Finnish Pioneer Honored By Many Friends Rev. A. I. Heinonen Recalls Early Days.

In conection with a special service in honour of the Finnish and Scandinavian pioneers of the Golden Area of Northern Ontario, conducted at the home of the Reverend A. I. Heinonen, the pioneer Finnish and Scandinavian minister, at 53 Rea Street South, Timmins, last Sunday, July the 18th at 3 p.m., one of the pioneers Mr. Jack Emil Schneider, of South Porcupine was honoured with the presentation of a gold watch as a birthday present from his many friends. Last Thursday was his seventieth birthday.

In his sermon on "The Grand Adventure", Rev. Reinonen spoke on the adventure of life as an immigrant, railroad builder, mining prospector and a Christian. Canadian citizen working for the City, which hath foundations, whose builder and maker is God. He also made short reference to the history of the earliest immigrants of Finnish and Scandinavian origin to this continent, who arrived in Delaware three-hundred and ten years ago and helped to build a new nation. Also reference was made to those immigrants of same origin, who arrived in Canada with the Loyalists. Reference was also made to the first prospectors of the Porcupine Golden Area, among whom the Finns and Scandinavians were quite prominent, Viktor Mattson and Henry Pennala, who first found gold in 1906, recording their claim in 1907. Their discovery on Gold Island at Night Hawk Lake, when it became known in 1907, brought many more prospectors into the area. Prospectors, who went through the experiences of the fires of 1908 and 1911, were not forgotten. This finally brought the congregation to the days of 1912 and 1913, when Christian church work was started among the New Canadians of Finnish and Scandinavian origin all over New Ontario, including Cobalt, Porcupine, South Porcupine, Schumacher and Timmins, by their present minister, who has served and is now serving three generations of these peoples. Only a few of the originals are living here, but their children and grandchildren are taking up the challenge of the "Old Timers". After the service, the gold watch was presented to J. E. Schneider, one of these originals, by Rev. Heinonen, on behalf of the friends. Schneider thanked them for the gift and told some interesting experiences from 1909 and 1910. After the service, refreshments were served by the ladies.

"Sure, I need cash — but look . . .
"I didn't exactly go without bread and butter to buy those Bonds, but I did pass up a lot of things to get them, and I'm not going to let them go now.
