

The Candidates Speak

(Continued from Page One)

develop their characters properly. As a member of the council I feel that I would be in a position not only to carry out my regular duties as councillor, but to help promote healthful and beneficial programs for our youth.

"My first plan would be for a community centre for Timmins. The centre would include a swimming pool, auditorium, skating rink and gymnasium. The clubs of the town would be asked to co-operate in this enterprise, with the backing of council. And it is my firm belief this centre could be built without costing the taxpayers a single penny.

"I feel that my several years of service as a member of the Horticultural Society and on the Board of Health have helped fit me for a position with more responsibility on your council."

RAY L. STEVENSON, a newcomer in political arena.

In a community such as this, where more than eight millions of dollars was taken out of the community in net profits it is incredible and fantastic that the homeowners should have to pay such terrifically high tax rates.

Wages are low and the miners who own homes are asked to subsidize the mines further by paying for the greatest share of the cost of the municipal services. These services are necessary to the mining operations.

I stand for the retention of a greater share of the wealth produced here in this community both in the form of making the mines pay their share of taxation to the municipality and in the form of higher wages for the miners. I support the drive of organized labor for these wages 100%.

I say that it is past high time that the working people of Timmins had a large measure of the control of civic affairs. The working people have interests that are contrary or opposed to the general welfare of the community and they must make their votes felt on December 18th by electing people who can truly represent their interests and who are free from the domination of the mines and certain relatively small but vociferous landlords.

MARTIN HUGH McCOURT (a newcomer in the political field)

"I have been deeply interested in the affairs of Timmins since coming here in 1920, and I have been one of the heaviest taxpayers of the town since 1922. Therefore I feel that my interest would naturally co-incide with the interests of the taxpayers of the town of Timmins. As a councillor the taxpayers could rest assured that I would serve their best interests.

"For the most part I endorse the Ratepayers Association seven-point pro-

SNOW PRINCESS CONTEST DATE GETTING CLOSER

The "Snow Princess" contest sponsored by the Timmins Kinsmen Club was discussed at their regular Monday night meeting held in the Empire Hotel. The contest will be opened in the near future, Henry Kelneck, who is in charge of the affair, announced.

Os Carter, newly-elected president, presided at the meeting, with the other new club officers fulfilling their duties.

The object of the "Snow Princess" contest is to choose the most attractive, gracious and poised young lady from Timmins to compete with many other Northern "Snow Princesses" for the coveted title of "Snow Queen", who will be chosen at the Winter Frolie to

be held in early 1947 in North Bay. The girls selected will be rated not only for their charm and appearance, but also for proficiency in a winter sport. It would be a feather in our cap if Timmins could supply the "Queen", wouldn't it, girls?

Another topic arousing much discussion at the meeting is the forthcoming Kinsmen's New Year's party, which will be held in the Empire Hotel. Des Maplebeck is in charge of the preparations and hopes to make it a bang-up affair. The decorating of the ball room was mentioned, and the proposed turkey dinner that will be served was considered.

Ron Jones led a sing-song to finish off the evening, with Hugh Scanlon accompanying at the piano.

Music Teachers Enjoy Xmas Party

On Tuesday evening, December 10, members of the Porcupine Branch of the Ontario Music Teachers Association, and their friends, met at the Buffalo-Ankerite Lodge to enjoy a jovial Xmas party.

At the conclusion of a brief business session, Xmas carols were sung and an educational film was shown depicting scenes from the Winnipeg Music Festival.

The highlight of the evening was the visit of Santa Claus, who distributed gifts to everyone.

A dauntly luncheon was served at the end of the meeting.

The thanks of the Association are due to Mr. and Mrs. R. P. Kinkel for the use of the Lodge. Also to Mrs. Jas. Barry and her helpers who contributed to the enjoyment of the evening.

The next regular meeting of the Association will be held on January 14 at the home of Mrs. W. Rinn, 74 Elm St. South, Timmins.

I. O. D. E. MEETING

The regular meeting of the I.O.D.E. was held on Tuesday evening in the council chambers of the Municipal Building with the regent, Mrs. Wm. Mackie, presiding.

Following the roll call, minutes of the previous meeting were read and adopted.

Mrs. Booker, convener of war work reported the completion of 150 diapers and 14 nighties for the Save the Children Campaign.

Donations of \$20 each were voted for St. Mary's Hospital and Porcupine General Hospital and a sum of money was also donated for gifts for the Order's adopted school at Redstone.

Mrs. J. Weinstein was accepted as a member in the Chapter and Mrs. E. J. Banning and Mrs. P. J. Doyle, two other new members, were present and were welcomed.

C. G. I. T. MEET

The C. G. I. T. group of the McKey Presbyterian Church held their regular meeting in the parochial hall on Monday evening.

Prayers opened the meeting, and a brief business period followed.

Final preparations for a Christmas party to be held on Dec. 18 were made, with committees being named.

Presentations were made to Intermediate and senior members of badges and chevrons.

Following the meeting the members proceeded to the church to rehearse for a Vesper Service which will take place on Sunday evening at 7 p.m. Members practiced singing of a special Anthem for the Service.

An enjoyable social period followed the meeting and practice, and the evening was concluded with the singing of Taps.

Recreation Enthusiasts Asked to Attend Friday

The Community Activities Committee held their regular Tuesday night meeting in the Municipal Building.

Wendall Brewer, chairman, presided. A report on the Junior Youth Welfare Council's basketball activities held at Birch St. School was given by Don Hardy. "Bim" Sturgeon was appointed to obtain a competent man to supervise the boys' basketball games there.

"Bim" Sturgeon moved a vote of thanks to Don Hardy for his efforts in obtaining Mr. Harry Nashlund to oversee the building of a ski jump and ramp for the Porcupine Ski Club. A letter of thanks is to be sent to Mr. Nashlund from the Committee.

Mr. Brewer read to the meeting a brief which will be presented at a special meeting of the Town Council on Friday in the Municipal Building at 7 p.m. Representatives of all service clubs and organizations in town interested in furthering recreational activities in Timmins are requested to attend.

The secretary read letters received from Mr. J. K. Tett, Director of Physical Fitness and Recreation for the Department of Education of Ont., and from Miss Virginia Musselman of the National Recreation Association of New York City.

The junior branch of the Community Activities Committee, the Timmins Youth Welfare Council, since the departure of their president, Jack Withrow, has been without a chairman. Their vice-president, Aalli Passi, and Miss Helen Korri are to submit a request to the next Committee meeting for a senior member to fill Mr. With-

row's place.

Mr. Brewer reported on the recent bantam and midget hockey meetings that were held in the Municipal Building under the chairmanship of Charles Leppan on Wed. and Sun. He stated that an executive had been set up and plans for games were well under way.

Martin McHugh was appointed to contact Conrad Beaulne of the Police Department, a member of the Committee, concerning the Boxing Association and its forthcoming plans.
