GOOD CITIZENSHIP is a lot of little things

RETURN BORROWED ARTICLES PROMPTLY

To be able to borrow some wanted article is a privilege of friendship. And failing to return it promptly not only endangers the privilege but the friendship as well. You expect—and rightly so—that your friends will bring back the things they borrow in good condition and in good time. If we are to look for such consideration in others, we should set the example. That's "Good Citizenship".

You can help this public service effort. Make a note of some of the little things which, in your opinion, contribute to Good Citizenship.
