THROUGH THE YEARS

Delegation Secures Concessions

The delegation of Mayor J. P. Bartleman, councillor W. Wren and town clerk H. P. Montgomery that went to Toronto to secure concessions brought back one important one, the paving of the highway from Timmins to Schumacher. That saves \$15,000, the mayor said, only where the Hollinger road is built; up will the town be assessed for half the cost. Under existing regulations municipalities pay half the cost of paving within the town limits. A new highway from Timmins to Paron will be undertaken this summer. Among the debenture issues are paving, \$50,000; town hall, \$90,000.

Record Easter Traffic

Easter railway traffic to and from Timmins has been heavier this year than ever before. The southbound express had to be split into two sections. Since that time there have been three extra pullmans and five to six coaches on each train.

Dunkerley-LaBrash

The marriage of William Dunkerley, of Timmins to Burness M. LaBrash, of Hamilton, was solemnized quietly at St. Matthew's Church here on Thursday by Rev. Canon R. S. Cushing.

5,600 Children Tested For T. B.
Nearly five thousand Timmins children have been tuberculin-tested under the Timmins Lions-Porcupine tuberculosis committee drive to root the disease here. Of 4,155 tested, 601 reacted positively. More than 200 of these have already been X-rayed. There is still a total of 729 school children here who cannot be tested because of parents' refusal.

Births

To Mr. and Mrs. John Boisvert, 210 Spruce street south, on March 27th, a daughter.
To Mr. and Mrs. Clarence Brazier, 38½ Columbus avenue, on March 27th, a daughter.
To Mr. and Mrs. Luigi Bagmarlo, 208 Pine street south, on March 22nd, a son.

To Mr. and Mrs. Raymond Turner, 14 Columbus avenue, on March 26th, a son.

Porcupine Leads In Gold Output
Gold production in Ontario during February was valued at \$6,895,666, 622, 276 tons of ore was treated with an average grade of \$11.81 per ton. Porcupine camp led in production, contributing \$3,116,903 to the province's total output. Production from Kirkland Lake totalled \$2,784,962.

Hospital For Siliocosis
The remodeling of McIntosh Academy as a hospital and research laboratory for siliocosis was announced in Toronto. Not only will the disease be treated there, but a co-operative scheme is being worked out whereby those who are recovering from siliocosis will have three to five acre plots of land where they will be able to do market gardening, poultry raising and other work that will keep them in the fresh air. It will serve the two largest gold mining camps of the province from that locality.

Unemployed Here Total 1040
In the live files of the Employment Bureau, the figures for unemployed in Timmins stand at 1040 for March, 1937. In March, 1936 the figures were 866. The increase in the number of unemployed can only be laid to the fact that more of those job-seekers who come North every year are remaining to find work they have done in former years and it is natural to believe that as the roads open up even more will be coming.

Model Home
The model home which will be constructed at the corner of Toke and Leone streets is sponsored by the Timmins Lions Club and tickets will soon go on sale at \$1 and will be raffled off at the Timmins Jubilee and Porcupine Old Home Week this summer.

Tisdale Hospital Planned
With the vote of \$15,000 by the Tisdale council toward the new hospital fund, people are beginning to wonder when construction of the \$50,000 hospital will get under way. It is hoped that part of the municipal lands north of the

ball grounds will be available which will be central for a public hospital.

Timmins-Sudbury Road
Reference to the Shining Tree mining district brings up the advisability of completing the Timmins-Sudbury highway which would link up the Shining Tree district and the new finds of gold and copper in the Connaught Township by the Hollinger Mines.

Siliocosis Compensation
The Timmins Unit of the Mine Workers' Union of Canada have sent suggestions to the Ontario Government regarding increases in the rates of compensation paid for siliocosis. Mine management has also sent a co-operation to the miners in their efforts.

Ontario Gold Production In 1926
The Porcupine lead with 3,180,943 tons milled with a value of \$23,810,626. Kirkland Lake was second with total production of 521,190 tons ore milled and a value of \$7,192,393. The Porcupine producing mines in order of output were: Hollinger, Dome, McIntyre, Vipond, Ankerite, Consolidated West, Dome Lake and Paymaster. Kirkland Lake mines were: Lake Shore, Teck-Hughes, Wright-Hargreaves, Kirkland Lake Gold, Barry-Hollinger, Tough Oakes and Argonaut.

