrs. Isnor left Monday for Toronto, where Mrs. Isnor will receive medical treatment.

Born — to Mr. and Mrs. Royal Piche, 57 Middleton Ave., Nov. 10, 1936, a daughter.

Born — to Mr. and Mrs. Ernest Cousineau, 109 Pine St. North, Nov. 16, 1936, a daughter.

TWENTY YEARS AGO

James McGuire, formerly prominent in labor circles in Cobalt, and at the time an employee of West Dome Mines was chosen as Liberal candidate at a convention held in Matheson to select a representative for the South Cochrane riding. Locally, it was being said that if you wanted a change in the Ontario Temperance Act you must vote for Fred Kenning, Conservative candidate.

T. & N. O. To Hudson Bay

At a meeting of the Associated Boards of Trade in Cochrane, a number of those present voiced their faith in the desirability of the extension of the T. & N. O. to Hudson Bay, the wealth of minerals in the area being given as the reason.

Mines Hockey Organized

George Lake of Timmins was elected president of the Mines League Hockey for the current season. Mr. Richards of South Porcupine was vice-president and H. W. Hooker was secretary-treasurer.

Boy's Parliament

M. Bucovetsky and J. Cuthbertson were rival candidates to represent this riding in the Older Boys' Parliament of Ontario.

Wife Preservers

Even though the cleaning powder container may seem to be empty, cut off the top and you may be able to get enough for another day's use.

THIRTY YEARS AGO

Among local items in The Advance 30 years ago were the following:
 Mr. L. Eames, superintendent of the Hollinger mill, is to leave the last of the month to take up a similar position in South Africa.

