

HIGH LOWDOWN

Happenings At T. H. & V. S.
By D. Hindson

Timmins Blues Beat North Bay Trojans 8-0 to Enter the NOSSA Championship.

Contrary to most expectations, Timmins High downed the highly-rated North Bay squad to the tune of 8 to 0. Timmins scored their first touchdown on a pass after recovering a North Bay fumble. Belec threw a perfect twenty-five yard pass to Charrette who ran it fifteen yards for a touchdown. Belec kicked the convert and made the score 6-0. Twice afterwards Timmins kicked a point to make the final score 8-0.

The pleasing thing about the game for Timmins was the fact that the whole team worked together as a unit for perhaps the first time this year. The line held, made holes and kept North Bay backfielders on the go all the time. The ends whipped around the ends to clip the runners before they got started and the Timmins backfielders ran and plunged as they never have before.

All of Timmins' backfielders were outstanding. Belec for his passing, Johnson and Scullino for their plunging and Charrette for his catching and plunging. Joe Demuyne also played a good game.

Every member of the Timmins line played well. Brillinger and Lochrie turned in their usual good game while McKey playing in the absence of Norm Peterson also played an excellent game. Claude Martin and Wendall Reid alternated to good effect. The Timmins ends all played a good game but probably the most notable was Kjeld Hansen. Kjeld

caught several beautiful passes and also ran them some distance before being pulled down. Kjeld also played equally well on the defense as he caught the end runs around the ends time and time again before they had a chance to materialize. George Kauto also played a good game defensively.

So much for the game—the important thing is that we won. More important and very discouraging was the fact that only a handful of students turned out to the game. Students bought only fifteen dollars worth of tickets while adults bought a total of seventy dollars. To the adults we say thank you, and urge you to attend the game this weekend. It will be a much more important game with the Nossa championship at stake.

Should Timmins win it would be the first time in ten years that they were in possession of the cup. This is the first time that Sudbury has ever come to Timmins and should give every one a desire to see two really fine teams play off.

Sudbury is recognized as one of the finest teams in the North while Timmins playing on their home field and being climatized, along with having the will to really get in there should give them a good fight and even come up on top.

Come Students Come

All students are urged to attend this important game—Please come and support your school. Whether or not there any further athletic trips this year will largely depend upon you! At the present time we are in the hole with a guarantee of two hundred and sixty dollars. Your admission fees will make us or break us. So come one and all to the Hclinger Park this Saturday afternoon at 2 o'clock. That's this Saturday—game time two o'clock to see Timmins High and Vocational win the Nossa Championship against Sudbury High School Wolves.

Lucky Number Programmes
Lucky number programmes will be sold for ten cents each. The programmes will contain the two player lineups and after the game the person who has the lucky number drawn will receive the game ball. The Popcorn Cup will also be presented after the game.

Volley Ball

Timmins was also victorious over the week-end as far as basketball was concerned. In a district championship held at South Porcupine last week-end among the Junior and Senior Girls teams Timmins Senior

came out second best. Timmins fell before South Porcupine Senior Girls Timmins Juniors, however, came out on top of the league. Congratulations go to both these girls' teams.

Mr. Mowatt Speaks to School
Mr. H. Mowatt of the United Nations and The New York Club gave a very imposing address to the school last Friday afternoon. In his address Mr. Mowatt emphasized the importance of regulation of world affairs in peacetime. He said that no one government is any longer able to guarantee its people freedom from war, but that the only hope is in world security and in a world organization such as the United Nations. He also explained that the United Nations was a law making body and not a law enforcing body. The enforcing of these laws would depend upon the moral sanctions of the countries. Mr. Mowatt was thanked by Mr. Rose and heartily applauded by the students.

The Girls Hi-Y Club of Timmins High held a most successful Initiation Dance for first and second formers last Friday night. The club should be complimented on its very commendable work in this line.

It appears that Jock Belec has been holding out on us, eh fellow? Did he mention to us that he was going to the dance with Gertrude M? No—but was he there?—Yes. We will have to check up on our little quarter back.

Carer Carbinneau also pulled a fast one on us, inviting Marla to the dance. I wish you could have seen the look on Joe's face when he saw this pitiful situation.

Julise Coulas—who was that young gentleman from the Bay that squired you around during the evening. Several people are interested.

Bud Johnson is rather disappointed that we are not going to Sudbury—why Bud?

Good Night folks—don't forget the game Saturday.

