SOUTH PORCUPINE Tragic Death

Sympathy is extended to Mrs. Stanley Jay, Mrs. Ben Curtis and Mr. A. Hogg in the death of their nephew who died under tragic circumstances last Monday night, near Iroquois Falls.

James Hogg, aged 36, son of Mrs. Thomas Hogg and the late Thomas Hogg, resided at Twin Falls, as engineer of the plant there, and on Monday walked in to Iroquois Falls accompanied by his little black and white spaniel. After shopping he started home around 6.30 p.m., but after walking a few miles was stricken by a brain haemorrhage. He died on the trail and was found next morning around 8.30 when the school bus passed, and he was discovered with his little dog (in spite of the cold and the snow-drifts) patiently mounting guard over him, one mile from home.

His wife had not been anxious over his absence as he said that if the storm was too bad he would stay in town all night.

The funeral, which was held on Friday afternoon in Iroquois Falls United church was one of the largest the community has seen, the deceased being a native son, having spent almost all his life there. Flowers were sent from friends all over the north, and sympathy was expressed on all sides for his sorrowing mother, wife and step-daughter.

Attending the funeral from South Porcupine were his aunt, Mrs. Stanley Jay and his cousin Jack Jay of Dome Extension; his cousin, Mrs. Mary Millou; his uncle, Mr. Alex Hogg of Pottsville and Mrs. Hogg; and Mrs. D. Houston.

MIDGET HOCKEY

With goalies Martin of Canadiens and Nantel of Red Wings playing outstanding hockey the two teams played one of the fastest and hardest fought games yet witnessed in the Midget Hockey League on Monday night.

Canadiens took the lead in the second period when Warren banged in the first goal of the game. Red Wings tied the score in the third period with St. Clair chalking up the tying marker. From then on both teams battled furiously to sink the winning goal but the both goalies, playing top hockey, refused to let the puck past them again.
