## Tisdale Aroused By Vandalism

One of the most gross and offensive acts of vandalism and desecration was perpetrated in Tisdale Cemetery in the early morning of June 13th. Two men believed to have been in a black sedan, went into the graveyard and damaged eight tombstones, pushing some over and taking the crosses off two. Beer bottles were found (empty) all around and many broken, lying among the graves. The tool shed was broken into and the following articles taken — one wheelbarrow with rubber tires. Three lawn mowers — 1 can of paint, two suits of oilers, 1 hammer, chisels, shovels, rakes, oilcans, one pair of men's high top miners boots, files and screwdrivers.

Other acts of desecration were noted.

Public indignation runs high, and all hope that the miscreants will be brought to justice. Chief McInnis is doing all that can be done to make an arrest, and while being reticent about the suspects, believes soon to satisfy justice.

All who like a good plot, plenty of excitement and a chance to beat the strong arm of the law in solving crime should see this latest Columbia hit.

**BROADWAY**

Ronald Colman plays the lead in the film The Late George Apley, the title of which comes from John P. Marquand's Pulitzer Prize novel which was a fictional compilation of the papers of the late George Apley. Throughout the film, Apley is engaged in a vigorous, though at times comical, battle to preserve the antiquated traditions he clings to in his Boston born-and-bred conservatism.

The picture introduces Peggy Cummings, beautiful young English actress, to the American screen, and features an outstanding supporting cast including Vanessa Brown, Richard Haydn, Charles Russell, Richard Ney, Edna Best, Mildred Natwick, Percy Waram and Nydia Westman.

**CARTIER**

Mexico is the locale of this new release of Gene Autry series. It is one of his firsts since the cowboy star's release - from the army Varying little from the established formula which has made his pictures the favorite screen-fare of many, "Twilight" offers a pleasing mixture of action and music.

Supporting Gene Autry are those favorite marquee names of Stirling, Holloway, Adele Mara, Bob Steele, Martin Garralaga, Tex Terry and the Cass County Boys.

Sterling Holloway who plays the role of "Pokie" turns in a good performance that will get a lot of laughs. Autry and his new horse, Champion, Jr., chase the villains in the accustomed style and there's no lack of the usual brawls with some knife-throwing tricks added.

# DIPLOMA IN CANADA'S FUTURE

It states that this young man has prepared himself with training for leadership in his field . . . that he has foresight and faith in himself.

But more than this, it indicates that our reservoir of trained youth has been increased; that still more Canadians have equipped themselves to accept the challenge offered by Canada's promise of rich rewards to imagination and initiative.

Combined with Canada's vast resources, these ambitious young men and women give substance to the New Horizons in Canada Unlimited.
