High Lowdown

by Donald Hindson The time rolls around again when we must gather bits of information and gossip together, ponder a bit, add a little here and there to make up this week's column.

Probably the most interesting thing at the present (tonight that is) is the rugby schedule. Interesting but disappointing for rugby players and fans alike—only four games, yes a sum total of four games in the schedule and the hopes of an exhibition game with Schumacher. Grrrrrr—purely friendly township rivalry of course.

Then there is a possibility of the play-offs with a senior B team or Kirkland Lake and purely reminiscing Cobalt, North Bay, Sudbury and so on down the line. Please note these are not predictions just hopes. We can dream can't we.

Summing all reports together it appears that the smaller schools believe it isn't quite fair for them to play such a big school as Timmins with over 300 pupils or the larger schools and Senior B the remainder. This, as is evident leaves Timmins and Kirkland Lake high and dry in Senior A with Schumacher vs. Iroquois Falls and Iroquois Falls and Kapuskasing in Senior B.

Timmins first game with Kirkland Lake will be on October the First in Timmins, the second in Kirkland Lake the following week and back in Timmins the third week. The last game of the schedule will be on the 29th in Kirkland Lake.

The social or gossip column as it is commonly called is very likely the heart of a High School column, so for better or worse here it is.

The social season is usually started probably by the rugby games and thus will be only two scheduled rugby games in Timmins and thus only two rugby games. However there may be a few playoff games or exhibition games.

In various sections of the town winter-roasts were planned for Saturday last, but if you remember they were more or less, (and mostly more) rained out. Nevertheless a few very interesting house parties resulted—enough said!

Boys should watch out or maybe on the lookout as the girls are after escorts for the coming rugby games. Of all the gall, the girls will say but remember this is a gossip column and the views expressed here are necessarily those of the writer.

A six man touch - rugby league is being drawn up by Bob VanRassel and is being looked forward to by all Y members. Entries may be left at the Y. Good work Bob.

Hi-Y and Tri-Y Clubs are re-organizing and looking forward to a very successful year.

Mr. Birkenshaw will advise the Hi-Y again this year. The Tri-Y are in process of finding a new director.

Well that winds up this week's little column so I will say goodbye or au revoir (I hope that's right) for this week. Eye'll be seeing you.

Given in marriage by her father, the bride was lovely in a gown of white slipper satin with a yoke of sheer nylon, framed by a bertha of culas peplum. The fitted bodice was laced in tiny buttons all down the back and the long sleeves ended in points over her hands; the full skirt of the gown ended in a slight train. Her full length tulle veil was held in place by a satin and lace headband and she carried a cascade bouquet of American Beauty roses.

Leda Barliko attended her sister as maid of honor in a org silver blue satin gown with matching gloves and brodered coronet and carrying a nosegay of pink gladioli.

Miss Nina Barliko was bridesmaid in a pearl pink satin gown with matching accessories and braided coronet, and she carried a nosegay of yellow gladioli.

Miss Mary Bieovich, the other bridesmaid wore a petal pink lace gown with lace gloves and also a broided coronet. Her nosegay was mauve gladioli.

Miss Sandra Cattarello was lovely as the flower girl, in a full length pink tacea flounced dress carrying mixed sweetpeas.

Groomsman was Mr. Roy G. Howlett, and Mr. Robert Dillon and Mr. Mike Bieovich acted as ushers.

At the reception held at the home of the bride's parents, Mrs. Barliko received the guests in an afternoon dress of autumn brown crepe with matching accessories with a corsage of yellow roses. Mrs. Dillon chose a blue crepe gown with black accessories, and a corsage of red roses.

During the evening a dance was held in the Pinn Hall, with music supplied by Hank Bielek's orchestra.

For the wedding-trip the bride chose a teal blue suit with black accessories and a corsage of white carnations.

On their return they will live on Fern Avenue, South Porcupine.

Junior B starts on September 24th with Schumacher vs. Iroquois Falls and South Porcupine vs. Kapuskasing.

The winning team or potential winning team of Senior B may challenge the winner of Senior A as long as the challenge is in by October the 5th. If no challenge is made the cup will go to the Senior A winner. That winds up the Senior Rugby.

The Junior schedule will be comprised chiefly of four teams from this school as far as is known at present. Some of the schools may have a Junior team and in that case an All-Star team will be picked from the four Timmins teams to compete with them.

The Porcupine Quill is starting to roll once again. The general meeting will be held Thursday night with Mr. Farrow in attendance to give us a few given to Mr. Farrow at this time for pointers. Many thanks should be the excellent and helpful advice already given us. A greater and more wide spread advertising campaign will be conducted this year to try and reduce the annual debt the year book usually runs into.

The orchestra had their first rehearsal Monday night at 4.10. There it was decided to have evening rehearsals to enable former High School members to attend. These rehearsals will be held at 7 o'clock Wednesday evenings.

The orchestra is planning to play between scenes of the opera to be presented some time near the end of October.

SOSHUL NOTES The social or gossip column as it is commonly called is very likely the heart of a High School column, so for better or worse here it is.

