Fifty Foot Plunge Into River Averted By Guide Rail Cable

MATHESON—The driver of a local truck, Henry Ford, had a narrow escape on Sunday when his vehicle got out of control as he approached the bridge over the Wabeg River. As the vehicle swerved towards the river it caught on the guide rail cable and was partly suspended above a fifty foot drop to the river. Before coming to a halt against the rail it tore off two posts but the only damage to the truck was a broken grill and headlight. The driver was unhurt.

The truck is the property of Mr. E. Hewitt, of Matheson, who, like his driver, was unable to give any reason for the sudden breakdown of the vehicle which has always been checked regularly and on the day of the accident, had been serviced.

THE LEGION COLUMN

master Fred Wolno sounded the Last Post.

Congratulations to comrades T. Cox, W. Reeve, Jim Sinclair, A. Sinclair, T. Auger, Leo Giarnd and I. Julien all members of the Branch in their new venture the Victory Taxi. On Friday around noon the members who generally frequent the club at that time had the pleasure of listening to a story, quite a long story it was, the Glories of living otherwise the life story of Major (?) John E. Dingley.

It was very interesting and amusing and you know how amusing it can be when you know Jack, he didn't seem to miss anything out, unless that of which he couldn't remember at the time, anyhow the boys got a big kick out of it, his escapades, his ups and downs, mostly ups and his general outlook on life was and is surprisingly rejuvenating.

On Sunday afternoon the Decoration Parade wasn't the success it should have been, about forty members turned out, a very small margin of our membership, a number of the Ladies Auxiliary also turned out and the Timmins Citizens Band was in attendance. At the cemetery they first visited the R. C. Plot where they decorated all the service men's graves, the Rev. Father O'Gorman gave a short service at the Protestant cemetery the Rev. W. Mustard conducted the service and the graves were also decorated, comrade Fred Wolno sounded the Last Post and Revellie, the Band Played Onward Christian soldiers and Fight the good Fight.

There are quite a few names on our Cribbage Skunk Trophy for this month comrade Bill Pennington has gained the lead with one stripe ahead of me, comrades Charlie Wheeler and Ken McLeod are following pretty close and we hope that won't make them stay away. This will be Bill's first attempt to gain the honour of being the champion Skunk of the month and we certainly wish him the best of luck. Speaking of Bill, I would like to put a bug in the ear of our chairman of the entertainment committee for our next smoker and that is, Bill Pennington and Pete Raymond in a duet and it will be a top of the bill feature, their singing of Good Bye-e and Baby Doll was a revelation, the blending of their voices was perfect, so we will be hearing them again. If comrade A. G. W. Stonehouse will call in at the Hall he can pick up a letter that was addressed here for him.

A few names are still needed for the Legion Bowling League, these who haven't got theirs down yet should do so now, they intend to start early in

The McIntyre Ladies Bowling League Plan For Season

Members of the McIntyre Ladies Bowling League met Tuesday evening in The McIntyre Arena to make plans for the opening season.

Mrs. Gert Schwab was re-elected president and Mrs. Scullion, secretary-treasurer for both Leagues.

The Mothers' Bowling Club will start the season Wednesday afternoon, Sept. 24th. The captains of the six teams are Cecel Hicks, Gert Schwab, Marion Dunn, M. Ward, Jenny Hunter and Loretta Campbell.

The Ladies League will start Thursday.

Around the same time the Day League will open their season and we still want a few more teams. Eleven teams have given indication of entering, they are, Legion, Imperials, Expert Windsor, Old Vets, White Cross, Express, Moose, Firemen, two unnamed as yet, Sept. 21st, is the deadline for entries, but the sooner the better.

Some have the opinion that comrade Jack Shaw should not pick on Bill Treriss so often in an attempt to put the fur to him and succeeded once or twice, but I think Bill picks on Jack, I have heard him call him a fish, but who finished and caught the Skunk that same night.

Remember the trip to Kirkland Lake on the 27th when we shall visit Branch '37' and meet them in Cribbage and Darts, get your names down now, deadline Saturday Sept. 20th.

To our sick members in apt of town Hospitals, comrades I. Hunt, A. Loader, S. Lynsey in Christie St. E. Barker in Dividale H. Bird in Essex County, Windsor and A. Sinclair in Gravenhurst we send our very best wishes for a speedy recovery.

In St. Mary's Hospital R. Finkerton and those at home Bob Russel, Doug Cotcher, J. McFarland and Bill Hoeg to them we also send best wishes and hope to see them up and around soon. To those service men still serving overseas and those ex-members of Branch '88' Timmins now residing over there we send our weekly greetings from the boys. Comrades Frank McDowell and Maurice Belanger leave this week end for Windsor to attend a Provincial Comand meeting, representing Branch '88'.

September 30th is the night of the General meeting, 7:30 p.m. sharp we hope to see a good turn out, you may hear something of importance if the delegation have their reports ready for that meeting.

I had a letter from Fred Curtis in Cardiff and he bids me give his regards to all the old members that he knows, he is doing well, but he says the Pints are too high in price he means.

Till Next Week J. Gordon

day evening, Sept. 25th. The captains of the six teams are Connie Cowan, Vi Nelson, Loretta Campbell, Vi Izatt, Marion Dunn and Helen Hazelwood.

BABY TEETH

Irregular teeth, which ruin the appearance, usually have their roots in childhood. They may be due to neglect of baby teeth, to such child habits as thumb-sucking or lip-biting, or to mouth breathing due to adenoids or other nasal obstruction, to retaining baby teeth longer than normal or to neglect the loss of the first molar on the second set.

Dental officials at Ottawa advise regular twice yearly examinations to enable dentists to off-set such conditions.