Well, here we are back on the 'Corner' again to talk over hockey with you for the coming season, and from the way it looks from here it is going to be a slam-bang year, with plenty of everything that goes into a good hockey menu. For the first time in five years of vain trying, the Junior Combines finally hit the jack-pot and walked off with the Lions Pre-Season cup. The kids were flying in both their pre-season outings, as they surpassed the Hollyites and then ran wild over the Macmen for the trophy. As we said before, the Juniors won the trophy for the first time since '44, but if you'll remember the Combines have always started off like a ball of fire but before long the flame has been put out, but good. Maybe we shouldn't go too far out on the limb concerning the Juniors or we will have all the younger fans in the camp down on us. They have got a stronger club than last year though, and might make things tough for everyone, before the final whistle toots. They have picked up a very formidable front line in the persons of Labelle, Mestan and McLaughlin and this threesome will score a heap of markers this year. Don Harrington between the pipes and a few other newcomers will give Jerry Beland a well-balanced outfit that will be slightly better than the Juniors of the cellar last year.

Let's have a peak at last year's champs. The two greatest blows that the Macmen have suffered have been the decisions of Ted Lister and Dusty Baker to call it quits and hang up the long-used gear. They will be missed when the chips are down but on the bright side of things, the Macs have added a classy pair in the form of Rubie, a forward and a big rear-guard, Ray Olexiuk by name. Rubie, a former Schumacher boy, has been playing Junior A. Hockey in S. Kitts while Olexiuk, a Timmins product, has been with the Oshawa Genes. Both will be towers of strength for the Macs in the coming wars. The Porkies gave the McIntyre outfit a tough battle last year but things Porkies, on paper that is, look like could be different this year. The team to beat. They were the team to win on paper last year too, though, if you'll remember, but hockey isn't played on paper. One thing is sure though, the South Enders have the strongest blue-line brigade that the local league has seen for years. The strong fursome is made up of Bummer Doran, Terry Talento, Stew Pirie and Boyd Prentice. Up front they have added greater strength with a pair of new centre-men and a left-winger. Elvon Kavanagh and Larry McKay will give the Porkies the needed strength down the middle while Doug McGinn will help along the left boards. As we said before, there's no denying it, they look good on paper, and don't be surprised if the paper doesn't lie this season.

Next comes the Hollyites. They don't appear to be too strong but a team with Alex Brownlee in the cage can't be counted out of the running. They have lost Ralph Orlando but have picked up an outstanding defenceman in the person of Chick Guarda. The little square

Here is a brief report on the sale of Wreaths and Poppies. The sale of wreaths were almost on par with last year's sales although there was a rise in the purchase price from the Vets Craft and that was absorbed by the Branch from last year's Poppy fund. The sale of Poppies was slightly down from last year but on the whole it was a good day and the Branch thank all those who gave their time to help out in a good cause.

A visitor to the Branch this week end was Lloyd Henry of the Sudbury Branch and we hope he enjoyed his stay here and this goes for any member of the Legion who are visiting Timmins at any time to use the facilities of our clubrooms.

The Saturday evening social was again a success with Ron Purchase, Carl Johns supplying the music.

R. Rochon won the stuffed turkey and John McCallum won the chicken, meaning those two guys were sure of a good Sunday dinner.

During the late baseball season it is a common occurrence to have a game called for darkness, but in the Dart game it is uncommon and still it happened, in a game between the Old Vets and the Moose at the Moose Hall. One of the Old Vets, Ray Wiggle, put his Dart through the spotlight which caused the darkness. In the Dart league rules you can use any size of Dart and this also applies to the players, so the Moose should act accordingly—accommodate the long fellow.

Friday, 11th is the day of Remembrance of Wars 1914-1918, 1939-1945 for those who gave their life for the common cause, the defence of their homeland.

The parade will fall in at the Press Building at 10:30 a.m. from there to the Cenotaph, where the wreaths will be laid, and a short service will be held.

Comrade Fred Wolno will sound the Last Post and Reveille then the Parade will proceed to the Legion Memorial Hall where the Memorial service will be held.

Addresses will be given by President Bill Shields, Les Bailey acting for the Mayor and the Rev. Jean Robinson so we hope to see a real good turnout. Berets and medals or Ribbons shall be worn.

The attendance at the general meeting on Monday evening was about the average and three new members were initiated.

All committees were heard from, and their reports were satisfactory. President Bill Shields gave quite a report on the District meeting held at Virginia Town and he hoped the

guy looks real good out there and is going to make his presence felt. Up front they have added Marson, Defelice and Trevenna giving them a young fast line that will bag its share of goals. The Greenshirts don't look too strong though, but as we said before Brownlee could keep them together at the seams.

