Better Vision for Better Grades

Good vision is the ally of good health — it is also the ally of personal progress. Right now, before school starts, bring your youngster in for an eye examination, in case there is the slightest doubt about his eyesight. It will mean happier days in school and better grades for him.

Everybody Welcome - Silver Collection

Ansonville-Iroquois Falls Matheson And District

Miss Barbara Ann Scott visited Iroquois Falls on Monday August 25th. While here Miss Scott was the guest of the Abitibi Power and Paper Co. Ltd.

When we first heard that Miss Scott was going to visit this community we immediately thought that the above paragraph would cover it all very nicely. But since seeing Miss Scott and since hearing of her charm and graciousness we have decided to enlarge our write-up somewhat.

Miss Scott and party of twenty-five, among whom we particularly noted Mrs. Clyde Scott, Miss J. Nekolova and Miss M. Sherman, arrived during the morning and were taken on a tour of the Abitibi Paper Mill by local Abitibi officials. Following this tour the party luncheoned at the home of Mr. F. A. Lavallee along with many distinguished local guests.

His Worship Mayor P. J. Redmond welcomed Miss Scott and her friends and offered the best wishes and congratulations on behalf of all citizens. Mrs. Scott, Barbara Ann and the other noted guests were then presented with bouquets of local grown gladiolas by the little Misses Katherine Reynolds, Margaret Stone and Joy Armstrong. Immediately after these festivities, during which local camera enthusiasts had a field day, Miss Scott and her party were taken on a tour of a pulpwood camp in the Abitibi limits North of Iroquois Falls. While in the bush, the party were treated to a real bush camp dinner and as a side light a blueberry picking contest was held with prizes of huge blueberry pies for the winner. The trip into the forests land was arranged by Messrs. Stone and McKillop of the Woods Dept.

The visitors then left town by their special bus and from all sides we heard many fine comments from the members of the party on the truly wonderful time and fine hospitality accorded them by the leaders of our community.

While on the subject of visitors, we have heard from an unofficial source that this community is to accorded the honour of a visit by his Excellency the Governor-General of Canada sometime during mid-September. Viscount Alexander is to be accompanied by Lady Alexander and an official party of high state dignitaries. Full details of this impending visit are to be announced in the near future.

And now we have a fish story. Messrs. A. A. Dickson, T. Proudfoot and McPhail of the Porcupine Advance staff were recent visitors to our town and while here they indulged in the age old sport of fishing. Our informant told us that not only are they good newspaper men but they are also fine fishermen. It seems that they made the largest catch of the "biggest" White fish seen here for many years. To top off this story we must tell you that Mr. McPhail attempted to take photographs of their finny catch but he found to his dismay that his camera was not equipped for microscopic photography!

The current drive against stray and tagless dogs has led to eight convictions in Iroquois Falls. Each citizen was fined the nominal fine of one dollar and costs.

An outstanding Labour Day celebration is scheduled by the local Unions for next Monday. Many sporting events are planned and it is prayerfully hoped that the weather man will come through with a fine sunny day. As a successful conclusion to the day, two dances are planned, one in Ansonville and the other in Iroquois Falls where Hank Bellek and his orchestra from Timmins will provide the music.

It is to be noted that these Labour Day celebrations are the oldest event of their kind in the North, this year is the twenty-ninth annual celebrations.

The Horticultural show will be held on Thursday August 28th in the Town Hall, Iroquois Falls. This annual show sponsored by the Iroquois Falls and District Horticultural Society is always the most important fall showing of Handicraft and garden and kitchen products ever held in this District. This year the show promises to be greater than ever and we respectfully urge every one to be sure to see the various exhibits and displays.

Miss Juliette and Rita Lavoie left Monday for Beaufre Quebec on a vacation.

Miss Therese St. Denis is back from Hamilton, Toronto, after a month's vacation.