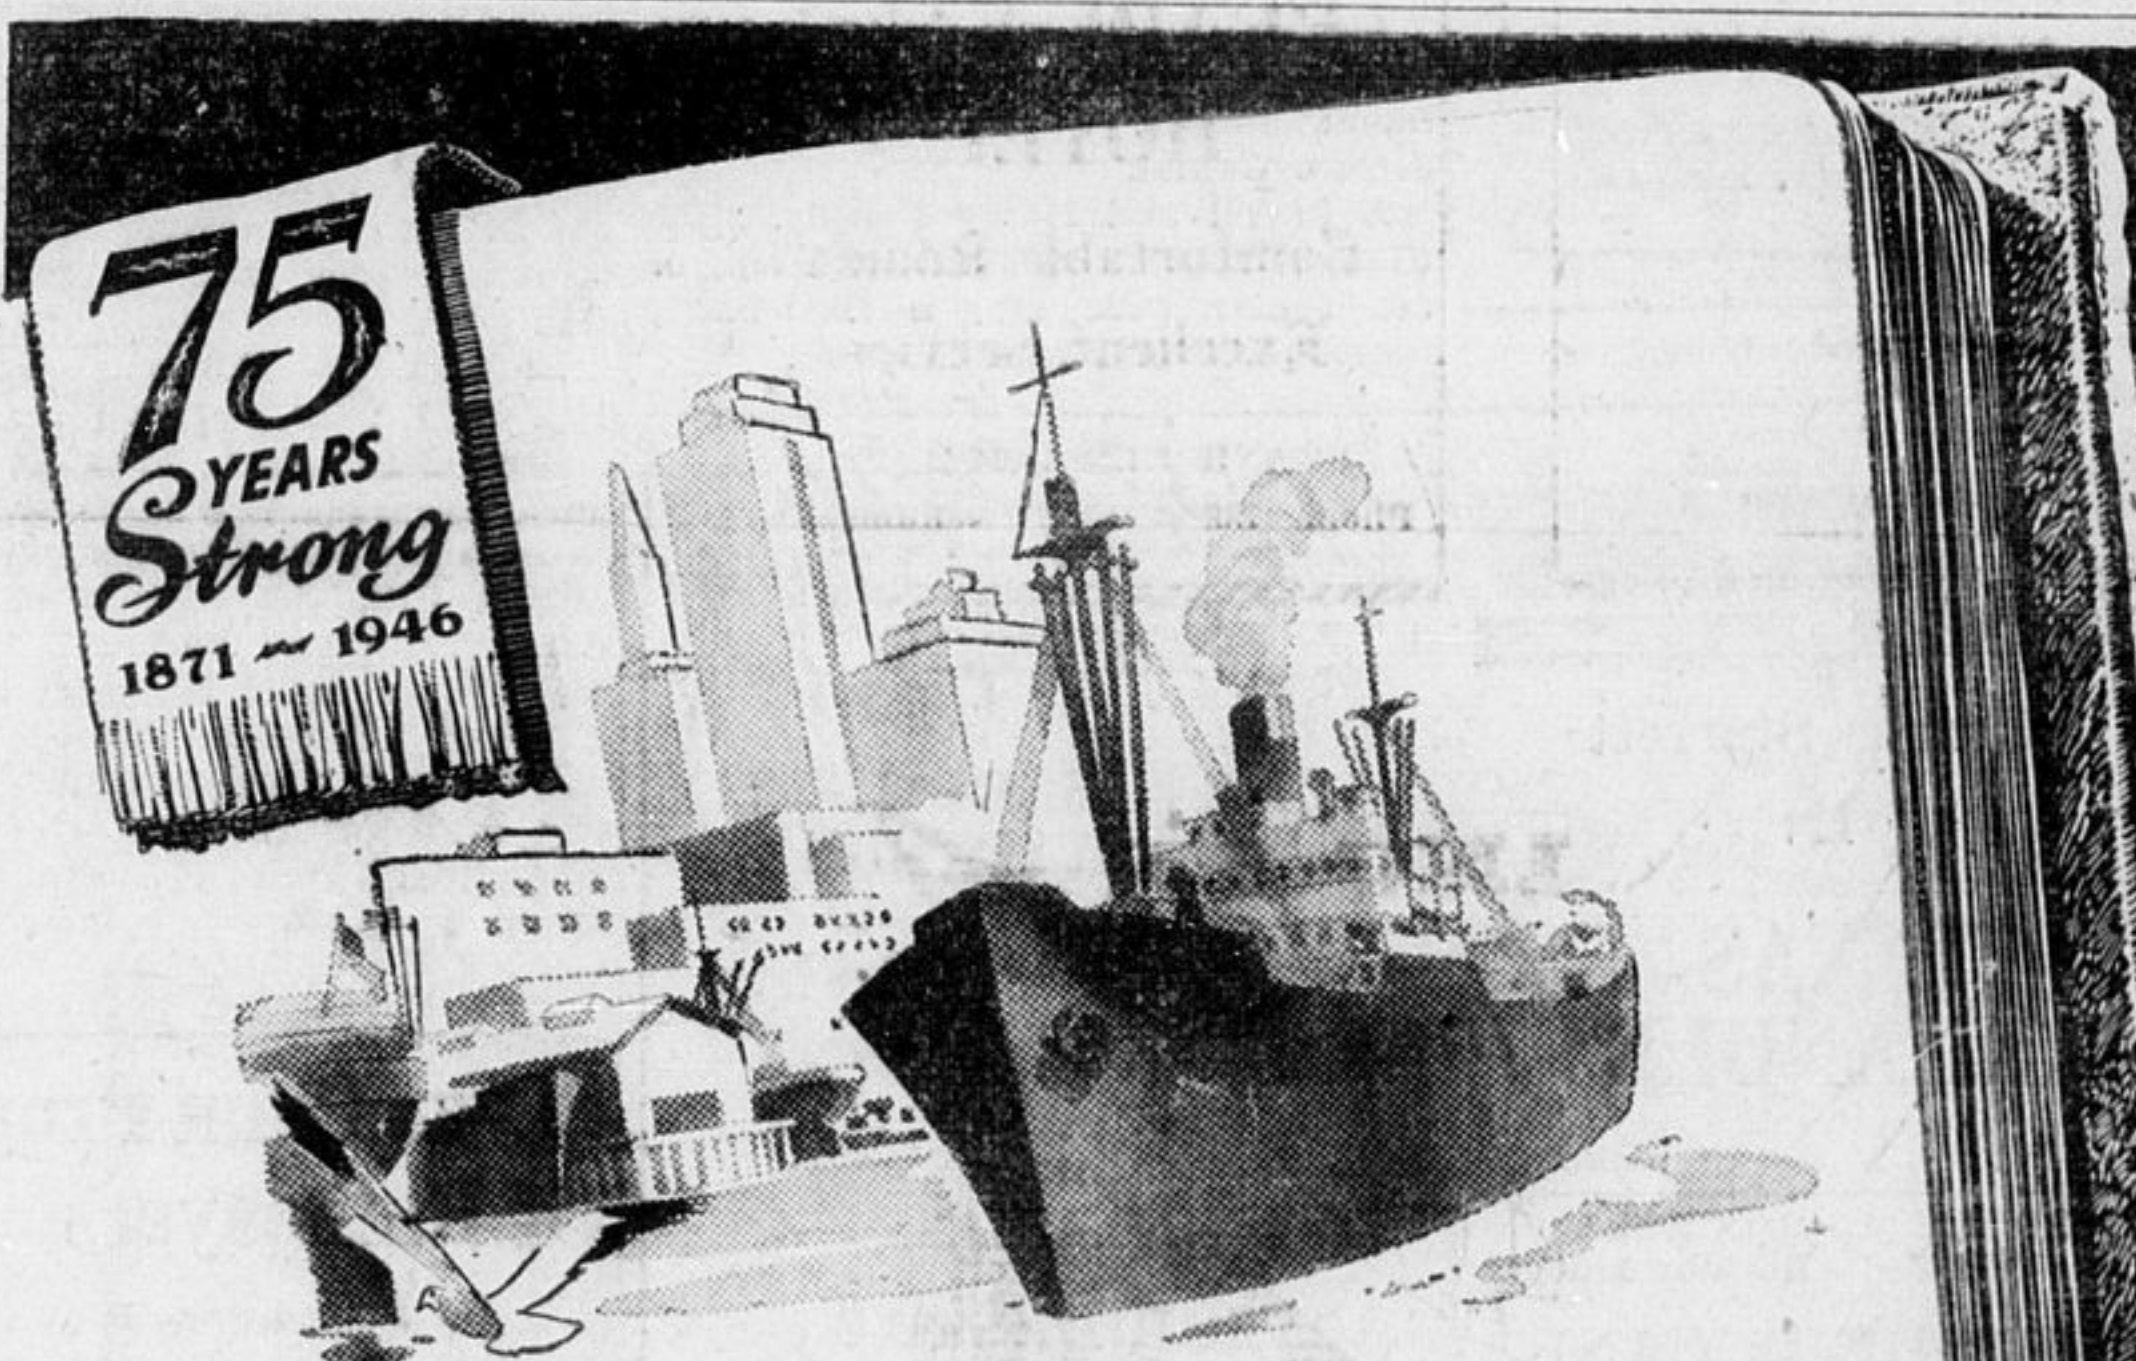

Mrs. T. E. Pritchard will receive at her home, 47 Tamarack St., on Friday from three to five o'clock.

Mr. Charles Dalton is spending a few days in Toronto, buying horses. Miss Edna Rea, Kingston has been visiting her sister, Mrs. Gilbert McInnis of Porcupine Vipond.

Word has been received that the 159th Battalion has arrived safely in England.

At a meeting of the public school board it was decided to have a truant officer appointed to investigate the reasons for so many absentees from school.

A number of citizens who told the Tisdale township council that they considered the services of a police constable an unnecessary expense, changed their minds after Constable Hurlbut addressed the meeting and told of his previous three months' work. He cited instances where he had protected citizens from various riots, bawdy houses, gambling houses, etc. and declared that the fines collected more than offset his salary.

Argosies of Prosperity

SEVENTY-FIVE years ago when Confederation Life Association was founded, Canada's trade and commerce was a very small affair. Apart from lumber mills, factories were few and far between. Clothing, furniture and most domestic goods were imported from Great Britain. Department stores were a vision of the future. Export trade as we know it today hardly existed.

fish, aluminum and nickel, and base metals.
 As Canada's trade expanded, Confederation Life Association, which was founded in 1871, kept pace with it and carried the benefits of life insurance to hundreds of thousands of people engaged in industrial, agricultural, mercantile and commercial pursuits. As Canada's export trade increased, Confederation Life also exported the security and stability of its policies to Great Britain, West Indies, Central and South America and the United States. Confederation Life Association is now an international institution, proudly serving succeeding generations of policyholders in many countries.
