THROUGH THE YEARS

TEN YEARS AGO

A New King Long Live their Majesties King George VI & Queen Elizabeth, may they reign over us in peace and prosperity. With such expressions the Porcupine celebrated the Coronation of the new King and Queen. At Schumacher, High School Students staged a memorial night in the School ground, with special tableaux by many national groups, notably the Scots, Finns, and Poles. This night will be long remembered in the annals of Schumacher. At South Porcupine a grand fireworks display ended a day which brought joy to all its inhabitants. The festive spirit was not lacking in Timmins where a parade, sports, dancing and music made the holiday one to be long remembered.

Coronation Ball

Timmins Golden Chapter, Daughters of the Empire, gave a Coronation Ball at the Riverside Pavilion last evening, Wednesday, May 12th. Dancing was provided from 10 p.m. with Cangiano's Orchestra providing the music. All the invitations issued for this event were accepted, and all agreed that they had a marvellous time.

Holiday With Pay

A very pleasing evidence of loyalty and interest in the Coronation Day was given by the Mines of the Porcupine, all of whom gave a holiday for the occasion with no time lost to their employees.

Coronation Births Here

Registration records here show that there were at least three Coronation Day births, and there may be more. The Advance noted the Birth on Coronation Day to Mr. and Mrs. Ernest Galipeau a son. On the same day a son was also born to Mr. and Mrs. Justin Robillard and a daughter to Mr. and Mrs. Alan Campbell.

Hollinger Park Trees

Work will be underway this week in the planting of five hundred trees at the Hollinger Park (known as the Cyanide). The trees are expected to be in the ground this week and the work of digging the holes for planting started today.

Gold Price Will Not Be Cut

Joseph Errington, President, The Little Long Lac Gold Mines, Ltd., told a large gathering of citizens at a Meeting held under the auspices of the Port Arthur Chamber of Commerce that the reduction in the price of gold would not help anyone, nor had he heard of anyone who held authority ever say that the price of gold was to be reduced.

Gospel Tabernacle Opens

The Open Door Gospel Tabernacle, Reverend W. A. Siemann, Pastor, was formerly opened Sunday afternoon at 3 o'clock, with interesting and impressive services in which the Rever-

Desertion

Mr. J. J. Kelso, General Superintendent of The Childrens Aid Society, is having a rather trying time. For some time a regular epidemic of wife desertion has been taking place in Timmins, and as a result the C.A.S. have had to find foster parents for some eight thousand children, and the Authorities have had to provide for the deserted wives. The Society is hopeful that the mass desertion has now been checked, and that the fathers will realize their responsibility to their homes, their wives, their children and to Society. Mr. Kelso also states that the Society could not ask for greater co-operation than they

"Shorty" Carveth

"Shorty" must have been through some wild old times at Vimy where all Canadians did such noble service. In the old days he was in the Bank of Toronto at South Porcupine, so, perhaps, he was not altogether unprepared for the bigger job. Knowing "Shorty", it was no surprise to his many friends that he made light of his wounds, and that when writing back he chose one of the jocular picture cards for his correspondence. In order that his many friends may read what the card contained we quote "Just a line to let you know I am back in Blighty, got a bullet in my left shoulder at Vimy. Will write further particulars later. Best regards to all the boys. Saw Eddie Docker, Howard Barton, and Stanley Pearce before I went to France."
