Kinsmen Ladies and Northern Zone Night Anglican Ladies Guild Hold Regular Work Meeting

There is only one race regardless of color or creed and that is our race for being here. District Governor Russ Thompkins, of Kirkland Lake, told Kinsmen, their wives and friends at "Ladies Night" held in the Empire Hotel on Saturday evening.

"Since holding a district office it has been my privilege to charter six new Kinsmen Clubs. Each time there is a new thrill to it. It is a thrill because I am able to review with our new friends the history of the organization."

"I am carried back to that small Chinese cafe in Hamilton in 1920 when our founder Hal Rogers, and his friends formed the first Kinsmen Club. I can see them awakening to the realization that service to their fellowmen would fill a need in their lives that could be satisfied in no other way."

"However, the club's growth was rather slow, until 1935 when Banty Banick became general secretary, then it took on design and purpose. Banty travelled all over the Dominion, Mr. Thompkins told the gathering, forming clubs and getting people interested. At the beginning of the war or up until 1939 there were 85 clubs with a membership of 2,500 persons, today there is established 206 clubs with a membership of 8000.

"Kinsmen have made an enviable record especially during the war years. Their works and donations to various causes have been numerous. During those years alone the Kinsmen Clubs donated over 30 millions of milk to the Milk for Britain Fund," he said.

"The objective of Kinsmen are five: That we may be improved in modern business and professional ethics; that the interest of each in the welfare of his community may be stimulated; that constitutional authority may be upheld; that the spirit of cooperation tolerance and understanding between all nations and all peoples be fostered and stimulated and that unity of thought throughout our Dominion be established toward their goal; and that we carry on service work within our community, continuing Mr. Thompkins said, there is not much difference in our aims or motivations than in similar service organizations throughout Canada.

Mr. Thompkins definition of Kinsmen was "He is Kinsmen let it mean. That he has served and he has seen. The depths of misery and pain, around him--and his duty plain. He'll strive some health and help to bring. The needy and the suffering. The story does not end there either," he said, "because there will be no end as long as there are Kinsmen."

Following the introduction of guests Dr. J. E. Barnard proposed a toast to the ladies to which Mrs. Duke Werther replied. Three other toasts were proposed, one to the King, by president B. Robinson, one to the founder, Hal Rogers, by Charlie Leppan and one to the association by R. B. Stock. In his toast to the founder, Mr. Leppan read a letter from Hal Rogers

written to the Kinsmen for the occasion. In this Mr. Rogers suggested that we should plan and, with characteristic Kinsmen energy, consolidate and strengthen our present organization. "Specifically, I suggest we should more actively preach, teach, and live Kinsmanship both with our own membership and with the other Service Clubs and the people of our communities and Canada."

F. M. Robinson, president, and Timmins members extended cordial greetings to their fellow members from Kirkland Lake, Iroquois Falls, Matheson and other northern points. The delightful evening began with the traditional cocktail hour followed by the serving of a delicious turkey dinner. Henry Kelneck and his orchestra provided the musical background. Ron Jones also highlighted the evening with the leading of a rousing sing song and several piano solos. Frank Boivin also rendered several solos which were much enjoyed by the gathering.
