# Matheson And District

By Mrs. G. R. Weir

**Percy Boyce Speaks**  
Mr. Percy Boyce spoke briefly at three gatherings Friday night May 28th, continuing his campaign as candidate for the Progressive Conservative party for Cochrane South. The Holyre meeting was held in the Messier Hall before the weekly show and it was brief but to the point. Speaker was introduced by Reeve Leo Alarie. Mr. Boyce made mention of what his government had done in assisting the farmer and also an outline of the work completed and cost of roads in this constituency during this last year.

In Matheson and Shillington dances were held and at Matheson his speech was very short. Mr. Robt. Potter introduced the speaker who expressed his pleasure at seeing such a crowd and said he knew right well we didn't want to hear him speak. Mr. Boyce said he felt he had made many friends in Matheson and district and whether he succeeded in winning this Riding or not, he would be back again for a visit. However, he requested a Paul Jones and everybody joined in the fun with Mr. Boyce. The crowd numbered about three hundred and they danced to the music of Ron Jones' orchestra until the wee small hours of the morning.

At Shillington, as was expected, the hall was crowded and they too had good dance music. Mr. Boyce was introduced by Mr. Leo Alarie Reeve of the Black River Township. It was also expected that the speaker would have a few hecklers and nobody was disappointed. One of these asked re high income taxes which was one of Mr. Drew's headaches with the Federal Government. However Mr. Boyce agreed that the Income Tax is too high. Everybody enjoyed and appreciated the good time they all had at the expense of the Progressive Conservative Party.

At the Matheson dance Mr. Bud Saunders rendered two solos, which was appreciated by all. Another solo was rendered by four year old David Nicholson who sang over the loud speaker and won admiration and praise from everybody. David is the son of Mr. and Mrs. E. Nicholson of Watebeg. Also present was Mr. Nicholson's eighty year old mother who remained until 2 a.m. Mrs. Alex Duont of Matheson also beat the drums for one of the dances much to the amusement of all present.

Friendship Circle Branch of the Women's Institute will hold another of their dances at the Anthony Hall, Tuesday June 8th, good refreshments and music. This is for a worthy cause and one can rely on having an enjoyable evening.

The Matheson Public School children and staff have planned to hold a bazaar in the school Thursday June 10th, and tea will be served. The children are proud of their exhibits, all they ask is that the adults come to see their work and purchase what they have during this term.

The death occurred at the Rosedale Memorial Hospital Matheson, of Miss Annie Roy beloved sister of Mrs. Daniel Johnson in her 88th year. **YOUR VOTE FOR**

**IS NEEDED ON JUNE 7 TO**  
**Keep Ontario STRONG**

The outcome of this election will determine the future course of this province for many years to come. Quite apart from any political considerations, you have before you two entirely different points of view. The Progressive Conservative Party believes that this province has unequalled opportunities for development provided that our great resources are put to work under plans for the future which will provide the electric power and other requirements for the greatest period of expansion we have ever known. Our opponents do not believe that these opportunities for expansion exist. It is their right and their duty to express their own opinion about our future. They have done so. They do not believe in our great programme of development. They have acted accordingly and will continue to do so.

You know the record of the government and the many things it has done to advance the interests of all our people. You know the tremendous programme of development which we have approved and which will go into effect if we receive your support on June the 7th. We believe that is the way to assure employment in the years ahead. On the other side you have a static point of view which thinks that all this development should be deferred until the threat of unemployment which they are constantly predicting is actually upon us. Developments of this kind take years to complete and the best way to maintain employment in the future is to provide the power and other resources which are needed to keep employment at a high level. That is the point of view we ask you to support.

I do wish to emphasize one unusual feature of this election. The Communists in this province, relatively small in numbers, are highly organized. They are supporting the C.C.F. I recognize that the leaders of the C.C.F. Party have disavowed this support. The fact remains, however, that in every riding except two where there are Communist candidates who were members of the last Legislature, the Communist vote, large or small, is going to the support of C.C.F. candidates. This may be unfortunate for the C.C.F., and may be against the wishes of that Party. It is apparent, however, that the policies of the C.C.F. Party find sufficient acceptance with the Communists to gain their support.

No matter how worthy any individual C.C.F. candidate may be you have only one way of making sure that your vote is not going to be joined with a Communist vote. It should be remembered that in every country where Communism has come to power, including Russia, it came originally through an alignment with the Socialist party in that country. You may think the danger is still far away here in Canada. Only a few years ago they thought it was very far away in those countries which have been brought under Communist slavery within the past three years. The time to end the threat of Communism is while we are still strong and free, not when freedom hangs in the balance and we face one last desperate decision.

This is not just an ordinary election. With democracy threatened all over the world as it is today, this is an opportunity for the people of Ontario to show by their vote that they really believe in the right to vote. Naturally I hope that you will support the candidate of our party in your riding. No matter how you vote, however, may I urge every one of you to exercise your franchise so that we demonstrate to ourselves and to those living in less fortunate lands, that we really know the value of our freedom. Never has this province advanced so greatly as it has under the progressive policies of the present government. Our programme for the future provides for still greater development in the years ahead. With the great opportunities which are before us, I hope you will give us an overwhelming mandate to keep Ontario strong through the years ahead.
