## Four Playgrounds Hold Track, Field Meet At Hollinger

Playground members from the four town playgrounds, Cameron street, Moneta, Townsite and Hollinger, will gather this afternoon at 1:30 for the first inter-playground meet of the season at Hollinger Park. These meets are held weekly during the summer and provide a lot of entertainment and competition for the children.

Today's get-together is in the form of a track and field meet, with a few features added. Points are recorded for each event and the playground which totals the highest number of points for the day has the honor of flying the championship pennant for a week.

## Empire Sea Cadets Converge on Ottawa

Rene Boyce Able Seaman Cadet of the Timmins Sea Cadet Corps was chosen to represent the Corps at the Empire Sea Cadet Camp at Camp Ewing, Chouy, Que. A. B. Boyce is at present attending the regular summer camp with 32 other cadets from Timmins in preparation for this big event. The remainder of the Sea Cadets from the local Corps will be home this weekend who have been under the command of Lt. Wm. Hitch.

There will be plenty of "yo-ho-ho's" but not a single bottle of rum - nor even a "dead man's chest" - at Camp Ewing, Que., July 26, when 80 Royal Canadian Sea Cadets play host to 78 Sea Cadets from the United Kingdom, Australia, New Zealand and Sweden.

Camp Ewing, 40 Miles up the Ottawa River from Montreal on the Canadian Pacific main line, is the summer headquarters of the Montreal division of the Navy League of Canada, where each year 800 Sea Cadets aged 14 to 18 learn seamanship, swimming signalling, and other naval accomplishments under the eyes of R.C.N. officers and instructors.

Until Aug. 5, Camp Ewing, operated like a warship, will be a youth forum of some of the Empire's outstanding teen-age boys. Before and after the camp period the Australians and New Zealanders who arrived at Vancouver July 22, by the Canadian Australasian liner Aorangi--48 cadets and two officers--will see most of Canada, travelling by Canadian Pacific main line through the Rockies direct to the camp and spending post-camp time in Ottawa, where they will be received by the Governor General, and Toronto.

The 28 Cadets from Great Britain and Sweden have visited Quebec, Halifax, H.M.C.S. Cornwallis and Saint John, N.B., before the camp opened and will visit Ottawa and Toronto with the others.

Organization plans by the Navy League and R.C.N. Sea Cadet Liaison officers got under way more than a year ago, and the first Empire Sea Cadet Camp which starts today is the culmination of an important step in Empire relationship.
