Board of Judges

Make today the tomorrow you expected so much of yesterday

This campaign will be conducted throughout its entire duration in an absolutely fair and equitable manner; no influence can enter into this competition but the influence of the candidate. Everything that can be done has been done to assure that there can be no possible reason for anything but the most favorable comment on the

manner in which the campaign is conducted. A Board of Judges will be selected by the candidates themselves, from among men and women of known integrity residing in this district and the names of the judges will be announced later. The Board of Judges will have complete supervision over the manner in which the awards are made.
