GOOD CITIZENSHIP is a lot of little things

THINK OF THE PEOPLE WHO ARE WAITING

It is a great temptation to sit and chat for a while over a cup of coffee when you have finished a meal in your favorite restaurant. But it isn't quite fair when people are waiting—people who are hungry and tired—people who would like to use your chair. When the restaurant is crowded, it is a friendly gesture to make way for other customers... and it's "Good Citizenship" too.

You can help this public service effort. Make a note of some of the little things which, in your opinion, contribute to Good Citizenship.