Boy Scout NEWS

Back to school means the reopening of those groups who had closed up for the Summer holidays. This refers chiefly to Cub Packs as most of the Troops were active all Summer. Some Packs were too and I think the Leaders of those Packs should be congratulated on their efforts.

Some of the Troops were able to hold camps this year and the Scouts and Leaders made a fine showing. Good camps were operated, programmes well planned, and as the inspection reports show, it was hard to decide which camp was the best. The camping committee had a job to decide to which Troop the Drew Camping Trophy should go.

However at the monthly meeting of the Executive Committee held on Friday evening the winner of the Trophy was announced by the camping committee. I have some good news for all Scouts.

A Scout rally will be held in the Hollinger Scout Hall on Friday evening Sept. 24th at which the Drew Trophy will be presented. This is an invitation to all Scouts in the District to be on hand at 7.00 P.M., in full uniform (as far as pos) and ready to take part in inter-troop competition. May I ask all Leaders to take note of this Rally, and turn out as full a Troop as possible.

I would like to extend this invitation to all Cub Leaders to the rally. The certificates for the District Preliminary Course held in the Spring, will be presented on the occasion. Committee members are also welcome.

I have been asked by some of the Cub Leaders to announce the opening dates of their Pack meetings, so will pass on what information I have. This should be of interest to those parents who have boys of eight years of age, and are anxious to have them join a Cub Pack.

The 1st Pack meet at the Hollinger Scout Hall on Waterloo Rd. at 6.00 P.M. each Tuesday and is in charge of Percy Eade assisted by Ted Phillips.

The 2nd meet at St. Matthew's Cathedral at 6.00 P.M. each Thursday. The Cubmaster is Harry Hawken assisted by Mrs. F. Booker.

The 3rd is under the leadership of Jean Sweeney and hold their meetings each Monday at 6.30 P.M. in the Parish Hall of the Church of Nativity.

The 5th meet at Moneta Public School each Wednesday at 6.00 P.M. and Mrs. Grace Gorrie is the Cubmaster.

The 6th meet at Mattagami Public School at 6.00 P.M. Wednesday, and have been in charge of Terry O'Connor, but as Terry has moved out to the Paymaster Property there may be a change in leadership. However the meetings will continue as planned.

The 7th Pack meet at Hollinger Hall each Wednesday at 6.00 P.M. Bruce McChesney is the Cubmaster assisted by Mr. and Mrs. Dave Kinsey.

The 4th, 8th and 11th Packs have not yet resumed activities but will be underway soon.

A word to interested Parents. The Wolf Cub Pack is the primary school of Scouting and boys of eight years are eligible to join, but can only do so with your permission. Should you have a boy who is desirous of being a Cub, the aforementioned Packs are organized. The Leaders are always anxious to meet parents, so a good idea is to go along to one of the Packs and have a chat with the Leader.

Apple Day this year will be on October 9th. This is a very important date to all concerned, so please plan accordingly.

Also the Annual meeting of the Association will be held on October 22nd. More information of this later.

GOOD CITIZENSHIP is a lot of little things

YOUTH DEPENDS ON YOU FOR GUIDANCE

Today's youngsters are tomorrow's leaders. Canada's future depends on them. Anything you can do . . . by personal example or by directing youthful enthusiasm along useful channels . . . is a service to our country. Perhaps you can give some of your time to coaching a neighborhood hockey or baseball club—or to organizing a hobby group. You'll get a real kick out of this good work and genuine appreciation from the young people themselves. In addition, you'll be teaching them "Good Citizenship".

You can help this public service effort. Make a note of some of the little things which, in your opinion, contribute to Good Citizenship.

Shawville P.Q. Man, Appointed Director Agriculture Service

The promotion of S. R. N. Hodgins, O.B.E., to the position of Director of Information Service, Dominion Department of Agriculture has been announced by Dr. G. S. H. Barton, Deputy Minister.

A former Macdonald college professor, author, editor, cheesemaker and livestock judge, Mr. Hodgins has been general executive assistant to the Deputy Minister of Agriculture since 1943. Before that, he served from the start of the war as secretary of the Agricultural Supplies Board and has represented the Department on many inter-departmental committees.

Born May 1, 1895, on a dairy farm at Shawville, P.Q., the new Director has had practical farming experience from his earliest years. He served one year as acting secretary of the Shawville Fair and for three summers managed a cheese factory. His university training included both agriculture and arts, and he holds the following McGill degrees: B.S.A. 1920 (first class honors in animal husbandry); B.A. 1927, and M.A. 1929 (first class honors in English). While a fourth-year student at Macdonald College, he headed the college livestock judging team at the Chicago International Livestock Exposition.

For 19 years, he held a joint, bilingual position with Macdonald College and the Quebec Department of Agriculture, lecturing in English and agricultural journalism, editing The Journal of Agriculture, serving as correspondent for farm periodicals, and promoting adult education. In 1933, he visited stockmen in Scotland, England and Normandy, obtaining information which later appeared in a series of articles. His writings on subjects as varied as horticulture and the familiar essay have been published in journals as diverse as Smart Set and The North-British Agriculturist.

Mr. Hodgins was a member of the Ontario Agricultural Society and the Ontario Agricultural Association. He was also a member of the Ontario Agricultural Society and the Ontario Agricultural Association.