That leaves the Papermakers and at the moment they seem to be a question mark. They were supposed to be the weak sisters of the League but what do they do but knock off the highly rated Combines like the proverbial clay pigeons. They looked good in their first outing and showed signs of greater improvement as the season slips by. Judging by last year's squad, Sam Leigh never ends his search for first-class players; don't be surprised if they come up with a few more stars before too long. You'll remember that last season they didn't have too much power at the start but added such defence stalwarts as Lou Mantliew and Paul Beliste and when they were finished they had nearly tumbled the Hollyites to the side lines. The same could happen this year, so hold your hats.

Well, that gives you some idea of the 1949-50 editions of the locals so make your choice. We won't go out on the limb before they have all had a few games under their belts.

members would make the next one a bigger success, which is to be held here next spring.

The president asked for a vote of thanks to be given to the Hollinger for their donation of our Flag Pole and almost in the same breath he said he would like to know who photographed the pole with his finger prints, on the nice white paint.

Lloyd Raney, chairman of the Poppy Fund, asked a vote of thanks be given to Neal Goodfellow who looked after the distributing of the wreaths, also F. J. Dunlop, and those members who gave their time and the use of their car to deliver those wreaths.

Those who have purchased wreaths to pick up, can do so anytime. They are all ready.

To our sick members in hospital, R. Watts, Toronto General; G. Starling, Ottawa Civic; B. Malloy, E. J. Furlotte, A. Larache, E. Dupuis and J. Brennan in St. Mary's Hospital, we send out our very best wishes for a speedy recovery.

To those at home, F. Stonehouse, W. Wilkinson, L. Nicholson, B. Quinn, W. Garlick, A. Neame, G. Altan and T. Tremblay, H. Smith, we also send our best wishes and hope to see them around soon. Another visitor to the Branch, Gordon Williams of the General Currie Branch, Toronto.

To those one time residents of Timmins and members of Branch '88' now overseas, F. Curtis, Ed Stacey, D. Bennett, N. Woodcock, J. Fortin, K. Hulme and J. Fernie we send our best wishes and hope they are well. Let us hear from you.

Any member or ex-service man wishing advice regards to pensions, assistance, etc., see President W. C. Shields, or Secretary Ralph Bryson.

If you know of any one sick at home or in hospital place his name on the list provided for that purpose or get in touch with the Secretary or the Chairman of the sick committee, Con Sullivan, phone 1707R.

If you know of anyone eligible for membership, get after him, bring him in. We are after that Shield for 1949.

Just to remind you, Election Nov. 26th, General Meeting, Nov. 27th. Keep those in mind.

Till next week.

J. GORDON

Dismissed

Leopold Barbe charged with assault and causing bodily harm to a female, Mrs. Marange Jete was dismissed by the Magistrate because of insufficient evidence.

GENERAL MEETING

A general meeting of the Porcupine Chamber of Commerce will be held in the Council Chambers of the Municipal Building on Friday, November 18th at 8:00 p.m. sharp. This will be a very important meeting and all members are urged to attend.

No Parking

The Chief Constable in his letter to the council regarding the request of the Porcupine Chamber of Commerce to have all cars free from the streets stated that the police department of the parade route on Nov. 26th, could not have enough men available for the requested time but he suggested that "No Parking" signs be printed and hung on the telephone poles on the parade route at least four hours prior to the parade.

"I think this Santa Claus Parade is a wonderful thing but the Chamber of Commerce should give us some assistance on these 'No Parking' signs," said Mr. Bartlema.

"I'll get in touch with Mr. Mason," added councillor Aube. The matter was left in the hands of Mr. Aube to make suitable arrangements with the Chamber of Commerce.

