BASEBALL

Outside of the Ennis Cup Series which begins on Sunday, and one or two exhibition games next week the curtain is rapidly closing on baseball activities for this year.

The season has been a very good one for spectators and players alike. The four teams were evenly matched right down to the play off stretch when Combines finally eliminated Hollinger for the right to meet Kirkland in the playdowns.

The McIntyre team threatened to overtake Combines and Hollinger in the last two weeks of play, racking up five straight wins, but Holly put a damper on their hopes by winning a crucial game, thus eliminating them from play off competition.

Then it was between Combines and Holly for the right to meet the league leaders Kirkland Greyhounds but superior pitching foiled the Holly chances.

At this time the Combines were the hottest team in the league and most fans thought that they would breeze through Kirkland Lake in the play offs.

Kirkland Lake on the other hand had the whip hand throughout the regular schedule, getting an early lead in their first ten games. They were never headed from then on although they were slipping badly in the last three weeks of the schedule when they lost Clayton Cooper, Dick Lynott and Eddie Redmond through injuries sustained while participating in the fastball league.

The playoffs opened with Combines beating Kirkland in the first game by a 1-0 score in the last of the ninth, on errors by Clayton Cooper who had recovered sufficiently from his injuries to warrant a starting position, and brother Arnold who missed the throw back from the catcher enabling Butts Johnson to score the lone tally from third base.

Coach Bill Tennant, elected Rolly Bussiere to pitch the second game, and although outpitching Kirkland's ace Art Hillman came out on the short end of a 1-0 repeat score.

The Combines lost the third and fourth games respectively, when Kirkland trounced them 8-1 in the third game and 4-0 in the fourth game in their own back yard. The fifth game ended in a scoreless tie after ten innings of red hot baseball. The game was called on account of darkness when Combines protested hotly and long over an interference rule. The last game was played back at the Holly park but Kirkland Lake playing better ball every time out with their new line up proved too much for the back roaders thereby ending the series.

Arnold Cooper, big southpaw for the Lake entry was the workhorse for the visitors, winning three games out of the four, two of them on successive days. Danny Wilkes youthful shortstop for Kirkland Lake played sparkling ball at a new position, after starting off a little jittery. In fact the whole Kirkland team played good ball with a minimum of errors outbitting the Combines in four of the six games. The Combines failed badly at the plate throughout the whole series, only scoring three runs, as compared to the nineteen counters scored by their rivals. The opportunities for scoring were many, but they just couldn't seem to come through with runners on base when a base knock would have meant a reversal of decision.

As we said before, weather conditions were ideal, and the ball playing very good, but the better team won after being underdogs going into the series. They rallied at the proper times to gain clear cut decisions. The many fans in this district, join this corner in wishing Kirkland all the success in the world by going out and beating Sudbury in their next play off schedule, for the Northern Ontario Baseball finals.

ICE HOCKEY

Most of this week, and next the local hopefuls will be leaving for try outs or regular berths with N.H.L. farm teams, Pacific Coast League, the U.S.A.H.A. Junior teams around Toronto, and even the Quebec Senior Hockey League.

Among the boys who have been raised in Public or Separate school rinks and the former T.P.A.A. rinks in Timmins are Bep Guidolin, Aldege Bastien and brother Pat, the Curik brothers, the Barilko brothers, the Delmonte brothers, Ray Garlepy, Pete Babando the Blair brothers, Ray Hanigan, Costello, George Izatt, Leo Cecchini, Morris Lallo, Ralph Orlando, Gunner Telkinen, Art Hodgins, A. Therriault and many others whom we can't recollect at the moment.

As you can see from these names the Porcupine Camp is represented in almost every pro or semipro league operating in the United States, Canada, the Scottish league, and even the English Hockey League.

These boys all got their start while knee high to a goat, playing hockey on outdoor rinks in the different schools, and when they became a little older, in the old Timmins Arena, pres-

the McIntyre Community Building has benefited in their figure skating.

It is the duty of this town to erect a building not only to keep our youngsters off the streets but to supply them with the facilities so that they can follow up in sport in the same manner in which the local boys mentioned above have started out in a career of their own choosing: Hockey.

The Porcupine Advance will welcome any suggestions by anyone, who can suggest some way of getting around this sports dilemma. There is absolutely no reason why we can't have a sports centre, or community building for a town of this size, when smaller towns with less capital can build recreation centres for the welfare of their youth.

Address all suggestions to Tony Del Monte in care of this paper.

WRESTLING

The Schumacher Lions Club are holding another of their popular wrestling shows on Thursday Sept. 25th, in the McIntyre arena at 8.30.

The first bout will feature Yvon Racicot 180 lbs. from Quebec, against Johnny Anderson whom to date has been the announcer at previous shows. The second bout will be between Jimmie Austerie 205 lbs from Boston against Pat Girard, the flying Frenchman from Montreal at 205 lbs.

The Main Event will be the popular Match Team Event, which went over very big earlier in the Summer at the Hollinger Ball Park, when Johnny Anderson and Pat Girard will tangle with Yvon Racicot and Jimmie Austerie.

ROLLER SKATING Friday 8.30 p.m. Wednesday 2.00 p.m. and 8.30 Thursday Sept. 25 WRESTLING

The McIntyre Arena cannot possibly accommodate all these future hockey stars as they are nearly filled to capacity with senior entries, figure skating, and other sports attractions featured there yearly.

Bin Sturgeon is working very hard to, promote some way of having a covered rink built in this city of ours for these youngsters to play their hockey in, but so far hasn't come up with any suitable solution, and time is running short, if something is to be done for the coming year.

The only solution is a community building similar to the McIntyre Arena not a cheap frame structure which is liable to burn up at any time.

Plans could be drafted in very quick time and work partially done now, so that our boys and girls in this community could benefit from a sports centre in the same manner in which

HANDS AT WORK... LEARNING TAILORING

ONTARIO'S productive capacity is the measure of her future prosperity. To assure the important tailoring industry a prominent place in the industrial life of the Province, trained hands are needed. Skill is important in the cutting, sewing, finishing and other branches of the industry. That is why veterans are being taught its various requirements ON THE JOB, by experts. The transition from apprenticeship to permanent employment means higher wages, job security and better working conditions. Through plans sponsored by the Department of Veterans' Affairs and other agencies, hundreds of veterans have been trained in schools and ON THE JOB. They will acquire greater skill with further training and experience. Craftsmen of the future, they will have a share in Ontario's progress—an important part to play in her industrial development.

TAILORING Leo P. Halloran, 26, of St. Thomas, a veteran of 4 1/2 years' service with the Royal Canadian Navy, is shown here gaining practical experience in the alterations department of a large Toronto tailoring firm. Basic training in various departments of the industry gives the veteran a background knowledge, essential to sales promotion and executive work within the industry.
