# Matheson And District High Lowdown News

By Mrs. G. R. Weir

This last week the members of Matheson branch of the Women's Institute have decided to solicit subscriptions for the Porcupine Advance.

The subscription commissions will go into a trust fund and this trust fund is to be used to purchase at least one Hospital Bed complete with mattress and where necessary, and in time, procure bedding for those who will need it. This bed is to be loaned to residents of Matheson and district whenever the local doctor deems necessary. Free of Charge. During the last few years the need has been great for such a bed, in fact, at the present time two such beds could be used in this district. The need is so great that at the present time one patient has had to get one from Rosedale Memorial Hospital, but the hospital have no such beds to spare and it was loaned at a sacrifice. When a person is ill enough to need such a bed it will be loaned promptly and willingly. Surely with such a dire need in your community, you would not delay in sending your subscription or renewal to the Imperial Bank Matheson, or any member of the Matheson W. I. who will be only too pleased to deposit your subscription for you. For your convenience a letter containing a special blank to be filled in by you, will be in the mail as soon as possible. We are ordering the bed right away, do not let your chance to assist go by. Send your subscription money today.

Mr. and Mrs. Fred Harbridge Jr. of Matheson are happy to announce the birth of their daughter, Tuesday, October 12th, Rosedale Memorial Hospital Matheson.

Messrs. J. Cameron, Fraser, and Shea of Iroquois Falls were hunting at the Teddy Bear Mine area Sunday last. When the snow began to fall and they had no luck they felt disgusted and returned to the Falls.

Mr. Robt. Craig of Matheson has been sent to Cobalt where he will resume his work with McNamara Construction Company. Mr. Craig left for Cobalt Sunday night.

Mrs. J. A. Hough and Mrs. J. Cole Sr. of Matheson sent a day last week at Kirkland Lake.

Mr. Gordon Campbell, Bank Manager at Timmins spent the week-end at "Wolfe" Camp on the new section of Highway No. 101.

Mr. J. Moore of Matheson has at last fulfilled a lifetime ambition to have a Slide Projector for the United Church Sunday school. Mr. and Mrs. Moore have been devout workers for St. Andrew's United Church Matheson, for years and they both deserve great credit. It is hoped the Sunday School children will enjoy it.

The Northern Telephone Company have worked for some time in Matheson changing wires in preparation for the new exchange in the Rutherford Electric building. They have occupied their present offices for years.

Jean Haggerty and David Dupont of Matheson have set the date for their wedding on October 29th and they intend to have a quiet affair. Jean has been wearing a nice diamond ring for some time.

The Matheson Kinsmen are planning their fourth Annual Halloween Costume Dance, Friday, October 29th, in the Oddfellows hall, Matheson. Special door prize will be given. If it is anything like the former Halloween parties it will be loads of fun, and nobody either young or old will want to miss this party. Don't forget the date.

Northern Star Branch of the Women's Institute at Shillington have secured one of the Department of Agriculture films on Insects and Weeds and their control. Shown at the D.R. Shillington, October 20th, before their usual Wednesday show.

# Boy Scout NEWS

The most important news this week is the Annual meeting of the Local Association, which as mentioned before will be held on Friday evening at eight o'clock in the Council Chambers. All executive members, Group committee members, and Cub and Scout leaders are expected to be present. Association members, parents and other interested persons are cordially invited to attend.

The agenda includes, the election of officers for the ensuing year, reading of reports covering the various phases of Scouting, and a discussion on the future of Scouting in our district. It is hoped that a good number will be on hand to take part. This is your chance to find out anything you wish to know about Scouting.

I have done considerable visiting this past week, and am pleased to be able to report that the condition of Scouting has greatly improved. Our Cub Packs are all over strength in numbers and the active Troops are doing a good job. On visiting the 4th, 5th, 8th and 11th on Friday evening of the past week, I found them all working on well planned programmes.

In regard to the other groups I would like again to remind all former members of these groups, and Cubs coming up from them, that the joint meetings of the newly formed Central group are underway and are being held at Hollinger Scout Hall every Thursday evening at seven o'clock. A. D. C. Norm. Greene is the Scouter in charge and would like to have all those interested out to the meeting next week.

In closing may I remind all those working on Registration that I would like to have all returns in by October 25th. Thanks.

ARCH. WRIGHT  
District Leader

Well after a slight absence of a week or so here we are again—at least I am and I hope you are!

