NEW GIRLS CLUB

The Home Economic Branch of the Department of Agriculture can boast of three Girls Clubs in this district. Matheson has just been formed and has not decided upon a club name. They have Miss Ellen Clark as their Gertrude Thompson, Faith Campbell Local Leader with Misses Marie and Edith Cook in the class. They are making sleeping garments.

The Hooker Creek club this year includes the following members Misses Evelyn Wolf, (Local Leader), Dorothy, Helen and Mabel Wolf, and Dora Sexsmith. They call their club "Cheery Chums."

This club has been in operation for several years under the Leadership of Mrs. E. Gattler, and they have made some lovely things—many articles, of embroidery, crochet and knitting, some of which found their way to the Junior Red Cross to be sent overseas.

Last year they all made dresses better than many an adult. During the war years they helped with some of the knitting for Friendship Circle Branch of the Women's Institute, for overseas boxes. News of the Shillington Club has not been obtained to date. Watch for another issue for a detailed report on their activities.

Kiwanis Head Crippled Children Drive

Fifty million Easter Seals to blanket Ontario is the hope of the Ontario Society for Crippled Children, who conduct their annual drive for funds March 1st to 28th, during the Easter Season. Aiding the drive are ninety six service clubs in leading Ontario centres, who will participate by selling Seals in their area. In Timmins the Kiwanis Club will manage the drive.

"Money raised this way last year gave us a great result with more nurses and occupational therapists being placed on a full time basis in the city," says Mrs. W. Lepper, Executive Director and veteran of twenty five years' experience for the Ontario Society for Crippled Children. The Society is pledged to educate crippled children and to help them to develop by providing special classes, vocational training, and help through to help provide the training of selected youngsters. The Society acts as a central organization with a staff of 150 nurses. It operates special summer camps adapted to the needs of crippled children and arranges hospitalization, provides appliances and transportation among other things.

With the money raised from this year's Easter Seals further expansion of the Society's work will take place. Plans this summer include a more complete nursing coverage in the eastern part of the province similar to those operated on Georgian Bay and near London, where large hundred and fifty crippled children spend a portion of the summer under expert care.

Founded twenty-six years ago by a group of Service Clubs, the movement has grown until there is hardly a community which has not felt its direct influence. Rotary, Kiwanis, Lions, Kinsmen, Shrine and others join in the

work. A main function is to arrange visits since the Society was organized. To of expert orthopaedic surgeons and further aid treatment and hospitalization of Crippled Children living at a distance from specialized medical centres, transportation and accommodation is arranged for patient and escort. It is estimated that over \$6,000,000. in surgical is arranged for patient and escort.

KHARDOUM AWAITS YOUR ORDERS, O GLORIOUS QUEEN.

AS YOU COMMAND, O CLEOPATRA!

BETTER WHEN YOU'RE READY TO SPEAK THE TRUTH!

IN THAT CASE - BY THE GODS OF THE NILE, THE STRANGER'S MIGHT IS APPALLING!

NOW - LOOK HERE, CLEOPATRA! I TOLD YOU THE TRUTH, SO LET'S STOP FOOLING AROUND. BUT - I'VE GOT ENOUGH OF A PROBLEM TRYING TO FIGURE OUT HOW TO GET BACK TO AMERICA.

YOU WON'T THINK OF LEAVING. ALL MY LIFE I DREAMED OF A MIGHTY ONE SUCH AS YOU.

ER - AH - WELL - ER... I REALLY SHOULD BE GOING...

THE STRANGER MAY POSSESS THE MIGHT OF ARMIES, BUT - LOOK YOU - THERE IS NO POWER GREATER THAN THE BEAUTY OF CLEOPATRA!

SHE WILL HAVE HIM - HER SLAVE - IN SHORT ORDER...

AND WHO MAY I ASK, IS THIS?

OH - 'TIS MARK ANTONY - AND GREEN AS THE NILE WITH JEALOUSY.

HUH? IF I REMEMBER MY HISTORY, HE'S THE QUEEN'S BOY-FRIEND. NOW WHAT?
