Public Notice

STOPPING UP AND CLOSING OF PORCUPINE CROWN ROAD IN THE TOWNSHIP OF TISDALE EXTENDING FROM VIPOND ROAD TO ONTARIO PROVINCIAL HIGHWAY NO. 67A AND AUTHORIZING THE SALE AND TRANSFER OF SUCH STOPPED UP HIGHWAY TO HOLLINGER CONSOLIDATED GOLD MINES LIMITED OF THE TOWN OF TIMMINS.

NOTICE IS HEREBY GIVEN that the council of the Corporation of the Township of Tisdale proposes, after the 15th day of November, 1949, to pass a By-law stopping up and closing Porcupine Crown Road in the Township of Tisdale extending from Vipond Road to Ontario Provincial Highway No. 67A.

The proposed By-law further provides for the sale and transfer of the Surface Rights of the stopped up highway hereinbefore described to Hollinger Consolidated Gold Mines Limited of the Town of Timmins.

The proposed By-law and plan showing the land to be affected may be seen at the Office of the Clerk-Treasurer of the Township of Tisdale, South Porcupine, Ontario.

The Council will hear in person, or by his, or her, counsel, solicitor or agent, any person who claims that his, or her, land will be prejudicially affected by the By-law and who applies to be heard.

DATED this first day of October, A.D. 1949. P. H. Murphy Clerk-Treasurer

NOTICE TO CREDITORS

IN THE ESTATE OF ISIDORE MARION TAKE NOTICE that all who have claims against the estate of Isidore Marion, late of the Town of Timmins in the District of Cochrane, who died on the 22nd day of August, 1949, are required to file proof of their claims with the undersigned on or before the 4th day of November, 1949, after which date the Executor will distribute the estate having regard only to those claims of which he shall then have had notice.

DATED at Timmins, Ontario, this 6th day of October, 1949. FERNAND LAURIAULT, Executor, per J. A. COUSINEAU, 46 1/2 Third Avenue, Timmins Ontario. His Solicitor. 41, 42, 43

Matheson And District News

By Mrs. G. R. Weir

Mr. Wm. Hartford celebrated his 73rd birthday October 9, at his home at Shillington, prior to leaving for Red Lake with a party. Those celebrating with him were: Mr. and Mrs. Hoyle; Mr. and Mrs. George Booth; Lloyd Hartford, Leslie and Joan, of and daughters, Phyllis and Rita, of Watebeag. Mr. Hartford first came to this district in 1912 and was instrumental in bringing many settlers from Blenheim, Ontario, into Shillington.

Mr. Roy Nicholson, and mother, Mrs. Les. Nicholson, of Timmins, together with George, Roy and Hugh Booth, of Watebeag, recently motored to Gravenhurst to visit with Mrs. Roy Nicholson (nee Pearl Booth) who is a patient at the sanatorium. Mrs. L. Nicholson later took the bus for Toronto to visit with her husband who has been a patient at the Toronto General for some time. The boys visited with their

sister, Mrs. B. Ennest, at Huntsville, before they returned. Mr. Peter Ginn, of Matheson, was the lucky winner of a pair of blankets at the draw with the winning ticket No. 113 held last Friday at the Matheson W.I. dance.

The bazaar at Shillington, held Saturday, October 22, at the Social Club Hall by the Northern Star Branch of the W.I. was successful, they had a splendid display of fancy work, knitting, homemade candies, and baking. The tables were prettily decorated with plants, which were later sold. The W. I. donated prizes for each class in the Shillington school, 1st and 2nd, in Art and writing. Those winning the awards were: Writing, Grade I, Paul Turgeon; 2, Louise Marcel; Grade 2—Myna Bilmer; Grade 3—1st, June Bastian; 2nd, Andre Piche; Grade 4—1st, Marion Turgeon, 2nd, Maurice Turgeon; Grade 5—Rita Bastian 1st and Ruby Montague 2nd; Grade 6—7th—1st, Florence Court, 2nd, Wilma 1st, Carol Bastian, 2nd, Lily Martin; and Vlaska Pavlica 2nd; Art—Grade 1, Mary Humphries, Dennis Montague; Grade 2, Myna Bilmer; Grade 3, Roland Kobziak, Sylvia Hervalma; Grade 4, Donald Doye, Jim Humphries; Grade 5, Rita Bastian, Robt. Bracken; Grade 6, Carol Bastian, Irene Humphries; Grade 7, Florence Court, Wilma Parcels; Grade 8, Vlas-ta Pavlica 2nd, and Margery McGrath 1st. The work was judged by Mrs. E. Gettler and Mrs. H. Weir.