Mrs. Simeon Mousseau of Fort Colombe is in the hospital (Anson Hospital) for a broken leg. She's improving fairly. She is the sister of Mrs. J. G. Mousseau of Ansonville.

Mr. and Mrs. Fred Butterfield and son Ronny are leaving for Kapuskasing, to make their home there. Mr. Butterfield is Town accountant.

Mr. and Mrs. Carriere are back home after a tour to Toronto, Ottawa Exhibition and other places. On a month's vacation.

Miss Claire St. Denni left Sunday for a week, visiting Toronto, Hamilton where she will see her mother in the hospital.

Miss Marguerite Fillion and Mr. Rene Menard of Smooth Rock Falls were visitors at Mrs. Marquis Iroquois Falls on Sunday afternoon.

Visiting and Local Skaters Enjoy Interesting Tour of Abitibi Paper Mills

About 50 members of the Porcupine Skating Club motored to Iroquois Falls Monday and spent the day as guests of the directors of the Abitibi Power and Paper Company.

Upon arrival they were entertained at the home of Mr. and Mrs. Frank Lavallee, general superintendent, and at the home of Mr. and Mrs. T. H. Storr, woods manager.

Following a delicious buffet lunch served by Mr. and Mrs. Lavallee guests strolled through the grounds shaded by trees and bright with flowers.

Following the taking of many photographs, large bouquets of colorful gladioli were presented to Miss Barbara Ann Scott by Miss Kathleen Reynolds, to Miss Yvonne Sherman by Miss Joyce Armstrong and to Miss Jerina Nekolova by Miss Margaret Stone all of Iroquois Falls. The presentation was made on behalf of the town and a speech of welcome was given by Mayor P. J. Redmond. With the Mayor were Mr. H. Reid and Mr. T. C. Dobson, town clerk.

Following the personally conducted tour of the paper mill, guests boarded the Abitibi Railway Private cars and made a trip to mileage 19 for a bush camp dinner. On the return trip all enjoyed a berry picking contest (pint container). The prize was six homemade blueberry pies donated by the Abitibi Camp Cook. This was won by Miss Marjorie Carrol of Storrs Conn.

Upon return a buffet supper was held at the homes of Mr. and Mrs. Paukert and Mr. and Mrs. F. A. Lavallee after which a tour of Iroquois Falls was made prior to the return trip to Schumacher.

LOCALS

Tommy Hurdman Jr. and Barry Dobson have returned from a three weeks vacation at Sessiknika Lake.

Mayor P. J. Redmond has returned from a two weeks vacation spent at his summer home at Nellie Lake.

Seen around town this week: Mr. Gene Cote of Lufkin, Texas and Mr. Fred Mills of Bathurst, N. B. Both are former citizens of Iroquois Falls and thus much of their stay here is being taken up in renewing many old friendships.

Also noted in town were Mr. and Mrs. "Stu" Evans from Detroit, Mich. Mrs. Evans is a sister of Mrs. Cliff Jessup and "Stu" will be remembered as one of our outstanding hockey players during the years 1927 and 1928. While here Mr. and Mrs. Evans holidayed at Mr. Cliff Jessup's Hunting and Fishing Lodge on Waterbeag Lake.

Mr. N. Corbett and Mr. Robert Sharpe of the Abitibi, Toronto Office are business visitors in town this week. Mr. Corbett and Mr. Sharpe came here directly from Smooth Rock Falls where they spent last Thursday and Friday.

The Kinsmen National Convention held in Montreal from Aug. 20th. to Aug. 24th. Over seven hundred and fifty representatives from foreign service clubs. Many important matters relating to Kinsmanship were discussed and settled, among which was the rejection of the idea of having a National Project. It was felt that District Projects would be more suitable such as Wheel Chair Autobus for District No. 2. This autobus will provide a means of transporting wheel chair invalids to any desired entertainment or like function. Iroquois Falls is included in District No. 8, but as yet no project has definitely been chosen but it is hoped that this matter will be settled in a very short time.
