IN MEMORIAM TELFORD - In loving memory of a dear husband and father, Ernie Telford, who passed away Dec. 5, 1938. Alas in the dreary winter We stood by a narrow grave. And we saw within it a dear dead face. We'd have given our lives to save. But we knew our thoughts could not awaken That soul in its silent clay; So we laid down our hearts beside him. And silently wandered away. Sadly missed and always remembered by his wife and children Edythe and Clayton of Timmins, Ontario. - 49P

Imperial Bank Has Annual Meeting

Financial statement of the Imperial Bank of Canada for the year ending October 31, 1946, presented at the annual meeting of shareholders at Toronto on Wednesday, November 27th, 1946, showed deposits and assets both increased to an all-time high, and profits at a modest increase.

Addressing the shareholders, Mr. R. S. Waldie, the president, said that in spite of unsettled world conditions Canada had achieved about eighty per cent. of physical reconversion.

He noted a drop of only 300,000 below the wartime employment peak of 5,000,000, and a national income over twice the pre-war figure, although this reflected price increases to some extent.

Labour disputes had interfered with production, said Mr. Waldie. During the war, wages had been frozen at too low a level and with too great a spread between industries. He foresaw a more balanced distribution of the workers' income as a result of a more flexible wage-adjustment procedure laid down by the National War Labour Board. Both Government and the public should be concerned in furthering a more understanding collaboration between management and labour, he said.

Canada's trade balance with countries other than the United States was favourable, but it would require effort to straighten the Canadian-American balance of payments. The decline in exports of non-ferrous metals, especially aluminum, had not been counterbalanced by increased production and export of precious metals. The Government would have to make concessions to hold the gold mining industry within its important position, he said.

Mr. Waldie was concerned by the fact that the income of our farm-labour force, representing one-quarter of our total labour force, was only one-sixth of the national income, an amount not commensurate with the farmer's importance in our economy. Farm income could be increased, he said, if we found new markets, especially abroad.

Cabogian Bowlers Pictures Taken

A few scores of Timmins Cabogians turned out last night for their weekly bowling session. All the basement alleys at the bowling academy were used by the Cabogi members.

Noticed among the bowlers were Pat Connolly, Angus Chapman, Fred McLellan, Jean Sweeney, John Garvey, Pat Larmer, Jr., Charlotte Richards, Lena Telavi, Joe Lucciantonio, Rose Fillippino, Silvana Giop, Joe Reszel, Velma See, Doug Chapman, Fran Disley, John Shuster, Helen Reszel, Gladys Carr, Pat Parker, Ron Morris, Alphonso Gallino, Alice DeMarchi, Teresa Killen, Anne D'Allesandri, May Blais, Jerry Larmer, Rita Prest, Lois McAlendin, John Amadio, Evelyn Anderson, Gino DeMarchi, Beatrice Rourke, Armendina Romauldi, Anita Levesque, Julie Vacchnio, Benny Ward, Vincent Murray, Viola Hunt, Joan Clark, Anne Rysak, Mervin Villemare, Adelia Pellizzari, and Ed Cosgrove.

Representatives of the National Film Board, Ottawa, snapped pictures of the club members busy at their bowling. Mr. Bud Glantz is the photographer and Mr. Phil Shackleton does the writing for the stories. Mr. Bruce Espie, editor of the Hollinger Magazine, kindly assisted the Film Board representatives.

Timmins has been chosen as a model town for its endeavors in curbing juvenile delinquency, and the articles gathered here will appear in many Canadian weekly and daily papers and magazines.

Most of Canada's problems could be eliminated by increased production, said Mr. More. Her banks had the strength and resources to meet any demand that free enterprisers of Canadian business might make upon them.

Congressmen Austin, Bloom and Connolly are described as the A.B.C. of the American delegation to the United Nations Assembly, but the world remains more interested in, and apprehensive over, the composition of the V.E.T.O.

Hardly Noticed

"The office boys at our place had a sit-down strike for three weeks last month."

"A sit-down strike for three weeks? Goodness, why didn't you settle it sooner?"

"Because it was that long before we realized they were striking!"

THROUGH THE YEARS

TEN YEARS AGO

Ontario gold mines produced \$66,213,602 in the first ten months of the year. The Porcupine Belt led all other districts with \$29,193,890 produced by ten mills. The Kirkland Lake district came second with \$27,990,058.

November was the coldest on record in Timmins. The lowest temperature was 22 degrees below zero.

A seven team hockey league was suggested for the N.O.H.A. Kirkland Lake entering four teams, Timmins, South Porcupine and Noranda the remainder.

Nearly 6,000 employees of mines in Porcupine district are affected by increases in wages by the larger mines. Hollinger, McIntyre, Dome and Buffalo Ankerite announced this morning that basic wages have been increased five cents per hour and arrangements will soon be complete for the 48 hr. week.

Men formerly paid \$4.24 a day will receive \$4.64 under the new system; those formerly paid \$4.80 will receive \$5.20 a day.

Over 900 men in the Porcupine district are looking for work.

Conservatives, with Hon. G. Howard Ferguson as leader, swept into power on a Government Control and temperance policy.

Fred Kenning Conservative candidate in the new South Cochrane riding, was elected by a majority of 1632. Over 2200 votes were polled in Timmins, with over 640 majority for Kenning.

The electors were evidently out to elect Fred Kenning, support Hon. Howard Ferguson, and smash the O.T.A.

Copper Discovered The discovery of copper at Kamiskotia Lake was made by Mr. George Jamieson. He had been prospecting in that area since 1910 but never looked for copper until a few weeks ago. Mr. G. B. Scott, geologist at the Hollinger Gold Mines, was on the scene before the rush commenced and stated that "at the present time the discovery may not be worth 30 cts. but it may be worth anything up to \$30,000,000."

Progress In North The Northern Associated Boards of Trade were complimented by the North Bay Nugget for their work in opening up the north. It states, in part "Industrial progress during the past decade in Northern Ontario has been more rapid perhaps than anywhere else in the world."

The Shops team is in first place in the McIntyre Bowling League.

THIRTY YEARS AGO About fifty employees of the Hollinger Mine assembled on Saturday November 25, 1916, for the purpose of making a presentation to their superin-

tendent, Mr. L. B. Eames, who was leaving the Hollinger for a position in the United States. The presentation was made by Messrs. Jos. Everard, Jos. Berini and L. Cousins.

Firemen Thanked Mr. Chas. A. See in a letter to the corporation of the Town of Timmins, thanked the volunteer fire brigade for the effective way the fire in the See Store on November 19 was handled. A cheque for \$25.00 accompanied the letter which Mr. See stated was to help provide recreation for the fire fighting staff when the new fire hall (under construction) was completed.

New Fire Chief Fire Chief Dey, of Collingwood, had accepted the position of Fire Chief at Timmins, and was expected in a few days.

Newsprint Paper Scarce

Newsprint paper was scarce as a result of the war. People were asked to conserve and eliminate waste.

The local rink will open for the first time this season November 29. Tickets are nine for a dollar, including war tax.

A young man charged with stealing \$5,000 worth of bullion from the Hollinger refinery was captured in the United States after months of tracking. He was sentenced to two and one-half years. However, the hope was held that if he enlisted that sentence would be suspended.

Production of the Porcupine Camp from 1910 to the end of September 1916, was \$25,654,675.