Municipal Council Holds Meeting

The Municipal Council of the Township of Calvert held its regular meeting in the Council Chambers on Oct. 18th with the Reeve and all Councillors in attendance.

A resolution from the Town of Geraldton suggesting that the Trans-Canada Highway should follow the route of Highway No. 11 was endorsed by the Council and instructions given to the Clerk-Treasurer to forward the resolution to the proper authorities.

By-law No. 534 was passed appointing Roland Lauzon a constable for the Township of Calvert.

The sittings of the Court of Revi-

ential standing in the Commonwealth countries. From now on, the tendency will be to cut the preferential system wherever possible and bring it into line with the most-favored-nation tariff.

One thing about the lengthy Ancey negotiations was very clear. That was the continued and growing esteem with which Canada is regarded by world powers.

The high place Canada has won for herself in the council of international negotiations was strikingly shown by the selection of a Canadian to preside over the far-reaching tariff deliberations. The Canadian selected was Canada's high commissioner to the United Kingdom, Dana L. Wilgress.

And Canada quickly demonstrated that she was capable of taking a firm stand on such matters. The Dominion was one of the first countries to formally affix a signature to the agreement. Only eight of the 33 participating nations were on hand to sign the agreement when the signing ceremony took place. Canada was one of the eight. The other nations are gradually affixing their signatures.

RAILWAY CHIEFTAIN

Donald Gordon, a husky six-footer and one of the top-flight members of the government's financial brains trust, is about to embark on a new phase of his spectacular career.

The deputy governor of the Bank of Canada and wartime financial czar of the Dominion as chairman of the Prices Board, was named by the government last week to become head of the huge Canadian National Railways system at the first of the year.

The 47-year-old native of Scotland will be the youngest head of the \$2,500,000,000 sprawling railway empire stretching all the way between Canada's two coasts and down into the United States.

The government gave no reason for stepping outside railway personnel to find a new operating chief for the C. N. R. But the appointment immediately caused speculation that it might be intending to call on Mr. Gordon's talents for a possible reorganization of the Canadian National's financial structure before long.

The \$1,300,000,000 debt of the government-owned line has been a millstone around its neck for many years.

Opposition members raised a hue-and-cry against the appointment of a non-railroader and claimed it was unfair to C. N. R. employees and would lower their morale. The government pooh-poohed opposition criticism. Mr. Gordon's supporters pointed out that Sir James Thornton, a non-railwayman, had been one of the most popular presidents in C. N. R. history.

ston to hear appeals against the 1950 assessment roll was fixed to commence at 9 a.m. on Nov. 7th, 1950, at the Town Hall, Ansonville. A. E. Lapalme; Roy Hopkins, H. J. McIntyre; J. P. Lalonde and A. Fournier were appointed members of the Court of Revision to hear and settle appeals against the 1950 assessment roll.

Thomas W. Denault appeared before the council and requested that some action be taken to prevent water flooding the sidewalk in front of his place of business. The Street Committee was instructed to take appropriate action.

A local plumber requested the council to pass a by-law providing for a very substantial fee for all plumbers doing work in the Township of Calvert. He suggested that the fee should be raised from \$5.00 to \$100.00. The Council members were unanimous in stating that they did not favor any steps being taken on behalf of any business or trade which amounted to a monopoly and the applicant was informed that no action would be taken on his suggestion.

A ratepayer appeared before the Council asking for special consideration in connection with a building by-law regulation. The council informed this party that no exception could be made in his case and the regulations set out in the by-law would have to be enforced.

A delegation from the Calvert Fire Brigade appeared before the council and made several worthwhile recommendations. These included the installation of red lights on some fire alarm boxes not so indicated at present; a red light over the door to the fire hall; lights at the entrance to the Town Hall indicating that the police office is located within; lights at the back of the fire hall near the police office entrance; the painting of the top portion of hydrants in white to permit the indication thereon of the number of turns required to open each hydrant; prohibition of parking busses and cars in front of school areas during school hours.

