A CENTURY BEGINS TO ROLL — Commemorating the historic day 100 years ago when railway service was inaugurated on the Island of Montreal, R. C. Vaughan, C.M.G., president, Canadian National Railways, presents to the City of Montreal an oil painting by the well known Canadian artist, A. Sheriff Scott, R.C.A. On Mr. Vaughan's left are His Excellency, Viscount Alexander, Governor-General of Canada, and Mayor Camille Houde, O.B.E. The table decoration, in sharp contrast with the historic scene in the painting, is a model of a modern CNR train.

Postage Free Food Parcels Would Be Popular Here

Following last weeks notice in the Advance that those who approve of postage free food parcels for Britain, should register at our office, there has been a flood of correspondence requesting that they be added to the list.

This is a good sign and if the government sanctions the proposal, the people of Britain will find the average Canadian is more than willing to assist them overcome the monotonous diet that has been theirs for eight years. Many people were pleased to learn that they could have guidance on how to pack a parcel, a service the Advance is willing to give to all who are interested.

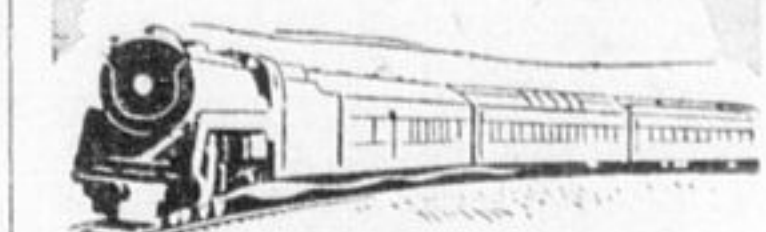

If you have not yet added your name and wish to either phone or write the Advance now so that the list may be sent to Ottawa signifying the desire of this district. Mayor Brunette stated that he would like to see the same courtesy extended to all of Europe while Councillor Roberts added that it would save the British Government millions of much needed dollars when they were interviewed.

Except for tipping the check-room girl who gives you a wrong hat, there seems to be no further use for the five-cent piece.

OLDEST AIR TRAVELLER

FLIES AT 101 — Mrs. Clara Eddelstone, of 5129 Harper Avenue, Chicago, 101 years old, who claims the title of World's Oldest Air Passenger, thinks she might like to be an airliner stewardess if she were "just a few years younger." She is shown here trying on the hat of Trans-Canada Air Lines Stewardess Isabel Oliver, just before taking off from the Municipal Airport, Chicago for Montreal. Mrs. Eddelstone made the trip to attend a reception for one great-granddaughter and the wedding of another, and to await the expected birth of a great-great-grandchild.
