He came from the Dome before 9 a.m .and while sitting in the waitingroom collapsed and died almost at once. A fellow patient waiting for the doctor, called Miss Yorke who is the office assistant, who phoned for Dr. Atkinson at the hospital. When the doctor arrived Mr. Starling had already died. A heart condition is given as the cause of death.

The deceased was one of the bestknown and best-liked citizens of South Porcupine. Kindly and friendly with every one he was interested in community affairs, was a prominent mason, and a valued employee of the Dome, working in the Machine Shop since 1916. He was also captain of the South Porcupine Fire Department and has been a member of that body almost from its inception in this town. His widow, the former Victorine Morris of the Public School staff, and a six year old daughter, Donna are left to mourn him.

He was the second son of the late Mr. and Mrs. S. Starling, coming to

GOOD CITIZENSHIP is a lot of little things

TAKE AN INTEREST IN YOUR LOCAL GOVERNMENT

Under our democratic system each citizen has a right to take part in the government of his community. It is his privilege to voice his opinions on all matters concerning the community's welfare. It is his duty to vote . . . to elect the best representatives to his government. It is his opportunity to be of service to his fellow-citizens-to make his community a better place in which to live. To take an active interest in your local government is "Good Citizenship".

You can help this pullic service effort. Make a note of some of the little things which, in your opinion, contribute to Good Citizenship.
