

HELP THE RED CROSS TO HELP OTHERS

DISASTER GIVES NO WARNING!

Floods, fires, tornadoes, explosions, and other catastrophes, spread their terror and agony with devastating suddenness.

BUT YOUR RED CROSS IS ALWAYS READY

The Red Cross stands on a constant alert, organized and equipped to go into instant action wherever disaster strikes, to provide shelter, clothing, medical aid and comfort to the stricken community.

Your Red Cross donation also represents YOU in all other branches of Red Cross work

- Helping to make a crippled child whole and healthy again.
- Bringing aid and comfort to the thousands of veterans still in hospital from war injuries.
- Providing Outpost Hospitals in frontier communities of the Dominion where pioneer Canadians can be assured of medical aid at times of accident, illness, child-birth.
- The Red Cross Blood Transfusion service . . . the vast program of First Aid, Swimming and Water Safety . . . Nutrition and Homemakers Services . . . all combine to save countless lives and to make Canada one of the world's most respected nations.

YOU are helping in all of these worthy endeavours when you give to the Red Cross.

THE WORK OF MERCY NEVER ENDS
