Valentine Tea

On Wednesday afternoon St. Paul's Women's Club sponsored a delightful Valentine Tea in the Parish Hall. Everything was daintily set and served, and the abundance and variety of the baking deserves special comment. The ladies would like to thank all who helped in any way to make it a success.

A chest of silver was won by Mrs. Wm. Fairhurst, the lucky ticket being drawn by Baby Costain. Mrs. Doherty of Connaught Hill won the door-prize, a Valentine box of chocolates. Skating Club Party

A Valentine party was held at the rink recently by the Tisdale Skating Club, under the direction of Miss June Fyldes.

It was, besides being a party, a prelude to a Spring Carnival, which is to be held shortly. Miss Fyldes gave an exhibition of skating before Arthur Burke, a promising pupil, took the ice in a solo effort.

Ann and Sue Bennett gave a duet on the ice and were followed by the youngest pupil, Russell Bucknam, five-years-old.

Miss Ann Bennett gave a solo exhibition and then all the members took part in an obstacle race over and around benches, barrels and other objects. A grand march was the finale. Upstairs in the auditorium the senior class of ladies had prepared a party lunch, followed by a sing-song. Music was supplied by Flying Officer J. Smith of the R.C.A.F.

Girl Guides

On Sunday morning over forty Guides and Brownies with their leaders attended St. Paul's Anglican Church for morning service.

In welcoming them Rev. D. Mitchell paid tribute to the leaders of the organization as doing "one of the most unselfish works in the community."

He preached on the text "Blessed are the pure in heart for they shall see God." Miss Ann Neill (Company leader of Dome Guides) sang as a solo "I Will Be True."

This is "Thinking Week" for Guides and Brownies and they honour at this time the founder of the Scout and Guide association, Lord Baden Powell, whose birthday they celebrate yearly in this manner.

On Sunday afternoon the largest gathering of Guides, Brownies and leaders to-date met in the Schumacher High School. They came from all quarters of the Porcupine, Golden City, South Porcupine, Dome, Schumacher and Timmins—over 300 of them, in chartered buses.

An informal service was held (these organizations are non-denominational) and each company and pack had one individual assisting in the service. Miss Neill sang again, the solo she sang in the morning, "I Will Be True." Mrs. Hunter of South Porcupine Brownies gave a Brownie story, and all Guides and Brownies gave the "Guide promise." Besides other items, Miss Reta Scemboe of Timmins was in charge of the program.

Dr. Marion Powell of Timmins was guest speaker and in an informal talk she blended Guides and Brownies with women of the Bible, and gave a new meaning to the C.G.G. which all guides wear (Canadian Girl Guides) as also meaning "Coming to God—and Growing."

Besides Company leaders and Captains, the assembly numbered Division Commissioner, Mr. Robert Stock, and the lady who is affectionately known as the "Mother of Guides" in the North, Mrs. Tomney of Schumacher, who inaugurated the first Guide Company in Cobalt in the early days.

your sister and complete in the mixed doubles, providing they are ex-service women or belong to the Ladies' Auxiliary.

Also there is a Ladies' Singles championship tourney for ex-service women who must belong to the Legion so if you are interested contact our sports supervisor Jim Howlett or see notice on board.

On Saturday evening social for members and their wives or friends was as usual an enjoyable evening under the supervision of Paul Blain and his committee, dance music supplied by Ron Purchase and his Legionaires.

First Time

It was a husband and wife's night at our regular general meeting on Monday evening, the first of its kind and there was a large attendance.

After the regular business was disposed of the remainder of the evening was spent in entertaining the guests, the Legionaires and the Pipe Band under Jim McLennon were in attendance and really a good time was had by all.

Five New Members

Five new members were initiated into the Branch and were given a welcome and as president, Gig Carswell said we would like to welcome some more if we are out to retain the Shield that we won for 1948-49 and we still have a chance for 49-50.

You know the slogan, "Join the Legion in your Region," it is worth belonging to.

Jim Howlett asked for a Badminton court for the members who are interested and was told if there was enough showing interest there might be something done, so get together.

Some Are Ill

The members were impressed upon to report those who are in need and especially the sick, it has been reported that there has been members sick and no one had seen them. If they are reported to the secretary or the Sick Steward they will be visited if not reported, well, no one knows, there is a list on the notice board that the Sick Steward keeps up to date, and if you know of a member sick place his name on this list. To those sick members in hospital here, E. Morley, Barney Quinn, F. McGowan, A. Hannah, J. Harris, B. Donaldson, D. Cotcher, A. Yeomans, H. Lloyd, E. Dupuis and A. Lamarche; out-of-town, Bert Richards in London and Dick Secor in the Civic Hospital, North Bay. Those at home, Walter Wilkinson, Bill Nixon and H. Guenette, we send our best wishes for a speedy recovery and hope to see them around soon.

