IT CAME IN DUTY FREE

IT IS REAL! gasps Miss Eileen Dillon as she gives the handlebar George Hoffman's upper lip a pull to see if it is the genuine article. It was both of them arrived from London aboard a chartered TCA North Star operating under the Dominion Government's air immigration plan. Hoffman, who bears a striking resemblance to movie star Jerry Colonna, was Prime Minister of London's Handlebar Club - an organization which, he says, was established "to prove men with mustaches are men of good character." He complains, however, that when he goes swimming people toss fish to him.

Use oil paint, not metallic, when refinishing radiators during home redecoration, advises the Canadian Institute of Plumbing and Heating. Metallic paint acts as insulation and reduces the efficiency of the heating system.

Timmins Now Has Full Customs Port

The Timmins Customs and Excise office which has been an outport of North Bay since its opening, is now a full port directly responsible to Ottawa in all matters of staff, entries, policy, etc.

This Port was officially recognized on July 1st. Cochrane and Cobalt were also included in these changes. As yet the grade number of the port has not been assigned but local authorities believe that it will be grade 2 Port.

1947		
	No. of Entries	Amount

	233	37,707.63

Restrictions, quotas etc. have resulted in a decrease of 35% in number of entries received and some \$7,400 in revenue in the month of June as compared with June of 1947.

DAINGEROUS VAPORS
 Gasoline vapors have been found to have anaesthetic effects similar to those of alcoholic vapors.

The pulp and paper industry leads all other manufacturers in net value added. It is estimated that the industry's output is worth \$1.5 billion annually.

Salvation Army Y. P. Well Represented At Annual Council

Under the capable supervision of Major Henry Majury and P. Dolan, twenty young people of the local Salvation Army Corps represented Timmins at the annual Young People's Councils for Northern Ontario on July 1. The affair was conducted by Brigadier and Mrs. C. Knaap, and divisional staff at New Liskeard.

There were representatives from Sudbury, North Bay, Cobalt, Haileybury, New Liskeard, Kirkland Lake, Noranda, Que., and Timmins.

Much enthusiasm was displayed on the part of the participants and papers were given by the young people themselves in each session. A Timmins team comprised of Corps Cadet Joan Hocking and Corps Cadet Florence Lajeunesse returned home with the trophies received in the various contests.

GOOD CITIZENSHIP

is a lot of little things

TEACH THE CHILDREN TO SWIM

Swimming days are here again! It's a wonderful sport... but it can be a dangerous one, particularly for the kiddies. You can help remove this danger. For example, never let the youngsters go into the water except under the supervision of an adult swimmer—and as soon as they are ready, teach them to swim! Next time the kiddies want to go for a dip, round up the gang and go with them. You can guide them—guard them—and surely that is "Good Citizenship".

You can help this public service effort. Make a note of some of the little things which, in your opinion, contribute to Good Citizenship.