Several applications for relief were dealt with, as were also cases of indigents being admitted to the Anson General Hospital.

A problem that has been receiving the attention of the council for some considerable time regarding the street lighting of Highway No. 11 through the settlement of Porquis Junction was again before the council for final decision. A proposal of the Hydro Electric Power Commission was agreed to and the Clerk-Treasurer was instructed to communicate with the Commission with a view to having the agreement submitted for execution. The residents of Porquis Junction will, no doubt, be pleased to know that the portion of Highway No. 11 passing through their village will be serviced by street lighting in the near future.

A plan of a subdivision of Herman Lake Tourist Resort was submitted for approval, and the necessary arrangements to pass the required by-law as to building restrictions made so that the by-law will come up for consideration as soon as the plan has been registered.

Reeve Felix Gratton reported to the council that a delegation had met Mr. K. L. Young, of the Recreational Branch of the Department of Education, and discussed with him problems relative to community centers.

The council agreed to dispense with the services of a permanent assessor.

Coroner W. J. Grummett investigated the circumstances surrounding the death of Samuel Shirk, a resident of the Township of Clergue

who died suddenly at his home. Mr. Shirk was 87 years of age. The cause of death was coronary thrombosis.

Wage Schedule to Be Reviewed

Letters and request received by the council for adjustments in salary and changes in position of employees in the Town Hall brought in a letter from the Town Treasurer requesting that the council have a special meeting to review the salary structure of the office employees.

"I think we should have a meeting to thrash out this matter," said councillor DeVillano.

"This is a job for the next council as we are only going to be here for another two months. We may not be back here next year and I'm speaking for myself as well," added Mr. Bartleman.

The council agreed to hold a special meeting to cover the matter.

Mrs. Karly Eyre and Mrs. Claude Desaulnier have left for Toronto where they will spend some time. While in the city they will be registered at the Park Plaza.

WILD DUCK TAMED One of the most unusual events... the feat of raising ducks on Mississippi Lake water should be interesting. Already, of the wild ducks have been quite tame and take little fright the approach of humans. —Carleton Place (Ont.) Can. —Val d'Or (Que.)

By Ken Metheral
of a little centre in France was very much in the news around Parliament Hill in Ottawa last week.

The name — Ancey.
The reason—Canada's department of external affairs released a lengthy statement listing tariff reduction concessions given to — and by — the Dominion as a result of a five-month conference completed at the French town last August.

To most of the men on Parliament Hill, like Mr. Average Canadian in all parts of the country, the tariffs were reduced — it was what effect the new schedules will have on the Canadian economy and on individuals.

Chances are that the over-all results of the reductions, announced in the dull, statistical language of the economist, will never be really known. The trouble is that it's bound to be all scrambled in that flux in world trading started by currency devaluations. It will be well-nigh impossible to tell where one starts and the other begins.

The Ancey agreement is an extension of the post-war drive towards freer trade and trade inaugurated under terms of the 1947 Geneva General Agreement on Tariffs and Trade. Its main feature was the extension of the Geneva pact to embrace 10 new member nations into the original 23-member Geneva group.

138 Enter More Easily
Under the Ancey terms Canada granted tariff concessions on 138 commodities imported by this country. The concessions opened the door a little wider on a variety of goods from textiles to coffee and from silks to accordions. In return Canada is benefitting from new import-duty cuts by the United States and other trading nations.

It is still too early to judge the effect of the concessions. However, U.S. tariff cuts are expected to give such Canadian products as paper, plywood and leather a better chance to compete with home production in the dollar-wealthy American market.

One of the major steps taken by Canada at Ancey to give up some of her advantageous British prefer-

GOOD CITIZENSHIP is a lot of little things

PUBLIC PROPERTY IS YOUR PROPERTY

Most of us respect the private property of others and in turn demand a similar respect for our own! Then why shouldn't we extend this responsibility to what we all own... the neighborhood parks, government buildings, etc. . . . in general, public property?

Your money helps buy, build and maintain it. Take a pride in your ownership . . . refrain from abusing public property in any way . . . and prevent others from abusing it. You'll be acting in the interests of "Good Citizenship".

You can help this public service effort. Make a note of some of the little things which, in your opinion, contribute to Good Citizenship.