Bowling Winners

Last week bowling winners of the flat fifties were G. Beck winner of the high triple and R. Spadafore the high single.

The draw for Daigenault Motors Trophy for double competition in the Dart league has been drawn up and there is some interesting games, so consult the list at your place of play so that you can contact your opponents, the deadline for the first round is Wednesday, April 1st.

The Dart game is rapidly growing in Timmins. Many more applications are to be made for entry into the local league whose strength up to now is eighteen teams for the next season, it is thought another eight or ten teams will enter, those are now getting their darts sharpened up in a little practice.

Around Kirkland Lake they are also getting interested in the game so some day we may see inter-league games.

Billiards League?

Some one asks what about a Billiard league downstairs, within the club, we should be able to get lots of pairs (teams) amongst the regulars.

We have a visitor with us this week from the West, father of comrade John Platt, we hope he enjoys his stay here, he did visit us last summer so he is trying the winter and he said himself it was too cold out West.

At any time you wish information or advice regards to assistance or pensions see the secretary who is in his office daily, this also applies if you want to pay your dues.

Till next week, J. Gordon.

Canada's trading deficit with the U.S., a major obstacle to the restoration of international trade, can be practically wiped out by the dollars which the further development of Canadian oil and iron deposits will earn, Hon. Robert H. Winters, minister of resources and development, predicted in an address to the Junior Chamber of Commerce, St. Catharines, Ont.

BADEN POWELL

(Continued from Page One) the definitions said, that the science fellows were wrong in saying that perpetual motion is impossible.

Harry Kuzyk, chairman of the Kiwanis Boy Scout committee, made a capable chairman for the Scout part of the day's programme.

"Thank You" from President President Geo. Knowles expressed the sincere thanks of the club to the addresses of Commissioner Greene and Nick Basciano, the good work of the Scout committee, and especially appreciation for the visit of the leaders and the Scouts and Cubs.

Past Presidents Up Front The eight past presidents — J. L. Fulton, R. P. Kinkel, O. R. Kenzie, Frank Bailey, E. H. King, W. O. Langdon, G. N. Ross and F. A. Woodbury — out of the nine present, were called to the front. Past Lieutenant-Governor P. T. Molesley then called up the ninth, W. Rinn, presenting to this chapter member, and the only continuous member of the club since its formation here, a one-year attendance t.b. After the usual ceremony on such occasions, the Past Lieutenant-Governor shook hands with Past President Rinn, then leaving him to shake hands with the other eight, all but one of whom had also a perfect attendance tab to credit.

Minstrel Show, March 30 and 31 Dr. Brill called attention to the fact that the dates of the coming Kiwanis Minstrel Show had to be changed, on account of a prior date made by the Palace Theatre. The Minstrel Show would be at the Palace the same week as previously planned, but a day later, namely, Thursday, March 30th, and Friday, March 31st.

Mrs. Brill and Mrs. Woodbury were busy on the making of the costumes for the show, and Dr. Brill asked that other Kiwanian ladies be asked to assist.

Congratulations were extended to Past Lieutenant - Governor W. O. Langdon on his recent appointment as deputy magistrate, and Zig Os-

trowski was asked to take a bow for being the star curler of the club, having won two prizes at the recent T. & N. O. bonselpiel at Kirkland Lake.

Boost Those Bonus Books Vice-President P. H. Laporte called attention to the fact that, while the bonus books were selling well wherever they were offered, there were not enough members using the opportunity to dispose of these books at present. He asked all to get busy and so make the bonus book plan a success.

Curling's first!

It was a big day for Canadian curling when East and West first met!

From Quebec City to Kincardine, Canada's pioneer curlers had gathered on the ice of Burlington Bay. It was a crisp February day in 1858 and the brothers of the broom were meeting for the country's first East-West Bonselpiel.

Thirty-two rinks—or teams—shouted their encouragement round the tees. Many easterners used heavy iron "stones", the westerners had granite. Bonneted figures brushed the ice with new vigour as the scores grew closer. But when the last stone skidded to a stop, the westerners sent up a cheer. They had won by 14 points.

Today the East-West Bonselpiel is one of our major sporting events. With its keen competition and team spirit it's an example of good sportsmanship. And together team spirit and sportsmanship keep our opportunities for work and play in Canada unlimited.

This year's East-West Bonselpiel will be held at Vancouver, March 6th to 9th. The West are the present champions.