As the Rugby game-Timmings High Gridmen marched to their third straight victory over Kirkland Lake, last Saturday afternoon with the convincing score of 17-1! Convincing yes, but not so convincing as the two previous encounters in which the scores were 23-0!

Before the game TH&V coach, Mr. Clark reported that the boys would be trying hard, and Mr. Regimball said his boys were in good shape. Both teams were in good shape and both teams were trying despite these facts many errors, some of them fatal, were made by both teams.

The wind which was blowing directly down the field, was a strong factor, since little headway could be made against it, either in passing or in kicking. Kirkland, as the visiting team, had the choice, and took the wind-while Timmings chose to kick.

It was a fairly even quarter, Timmings having only two more first downs than Kirkland. Torlone made a nice run for TH&V of about 35 yds.—one of the outstanding runs of the game.

Kuliek intercepted a Kirkland forward pass and also made a nice run which set up the first scoring play of the game. After a few forwards by Belec, Kirkland was rouged on a kick by Day. The only other outstanding play of the quarter was an intercepted Kirkland forward pass by Kuliek. Score 1-0 for TH&V.

At the start of the second quarter Timmings recovered a Kirkland fumbled kick and Florani ran it for a touchdown. Convert blocked. The second touchdown of the quarter was a mass of fumbles. Timmings kicked on a second down and fumbled it, Kicking again on their third Kirkland fumbled on receiving it. Dukeshire recovered and ran it for a touchdown. The convert was again blocked. Score 11-0.

The third quarter saw Timmings with the wind again and Kirkland kicking. Timmings' third touchdown was started when Kirkland fumbled and Timmings recovered. Timmings tried a buck gained about 3 and then on a wide buck, Belec to Torlone Timmings scored. Day made good the convert. Score 17-0. The only other outstanding play of the quarter was a fake kick by Kirkland which netted them about 20 yards.

The final quarter both teams smartened up considerably, Kirkland having 4 first downs in a row and Timmings three. Despite this neither team was able to score. The game ended the score 17-1. The next game will be in Kirkland this Friday.

There should be a very interesting game this Wednesday Timmings vs. Schumacher.

A much better dance was held after the game last Saturday in the standpoint of music and material for the gossip column. So here we are!

Well we all have to make up our minds sometime R3y Hobbs who is it to be?

What is her last name Eddy Day? Lochrie perhaps?

Some Kirkland boys are very nice aren't they Pat Coullis?

Did we see Marion McDonald and John McLeod standing talking together after orchestra practice last week?

Everything happens at once. Do you know who all are back? Do we see Mr. Flynn and none other than the "Moose", also Don Tomchick?

Why do you dream in French Rosane Belanger?

Ed Pare says he is all through...

### Women of the Moose

Ansonville Chapter No. 551 held its regular meeting on Monday, October 11th, Sr. Regent Lillian Olavson presided and a large number of members were in attendance. Monthly reports of Membership Committee, Charman Helen Roach, and Publicity Committee, Charman, Mrs. Laura Beagan, were accepted by the Chapter.

they are all the same.

Our Prime minister must also make up his mind. You know you have to be nice to them all if you want their votes!

Oh yes, Helen Heiland, who is he? Every one wants to know. Not every girl gets a soldier to take her to the dance.

Never mind girls there will be an Army Cadet Dance sometime and you will all have soldiers to take you to the dance.

Margaret Robb and P. J. Conway did you know the Progressive Party got in something like 33 seats to 27? Well enough for this week. Enjoy yourselves all who are going down to the game tomorrow and best of luck to the Rugby team!

Mr. and Mrs. Bill Doran have left for Montreal where they will spend some time visiting relatives and friends.

Mrs. Jack Dalton Jr. is visiting relatives and friends in Ottawa. Following a brief visit there she will proceed to Montreal where she will spend some time.

The Publicity Committee Chairman also held her Chapter night program. Remittance sent to Conference Fund re scholarships. Recorder Simone Descotes reported on tag day for Canadian National Institute for the Blind. At next regular meeting plans will be completed for annual bazaar to be held on Oct. 30th in the Moose Hall. Moseheart Committee Chairman, Mrs. L. Pregent, will be holding her Chapter Night program following the next regular meeting. Members and friends will be entertained playing bridge and 500. All members are requester to invite friends to attend on Oct. 25th.