THIRTY YEARS AGO
New Mining Tax
In the Provincial Legislature last week Hon. G. Howard Ferguson introduced the Government's new Mining Taxation Bill. The main features are summarized as follows:—
A provincial tax of five percent on each mine's annual profits in excess of \$10,000 and up to \$5,000,000; a six percent tax on profits from five to ten million; and seven percent from ten to fifteen million.
The present rate of taxation is three percent.

From the annual profits of a mine may be deducted all taxes upon profits payable to the British or Canadian Governments.
The income tax payable to municipalities is not to exceed one percent, except in the town of Cochrane, which is allowed 1½ percent. In this connection Mayor J. P. McLaughlin and H. E. Montgomery, Clerk and Treasurer, left this week for Toronto to treat the case of the town of Timmins before the Government.

Hollinger Four-Week Report
The Hollinger Consolidated report for the four weeks ending Feb. 25th, shows gross profits of \$210,868 from gold assets for the period of \$492,267 and production of 48,252 tons of ore with an average value of \$8.54 a ton. Working costs for the period were \$191,096. Running time was 83 percent.

Worst Snow Storm In History
The North Land last week was visited by one of the worst snow storms in its history. In any event connection with the outside world was cut off for a longer time than in any of the recent years remembered by the old timers. From Monday until Saturday no mails came in. During intervals of that time, the telegraph wires were out of commission. About 18 travellers at the Hotel Goldfields were forced to stay

Timmins Curlers At Cochrane
Two rinks of Timmins curlers journeyed to Cochrane in an unsuccessful attempt to retrieve the Geo. W. Lee trophy.

The rinks were:
Cochrane: James Smith, D. Ostrosser, E. H. Hill, Art Mills, D. E. Sutherland, J. S. McGuire, D. Spence, J. S. McGuire, W. Mitchell, skip (27)

H. McGill, W. E. Sullivan, W. A. Barlow, Geo. Lake, J. A. Clemont, J. R. Todd, F. Clarke, (skip) (4)

Cochrane won 31 to 13.
Surprise Party
A surprise birthday party was given in honour of Miss Fern McCarthy at the home of Mrs. E. A. Fleming, 152 Birch street north. It was also Mrs. Fleming's birthday. Both young ladies received many lovely gifts. Among the guests present were Miss McCendie, Miss B. Urquhart, Miss N. Studor, Miss Annie Mustato and Miss Plouffe.

Go North Young Man
Southern papers are changing the old slogan of "Go West, Young Man," to "Go North Young Man." And thousands of young people in southern Ontario are taking just that advice; Now southern Ontario is being referred to as "Old" Ontario by the northerners.

NOTICE

TO ALL CREAM PRODUCERS IN ONTARIO

A proposed Cream Marketing Scheme for Ontario, under the farm products Marketing Act, has been submitted to the Farm Products Marketing Board for consideration, by the Ontario Cream Producers Association.

Before the Board can consider recommending the scheme, it must be satisfied that a fair representation of the Cream Producers are in favour of its adoption. In order to obtain the recorded views of the Producers, a vote by ballot is being taken on the question:—

"ARE YOU IN FAVOUR OF THE PROPOSED ONTARIO CREAM PRODUCERS' MARKETING SCHEME BEING BROUGHT INTO FORCE IN ONTARIO?"

ALL PRODUCERS MUST REGISTER

All producers must register to vote. Three alternative methods of voting are provided to Cream Producers, as follows:—
(1) By personal registration and voting in each Agricultural Representative's office between March 31 and April 30, 1947; or
(2) By personal registration and voting with the Deputy Returning Officer in charge at each local meeting and afterward until April 19, 1947; or
(3) By registration by mail after April 19, 1947, with each Agricultural Representative, who will send out to the producer a ballot which must be marked, signed and returned to the Agricultural Representative not later than April 30, 1947.

PUBLIC MEETINGS TO BE HELD

The Ontario Cream Producers Association is arranging for a Public Meeting or Meetings in each County and District in Ontario during the period from April 1 to April 19. Watch your weekly newspapers for notice of the time and place of your local meeting, or call your Agricultural Representative. Copies of the proposed scheme may be secured at the Agricultural Representative's Office or at the public meetings.

All ballots must be returned to the Agricultural Representative before April 30, 1947. Any ballots received after that date will not be recorded.

ALL CREAM PRODUCERS ARE URGENTLY REQUESTED TO REGISTER, TO ATTEND THE MEETING IN THEIR AREA—AND TO VOTE. HUSBAND, WIFE, SON OR DAUGHTER MAY VOTE, BUT ONLY ONE FROM EACH OPERATING FARM UNIT