...well practically unanimous

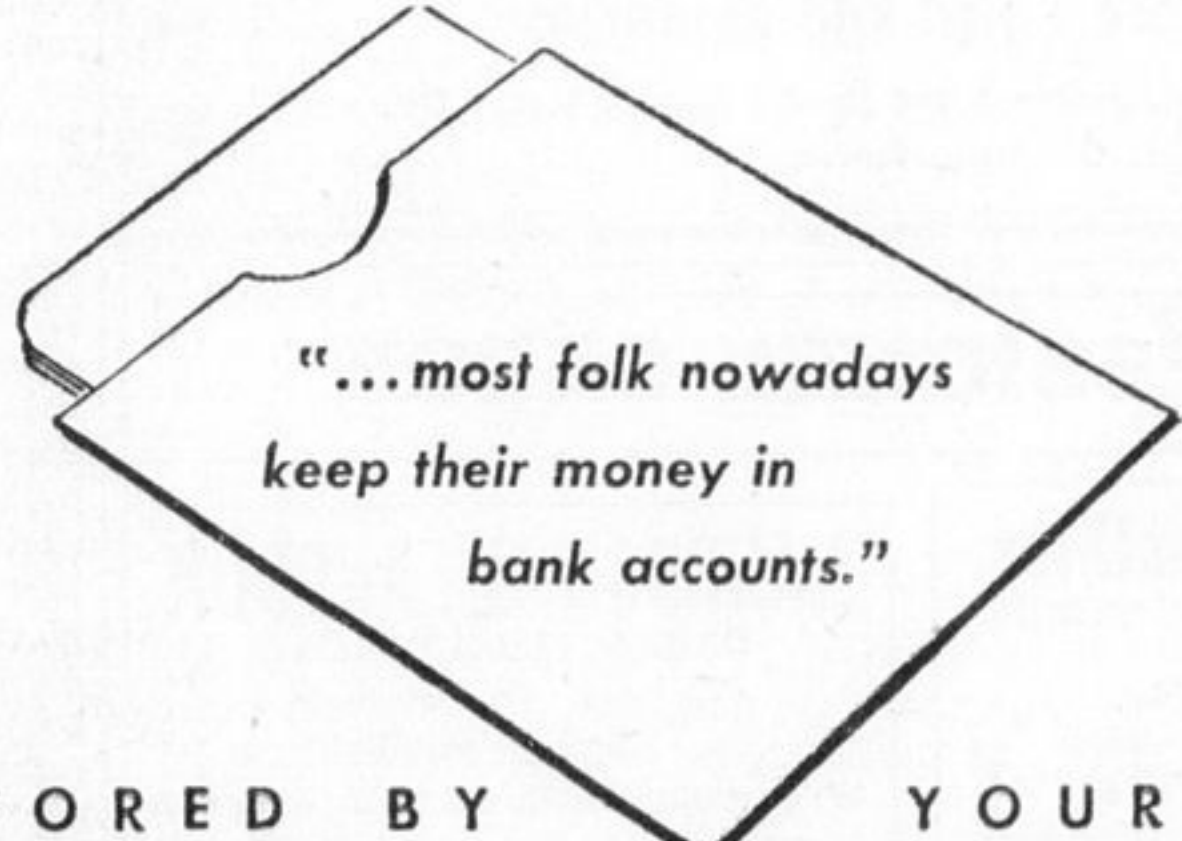

You CAN still find people who "don't believe in banks" . . . who keep their cash in old coffee pots, or hide it in the woodpile, or carry it around.

But most folk nowadays keep their money in bank accounts. They can get it whenever they want it; and they can pay their bills by cheque. Canadians have more than seven million such deposit accounts.

In terms of Canada's adult population, that makes it practically unanimous.

The banks, in turn, know they must earn this confidence by giving you the best service they know how.

Today you can take your account to any bank you choose. And what is in your bank book is strictly between you and your bank. It is your own private business.

SPORTSMANSHIP IN CANADA UNLIMITED

Football's First!

North American Football owes its life to a visiting Canadian University!

It was 1874 . . . McGill University were guest opponents of Harvard in Boston. During the warm-up period, the Harvard team noticed to their amazement that McGill were kicking and carrying the ball.

The two captains got together and discovered they were playing different games. McGill had come to play rugger, Harvard was ready for a soccer match. But the Harvard captain, with true Bostonian courtesy, offered to play McGill's game. The result was the first "football" game ever played in the United States . . . ending in a scoreless tie.

Good sportsmanship has won many world friends for Canada . . . just as the spirit of working together has made us one of the world's great nations. These two—sportsmanship and team spirit—keep your opportunities for work and play in Canada . . . unlimited.

Canada's East-West final for the Dominion Football Championship and the Grey Cup began in 1921 . . . Toronto Argonauts defeating Edmonton Eskimos 23-0.

The Adventures of Captain Morgan

WELL, MORGAN, YOU'VE BROUGHT BACK THE THIRSTIEST CREW I'VE EVER SEEN!

MY COMRADES HAVE AGREED TO POOL OUR WINNINGS AND REFIT OUR SHIP. I'VE SOME IDEAS FOR IMPROVING HER ARMAMENT.

I HAVE THESE BIG BLUNDERBUSSSES MOUNTED ON SWIVELS, SO THEY CAN BE AIMED MORE EFFECTIVELY.

THE NEXT DAY

THERE LIES THE NEW SHIP OF THE BROTHERS OF THE COAST. I HAVE CALLED THIS MEETING SO THAT HER COMPANY MAY ELECT THEIR NEW CAPTAIN.

DIDN'T I TELL YOU? SO NOW, IT'S CAPTAIN HENRY MORGAN!

TO BE CONTINUED.
